BEARCATS LOSE ANOTHER PLAYER

Wait Is Dismissed at Seattle for Breaking Training Rules

Old Lady Hard Luck appears to be camping on the trail of the Willamette Bearcats this season, for another of the players has fallen by the wayside. While in Seattle, Wait, a husky Bearcat player who got into the game against Oregon a week ago Saturday, broke training rules and was dismissed from the squad last Saturday by Coach Rathbun a few hours prior to the game with the University of Washington. He was provided with a ticket and started back to Salem.

Coach Rathbun informed a newspaper man last Thursday that he was investigating information concerning the eligibility of one of the players. Until he had all the facts, he did not want to make a statement, but went to hold a personal interview with the informant.

"When informed that a sub line man used six minutes of the Oregon game, was possibly ineligible, our staff immediately investigated," said Rathbun. "The young man acknowledged that if two years of college football played while he was enrolled in the academy counted, he would have played the allotted time allowed under our rules. Due to this development, two of his friends decided to withdraw, although their playing status was not involved in any similar sense. They left for a non-conference college.

"The fourth boy, Hemphill of Berkley, presented satisfactory evidence to college authorities that he was needed at home. When family affairs permit he expects to return to Willamette. "Irrespective of other reports, these are the actual facts as gathered by our staff, after investigation of all available data. The lads were all bona fide students, and only one was involved in the eligibility question."

COACH UNABLE TO FIND GAME

Huntington Anxious to Try Out His Team on Some High School

In the coaching game if it is not one thing it is another that causes worry to the mentor and brings forth premature gray hairs. At present Coach Hollis Huntington is "sitting pretty" with a number of veterans and a host of reserve material. But he can find no high school upon which to try-out his men. At least he has not made connections and the

WHITE SOX ARE CHICAGO CHAMPS

Cubs of National League Defeated By Score of Five to Three

CHICAGO, Oct. 6.—The White Sox remain Chicago champions, even if they did finish last in the 1924 American league race. Bowling over the Cubs today, 5 to 3, the American league nine, led by Johnny Evers, retained their city title, re-won last year from the National leaguers after a lapse of 12 months.

It was the sixth game of the series, the Cubs having taken the first and fifth combats solely on the pitching of Grover Alexander. In all the other contests the Sox pitched and attack were superior.

Hollis Thurston and Ted Lyons hurled the Sox to victory today. Thurston was swept aside in the terrific Cub attack in the seventh inning which fell a single run of tying the score and Lyons came on to wind up the affray. Aldridge, Elmer Jacobs, Tony Kaumann and John Blake pitched for the Cubs but the National league club could not catch the Sox, after they got

away to a four run lead in the first three innings on Aldridge. Score— R. H. E. Cubs 3 10 0 White Sox 5 8 2 Aldridge, Jacobs, Kaufmann, Blake and Hartnett; Thurston, Lyons and Schalk.

STRAW VOTE TAKEN AT LEGION MEETING

Little Difference Between Candidates Found; Big Crowd Attends

Presidential candidates are fairly equally divided as favorites as far as a straw vote taken at the first of the fall meetings of Capitol Post No. 9, American legion indicate. The results obtained last night gave Coolidge 33; Davis 32, and La Follette 27. The vote was taken upon request of John M. Stoddard, of the Seattle Post-Intelligencer, which is conducting a campaign through the north-west in line with other Hearst publications throughout the nation. Mr. Stoddard is taking these polls from all classes and will visit as far south as Medford, going to Astoria and La Grande before returning to his office. He is an ex-service man and issued an official invitation to all former members of the 65th coast artillery to attend the annual gathering and reunion in Seattle October 25.

McCornack hall was packed last night, with a special program offered. Clifford Brown reported on the national legion convention in St. Paul, with appropriate side-lights. Music was furnished by the Cherrian quartette, with John Charge, British veteran of the World war who saw four years of action, appearing in a bagpipe selection. Bill Hines headed a delegation from the Dallas post who made a social visit. Steamed clams and clam tea were the refreshments. Two weeks from last night the entertainment will be given by the American Legion auxiliary. A resolution inviting the Salem War Mothers to dedicate the statue, "Over the Top to Victory," located on the court house lawn, on Armistice day instead of a prior date, was unanimously approved and passed by the organization.

PORTLAND WINS FROM FRISCO

Score— R. H. E. San Francisco 3 8 0 Portland 5 10 3 Williams and Yelle; Schroeder and Daly.

ATLAS BOOKSTORE IS OPENED MONDAY

Stock Consists of General Stationery; Fine Interior Decorations

Doors of the new Atlas Book & Stationery store at 465 State were opened for business Monday, with R. S. Meison and A. A. Gueffroy as proprietors.

All the latest type of equipment adapted to a store of this kind have been installed and, according to several salesmen, the store is one of the finest of its kind west of Cincinnati. The wood-work is of hardwood and finished in driftwood gray, the only finish of its kind to be found in Salem. The remainder of the decorations are in harmony with the wood-work.

The store carries a general stationery line, with gifts that are associated with this kind of a stock. Three booths along the west side of the building are designed to give a better display of the articles and books and to provide place where a person may look through a book without being jostled by those passing along the aisle. A small office is located near the front entrance.

In addition to the complete line of books and stationery supplies, the typewriting and rubber stamp plant formerly located at 365 North Liberty, has been moved to the rear of the building. This department is under the direction of Fred Alfred Williams. All sales, repairs and rentals will be handled from the new location.

Miss Florence Cartwright is in charge of the book department of the store.

Babe Ruth is leading in home runs again, or rather yet.

Individual Service-Nation-Wide Facilities

TELEPHONE service is essentially an individual service. Each subscriber must be dealt with as an individual. His telephone instrument is a piece of individual, personal equipment. But to coordinate this instrument with a nation-wide system requires supplementary facilities in wholesale quantities. In itself, this instrument represents only a relatively small investment. Its proportionate share, however, in the total investment in wire, poles, switchboards, buildings and other plant required to make Bell System service universal in scope is an

hundred times its own value. This investment per instrument is steadily increasing as more and more equipment, constantly growing more complex, is put into service at the present high prices of labor and materials. Centralized manufacture and years of continuous research have enabled the Bell System in some measure to meet this rising tide of plant investment. The result is that its service remains unrivalled not only in efficiency and in extent but in economy from the standpoint of cost to the subscriber.
