GONZAGA DEFEATS PULLMAN TEAM

WSC Unable to Overcome Lead Piled Up During First Minutes' Play

PULLMAN, Wash., Oct. 11.—Two touchdowns scored in the first few minutes of play, with successful tries for goal after each one gave Gonzaga university of Spokane, a sufficient margin to win today against Washington State college here.

The teams are members of the Northwest conference. The Cougars worked the ball to Gonzaga's five yard line four times during the second half but only two touch downs resulted and the failure of the tries for goal was the measure of defeat.

A 50-yard pass, Stockton to Plaherty after an exchange of punts at the beginning of the game scored Gonzaga's first touch down.

LATONIA, Ky., Oct. 11.—(By The Associated Press)—Smashing all existing Kentucky track records for a mile and a quarter, Sarazen, three year old chestnut gelding owned by Mrs. W. K. Vanderbilt II, today vanquished Epinar, pride of the French turf in the final race of the international series before a record breaking crowd of 50,000 to 60,000 spectators.

Sarazen, ineligible for the previous two international races, because he was a gelding, flashed across the wire a length and a half ahead of the gallant French horse in 2:00 4-5. This was within 4-5 of a second of the world's record established by the great Whisk Broom II, ten years ago.

Whisk Broom at that time carried 133 pounds while Sarazen was burdened with 120 today. Sarazen stepped the fastest mile, and the fastest mile and a quarter ever run on the Latonia track. He

was clocked at the mile in 1:35 4-5, clipping a fraction of a second off the track record.

Epinar, strangely enough, finished today as he did in his two previous American starts when he defeated second to Wise Counselor and later to Larkin. While Sarazen's victory was convincing, Epinar was just as wonderful in defeat. Working his way through interference when Altwood came together with Mad Play and dumped in the final sixteenth of the race, Epinar came up from fourth place, shot quickly to the outside, flashed ahead of Mad Play and was gaining rapidly on the Vanderbilt gelding in the closing strides.

Mad Play, the entry of Harry F. Sinclair, probably ran the greatest race of his career, finishing on top of Epinar for third place. Altwood, owned by C. Bruce Headley of Lexington made a desperate effort and was barely beaten for third place. Altwood finished fourth, six lengths ahead of Princess Doreen, the heavily played filly which landed fifth place while Little Chief finished sixth, My Play seventh, and Chilhowee last.

The victory was worth \$55,500 to Mrs. Vanderbilt in addition to a \$5,000 gold cup. Epinar pulled down \$8,000 as second prize \$3,000 went to Mad Play and \$1,000 as fourth prize to Altwood.

MISSOULA, Mont., Oct. 11.—Offering a stonewall defense and backed by a plunging backfield that whirled its way repeatedly around the ends, Idaho university this afternoon defeated the University of Montana by a score of 41 to 13.

Four of Idaho's six touchdowns were earned while the other two coming early in the third quarter were handed the visitors when Montana's defense wavered and broke.

The Idaho forward wall bowled over its smaller Montana opponents almost at will and was not to be denied. A fake criss-cross puzzled Montana throughout.

Montana's only offensive consisted of the forward pass and this air attack paved the way for both of her touchdowns, one in the second quarter and the other in the third. In straight football the backs never had a chance.

INGROWN NAIL Turns Right Out Itself

A few drops of "Outgro" in the crevice of the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.
