MISS FRANZ DOERFLER will have to assist her this evening at the anticipated Arts' League program at Waller hall not only her talented brother, Martin Doerfler, basso, but also Salem's accomplished young pianist, Miss Ruth Bedford, who has successfully accompanied the Apollo club the past four years. Miss Bedford, a pupil of Miss Beatrice Shelton, has had considerable praise for her work from eastern artists. She will no doubt add much to the splendid quality of tonight's program.

Of especial interest will be the featuring of a well chosen group of poems from the lovely ones written by Mrs. Gertrude Robison Ross, by Miss Doerfler.

Oregon Agricultural College, Corvallis, Oct. 12.—Emery Diefenbach of Salem, president of the local student chapter of the American Society of Mechanical Engineers, welcomed the guests of honor at a recent banquet of the society. Other speakers were Charles Penrose, member of the committee of local sections of the society, and Earnest Hartford, in charge of student chapters. Diefenbach is a senior in mechanical engineering.

The Yomarc class of the First Methodist church Sunday school will hold its monthly social and business meeting at the home of Mr. and Mrs. Carle Abrams, 1465 Chemeketa street, this evening at 7:30 o'clock.

Oregon Agricultural College, Corvallis, Oct. 12.—Hattie Reeder of Salem has been appointed by the student body president as a member of the Beaver "pep" committee. The functions of the committee are to assist the yell leader and his assistants on all occasions, to plan and carry out rallies, and anything else which will create a more sincere and responsive school spirit in the student body.

One of the chief duties of the committee is to plan the big parade and rally the night before the homecoming game with Oregon. Miss Reeder is a junior in commerce.

Interest is culminating steadily in the delightful Barrie play, "What Every Woman Knows," which Professor Horace Raskopf will present under the sponsorship of the Salem Woman's club at 8 o'clock Friday evening in Waller hall.

Professor Raskopf's work in itself would be an excellent drawing card, his advanced work in Boston and subsequent instructorship at the Washington State normal school having given him a very fine foundation.

The play itself is probably the best-loved of all Barrie's comedies.

The two-hour program will open promptly at 8 o'clock.

The auxiliary of the Sons of Veterans, before meeting for their regular evening session at 8 o'clock at the armory will join the Sons of Veterans at 6 o'clock for a covered dish dinner. Each is asked to bring a covered dish and his own service.

The West Side circle of the Jason Lee aid society will meet with Mrs. C. F. Loveland, 2010 North Fifth street at 2 o'clock Friday afternoon.

Mrs. Melvin Johnson, 1040 Hood street, entertained at luncheon Saturday complimenting Mr. Hierku Shashida who is leaving this week for the east. Nasturtiums centered the table where covers were placed for: Mr. Shashida, Mrs. Shingoro Marmot, Mr. Nori Yamashita, Leroy Walker and Reverend Thomas Acheson.

Miss Pauline Knowland was the guest of her parents, Mr. and Mrs. Charles Knowland, over the weekend. Miss Knowland is a freshman at the University of Oregon.

The many friends of Miss Danta Robbins will be pleased with the news that she has been elected to membership in the national honorary physical education fraternity, Delta Psi Kappa. Miss Robbins has the interesting position of social director this year at Waldo hall at the Oregon Agricultural college where she is a senior.

Miss Elsie La Moine Raymond is leaving today for Rochester, N. Y., where she expects to attend school. She will also visit relatives in the eastern part of New York. Her parents will accompany her to Portland where they will remain for a few days' visit.

The spacious home of Dean and Mrs. George H. Alden was the scene of one of the most unique gatherings held in many weeks among the younger set. The affair, the Willamette University freshman party, was in the form of an indoor picnic, with the rooms, upstairs and downstairs, transformed to represent here the college chapel, there Painter's Woods, another place Bush's pasture, representing throughout places of interest to Willamette University students.

Chairman of the general committee in charge of the affair was Kenneth McCormick, ably assisted by Louise Findley, Mr. Swan and Florence Spencer. The entertainment committee included Earl Pemberton and Alden Miller; the refreshment committee, Louise Nunn, Eleanor Adams, Meredith Woodward, and Paul Trueblood; and the decorations, Genevieve Junk, Ella Hop Lee, Kenneth Lawson, and Henry Oberson.

Dr. and Mrs. J. D. McCormick were the faculty guests of the evening.

Of delightful interest is the announcement that on December 5th the Salem Woman's club will sponsor the appearance here of Tony Sarg' Marionettes. Two performances, a matinee and an evening, will be given.

One of the most delightful affairs of the month was the bridge party for which the home of Mrs. Reed Rowland was the background. The gayety of autumn flowers and leaves added appropriate brightness to the rooms. Mrs. George Nelson won the high score of the afternoon with the consolation award going to Mrs. Linn Simpson.

The hostess was assisted in serving the luncheon by Mrs. Etta Magers, Mrs. Edgar Rowland, and Mrs. Earl Poulsen.

Those making up the five tables of the diversion were: Mrs. Earl Poulsen, Mrs. Oral Lemmon, Mrs. James Tee, Mrs. Carl Chapler, Mrs. Oscar Zellar, Mrs. George Nelson, Mrs. Earl Daus, Mrs. Merrill Ohling, Mrs. Armin Berger, Mrs. Edgar Rowland, Mrs. Linn Simpson, Mrs. Edwin Armstrong, Mrs. V. Sweden to Exercise Control Over Broadcasting Stations

STOCKHOLM, Oct. 9.—(AP.)—All radio broadcasting in Sweden is to be placed under government control, the government Department of Telegraphs and Telephones operating jointly with the Swedish press in this connection.

The plan calls for the erection by the government of five broadcasting stations, situated in Stockholm, Gothenburg, Malmo, Sundsvall and Boden. These facilities will at all times be available for use by the government.

Programs given in Stockholm will be transmitted by wire to each of the other four stations, at which there will also be local programs, and it is planned to provide 1600 hours of entertainment a year. Storm warnings, messages of distress from the sea, etc., will in all cases take priority over entertainment.

ANNOUNCES PLANS FOR WILLAMETTE

Itinerary for Extensive Debate Schedule Rapidly Being Formed

The 1925 itinerary of the Willamette University debate team includes the states of California, New Mexico, Nevada, Arizona, Texas, Utah, Wyoming, Montana, Idaho, British Columbia and Washington. Definite agreements have already been made with the University of Southern California and the University of Wyoming, while arrangements with other institutions of the highest standing are under way.

Due to the advertising received through the eastern debate trip two years ago, several eastern colleges are now angling for debates, and one western college, the Occidental College, Los Angeles, the University of West Virginia and Lawrence College, Appleton, Wisconsin, are sending teams west this year and are anxious to meet Willamette at Salem. The Willamette team will send a representative to the annual expemporaneous speaking contest of the Pacific Coast Public Speaking League, at Stanford University, Palo Alto, California, in November. Willamette gained membership in the League last year. Tryouts for the representative will take place a week from next Monday, October 27.

Victor Carlsson has been chosen as chairman of the Willamette Forensic Council. He is a member of last year's varsity team, as are also Ward Southworth and Warren Day, two other old men who will debate for Willamette this year. This gives a strong nucleus for this year's team. Other old men are Rawlin Chapin and Daniel Taylor, with Herbert Deal, last year Gooding College debator. Bud Strayer and Donald Heath as promising new material. Rawlin Chapin has been elected manager of the men's debate and Jenelle Vandervort as manager of the women's debate.

For unsightly skin eruptions, rash or blotches on face, neck, arms or body you do not have to wait for relief from torture or embarrassment declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.

MODERN WOMAN IS ENDORSED BY POET

Edward Carpenter Is Hearty Defender of the Girl of Present Day

LONDON, Sept. 23 (AP)—The modern girl, whose ways not infrequently shock her elders nowadays, has a staunch defender in Edward Carpenter, the poet and philosopher who renounced wealth and position half a century ago to become a socialistic pioneer.

Four score years have given Mr. Carpenter ample opportunities for observing the ways of women, and he now celebrates his eightieth birthday with a pean in praise of the girl of the twentieth century. "While I am overwhelmed at the incapacity of the average man, I have nothing but admiration for the modern woman," said Mr. Carpenter. "She is a marvelous product of the age."

"I remember the women of the last generation and their limited lives: Dabbling with water colors, doing a little embroidery, and having no opinions whatever used to be considered not only a suitable, but the only life for a girl. In those days, if a girl had opinions on anything more important than her dresses, she was considered a freak by the other

girls, and heavily sat on by the married women.

"The war offered the opportunity at the psychological moment for woman to find her freedom. Now all the problems that she has to face arise from the fact that she still is obliged to conform to certain standards that were intended for a totally different creature, the woman of yesterday.

"One of the most striking differences between this generation and the last is the way in which women say what they mean with what used to be masculine directness. They once seemed to make a point of saying what they did not mean. I never knew why this was so.

"Altogether this is a hopeful age. Things are moving in the right direction, towards more freedom and a more sensible outlook. The curse of the age is lack of seriousness. I believe women will do much towards putting the world straight again."

Western Mountains Repeat Strains of Distant Music

TACOMA, Wash., Oct. 10.—(AP)—Accounts of strange music coming out of space in the vicinity of Spirit Lake and Mount St. Helena have been received here recently.

Albert Weiss, who had business in the Spirit Lake region in connection with mining claims, asserted that he heard the music, which included arias from some of the operas. Weiss's story was not taken seriously until August

Frye, superintendent of a Tacoma foundry, who had never met Weiss, reported the same thing. Both men said the music was heard between 9 and 11 o'clock at night.

The tale has led to the supposi-

tion that radio waves from broadcasting stations have been picked up by ledges of minerals in that wild region, and reflected back as sound.
