THE OREGON TRAIL
L'Envoi

Only the strong shall live—
Only the soul that dares,
Only the trust that believes,
Only the love that cares.

Only the heart's that true,
Only the motive pure,
Only the hope that abides,
Only the faith that is sure.

By CHARLES J. LISLE,
Oregon Magazine,
October, 1924.

ONE HUNDRED AND TWENTY-FIVE invitations are being issued for the wedding of Miss Esther Paroungian to Mr. Ralph W. Barnes which will take place at 4 o'clock Saturday afternoon, October 11, at the First Methodist church. Rev. Richard N. Avison will officiate.

Miss Lena Belle Tartar tomorrow night is giving her many friends delightful opportunity of hearing a program of excellent numbers, with songs chosen especially for their intrinsic poetic merit. Miss Tartar, a contralto soloist of wide popularity, who has had some very inspirational work with Yeatman Griffith of New York city, will open her program with two old Italian songs, followed by representative numbers from Franz, Rubenstein, Massenet and Brahms. She will tend toward the more modern composers later in the evening.

Miss Tartar will be ably assisted by Miss Carol Dibble, who will render an interpretation of the Gertrude Robison Ross's poem, "Wind o' Lonesome." Professor Roberts, always extremely appreciated in his numbers, will play a group on the organ. Miss Tartar's accompaniment will be Miss Gretchen Kraemer.

The Salem Arts League council will meet with the members at a called business meeting at 7:30 o'clock in the public library.

Affiliate Sunday at the First Methodist church instead of being observed today as previously announced will be held a week from Sunday when the students will be guests in the different homes.

After spending three weeks of her vacation with her parents, Dr. and Mrs. L. G. Altman of 296 N. Liberty street, Mrs. Alta A. Martin has returned to Los Angeles, California.

She is employed in the office of Melvyn, Milkin, Taylor and Maxwell, a leading law firm of the city with which she has been the past twelve months. Prior to that she was with the county council of Los Angeles county for four years.

A second hike will be enjoyed this afternoon by members of the Business and Professional Women's club. The group will meet at 2:30 o'clock at the south entrance of the state house.

The Rapheterian club will hold their first meeting of the season on Thursday, October 2, at the home of Mrs. A. A. Siewert, 388 North Winter street.

Mrs. T. G. Hoover had as her guests during Fair week Dr. Bertha L. Devore and mother of Drain, Oregon.

The Progressive Dancing club, under the sponsorship of Mrs. Ralph A. White, will meet a week from Tuesday for the first dance of the season. Forty couples are members of this popular group.

Mrs. White is also beginning her regular work with this week, her classes opening for the evening hours as well as for mornings and afternoons. A special feature of Mrs. White's work, and one that is of much interest, is the business and professional women's class in physical culture which meet for the first time this season at 7:15 p. m. next Friday.

Miss Zelma Busch, who for the past three years has been employed in the secretary of state's office, left last week for Corvallis to register in the commerce department at the Oregon Agricultural College.

With Sunday, Monday, and Tuesday as Jewish New Year, eleven Salem families will go to Portland tomorrow for that holiday.

One of the most unique and lovely pre-nuptial luncheons of the season was that yesterday noon for which Miss Hazel Dean Long was the inspiration. Mrs. F. A. Baker was the hostess for the hour. The rainbow motif was used throughout, an arch of ribbons in the seven colors extending from one end of the table to the other, with bride's place at the rainbow's end where a wedding ring waited and a "bag of gold."

A silver basket under the center of the rainbow held flowers in the rainbow hues. Each daily place card and little frilled nut contained carried out further the

complimentary luncheon at the Woman's club house.

The day's outstanding feature, however, was the address by Mrs. Cook, herself, following the no-host banquet at the Marion hotel where covers were placed for more than a hundred. In the address, given in the flower-banked auditorium of the house of representatives, Mrs. Wayne brought out with graphic clearness the message of growth and development which she urged.

To Mrs. Elmo S. White goes the credit for an exceedingly capable general chairmanship. The other committees were headed as follows: program Mrs. Russell Catlin; entertainment Mrs. W. H. Byrd; transportation, Mrs. U. G. Shipley; luncheon, Mrs. Homer Goulet; dinner, Mrs. J. W. Harbison; lunch, Mrs. C. C. Best; decoration (house of representatives) Mrs. Frances Cornell; decoration (Salem woman's club house) Mrs. R. J. Vailton. Additional charges as announced are:

While the first floor is devoted to all the needs of a comfortable home, the second floor is one of the most admired musical suites in the state. The entire second story is given over to an ample music hall, piano room, and library. The auditorium, a space of 22 y 40 feet, has a rounded vaulted ceiling which makes the acoustics outstandingly good. The floor is of oak, and the whole hall is admirable in every detail for recitals and the many semi-public events of which it has been the

scene. With auxiliary rooms, the space will seat approximately one hundred and fifty guests.

For nearly twenty years, Professor Roberts has been organist at the First Methodist church, and the plans for his house call for the installation, in the near future of Professor Roberts' own residence organ.

Many are anticipating the various autumn musicales which Professor Roberts will doubtless sponsor in his charming studio-residence.

Interior View of the Professor T. S. Roberts' Music Hall

The scene of many attractive social affairs and musicales, 505 North Summer Street.

Not a few distinguished guests have been entertained already in the charming studio-residence of Professor and Mrs. T. S. Roberts, 505 North Summer street, a view of which is shown above. In the company have been Marcel Dupres the great French organist; Royal Dadmun, the baritone soloist, and Madame Sjerna, the American-Swedish soprano.

This beautiful residence was opened during the autumn of 1922 and since then has seen the scene of many attractive social gatherings and musicales.

Grace Wood Jess

Folk Song Artist Who Will Sing Here October 7

Grace Wood Jess, who confines her concert work exclusively to the singing of folk-songs, has done a vast amount of research to enable her to offer her widely varied and historically correct programs. Miss Jess is a strong believer in the psychology of clothes and in a recent interview revealed a few interesting glimpses regarding the "dressing" of her songs. "It is almost impossible for me to sing a folk-song when clad in the ordinary garments of modern wear," she declared. "I can go through the outliness of it, to be sure, but I feel no power of visualization, nor do I get from my audiences that quick response and understanding that are always such a delight and inspiration to a singer. I try to make my costumes reflect—to a certain extent—the character of my songs. For instance, it would be simply impossible for me to sing my Russian songs in ordinary evening dress. I could not get the feeling, which is so necessary a part. Aside from the stage, I am also a great believer that our moods are largely influenced by the clothes we wear. Do not scientists claim that certain shades have definite physiological effects?" All the costumes, Miss Jess wears in her recitals were designed for her and are historically correct.

Miss Jess appears here on October 7 at the First Christian church.

The young women's Bible class under the leadership of Mrs. Chas. Park, will meet at the City Library, Monday evening, September 29, 7:30 o'clock for the purpose of reorganizing. All young women of the city who are interested are invited to attend.
