It is said that Mr. Spaniol tells, that while fishing in the briny deep at the popular resort, he hooked a bass of about 16 inches in length, and on pulling the fish above the water, discovered that a large cod fish was attempting to swallow the bass. With rare presence of mind, the bass was let back into

the water until the cod had sufficient time to swallow, it when a quick pull on the line hooked the larger fish as well as the smaller and both were landed successfully .- Stayton Mail.
