LEAGUE OFFICIALS MEET IN SEATTLE

November 10 Is Set as Date When All Club Owners Will Gather

LOS ANGELES, Oct. 14.—The annual meeting of the Pacific Coast Baseball league will be held in Seattle November 10, it was announced here today by President Harry A. Williams. The call was sent to directors and club owners of the league.

Salem and Hillsboro May Play Saturday

Negotiations are under way between Dennis Heenan, athletic manager for Salem high school, and Hillsboro for a game to be played at Hillsboro Saturday. Hillsboro has a game scheduled with The Dalles at The Dalles, but if they are successful in obtaining a release from the contest, they are willing to meet the red and black. Definite word is expected today or tomorrow.

Kelly, one of the dependables, is out of the game for some time though it is hoped that he will be fit for the Albany game, Coach Hollis Huntington said last night. While at practise Tuesday afternoon Kelly sprained an ankle and has received orders from a doctor to keep off his foot for several days. In the meanwhile he will appear for classes with the aid of a pair of crutches. As if to offset his loss, several of the players who have been on the sicklist are expected back in the line-up today.

Los Angeles Club to Get Bonus if it Wins Pennant

LOS ANGELES, Oct. 14.—A pot of gold (\$4,000) will spur players of the Los Angeles club during the final week of play to win the Pacific coast baseball league pennant. J. H. Patrick, president of the Angel club, today put up this bonus to be divided among 20 members of the Los Angeles club if they win the pennant.

OREGON PRIMED FOR BIG STANFORD GAME

Joe Maddock's Men All in Good Shape—Victory Is Not Expected

EUGENE, Or., Oct. 14.—Following a victory over Pacific university the University of Oregon football team has been practicing hard this week before entraining for Palo Alto, where the lemon yellow meets Stanford university. Coach Warner's team is one of the most formidable in the conference and Oregon is not expecting a victory.

None of Coach Maddock's men were injured in the game with Pacific, although a number of first team players were on the bench with injuries. He expects they will be in shape for Saturday's encounter.

IDAHO UNIVERSITY NOW HANDICAPPED

Injuries From Montana Game Tear Holes in Mathews' Vandal Squad

MOSCOW, Idaho, Oct. 14.—Idaho's football victory Saturday over the Montana Bruins was a costly one. One, possibly two of the most valuable members of the game for the remainder of this season, Larry Quinn, three-year tackle, has a broken collar bone, and Frank Kinnison, halfback with two years of experience, is suffering from a badly smashed foot. He will not be able to play in the Washington State College clash Friday and possibly not at all this season.

G. O. P. LAUDED
LA GRANDE, Or., Oct. 14.—Speaking before a large crowd here tonight D. W. Davis, ex-governor of Idaho, pointed out great steps in economy by the republican administration since 1920, of benefits resulting to farmers and the nation's citizenry, and presented a plea for the re-election of Coolidge as president.

What will you do with your old straw lid? Cut in pieces, roll in flour and fry.

EPINARD TO MEET SARAZEN NOV. 1

Flashy French Thoroughbred Will Not Be Entered in Churchill Downs

LATONIA, Ky., Oct. 14.—Epinard, French thoroughbred, defeated in his three American starts, probably will meet Sarazen, his conqueror in the international race in the Washington handicap Nov. 1 at the Laurel race track. W. K. Vanderbilt's gelding is eligible for the handicap which is a mile and a quarter, the same as the last international race here. Eugene Leigh, trainer of Epinard, said the horse would be shipped to Laurel tomorrow for the Laurel stake, a weight for age event over a mile. The condition of Epinard is splendid, Leigh said, but he thought he would not come west for the Churchill Downs meeting.

THE ASSOCIATED CHARITIES WORK

The First Meeting Since the Summer Vacation Season Was Held Last Night

The Salem Associated Charities held its first meeting since the summer vacation season was over, last night at the Red Cross rooms on State street. The officers were present, together with a few others. It was decided to hold the annual meeting on November 10, at which the officers for the year will be elected. There is a very small amount of money left over from last year in the treasury, and there are a few bills to meet; so there must be plans outlined and put through for needed work during the rainy season, while unemployment in this city and section brings most of the appeals for help.

FASNACHT OUT WITH INJURIES

Willamette's Plucky Left End Unable to Play in Linfield Game

Willamette will have to face Linfield Saturday without Fasnacht, left end, one of her best players. Fasnacht hurt his shoulder in scrimmage Tuesday and will undoubtedly, even if the injury is not serious, be held out for fear of further damage before the games with C. P. S., Pacific and Whitman.

Hard scrimmage continues to be the nightly order, with emphasis on the backfield in an effort to develop a smashing, driving attack that, with some new plays, will be irresistible.

On Willamette field, starting at 1:15 Saturday afternoon, will be a game between Salem high school and the Willamette first-year team. This should be a real contest. Coach Sparks has developed a strong defense against the Willamette varsity, but is a bit weak on offensive plays. Salem high is rounding into shape, but this will be their first real contest.

In the W. U.-Linfield game the odds are in favor of Willamette, though those who saw Linfield play College of Puget Sound last Saturday say the McMinnville team is the strongest in years. The game will give the dopsters plenty of material for predictions on the Willamette-College of Puget Sound game here at Willamette's homecoming, October 26.

OUCH! BACKACHE! RUB LUMBAGO OR STIFFNESS AWAY

St. Jacobs Oil stops any pain, so when your back is sore and lame, or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a small trial bottle of old, honest St. Jacobs Oil at any drug store, pour a little in your hand, and rub it right on your aching back; and by the time you count fifty the soreness and lameness is gone. Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the pain right out and ends the misery. It is magical, yet absolutely harmless, and doesn't burn the skin. Nothing else stops lumbago, sciatica, backache or rheumatism so promptly. It never disappoints.—Adv.

Washington's Secret Tunnels Inspire Tales of German Spies, Clandestine Love and Bootlegging

Accidental discovery of an elaborate system of underground passages and apartments under the fashionable residential section of the national capital was followed by uncanny tales ranging from an account of a secret subterranean hiding-place for German spies during the war, to a romantic story of the meeting place for a clandestine love. Another guess is that bootleggers have been using the tunnels since they outlived their original purpose. They were discovered when a truck sank into one of the entrances in P Street, N. W. The walls of the tunnels, which extend for several blocks, are of enameled brick. The photograph shows the entrance.

SEATTLE ASKS GAMES HERE

Better Field and Greater Interest Given as Reasons for Request

LOS ANGELES, Oct. 14.—A telegraphic vote on the transfer to Seattle of the Friday, Saturday and Sunday games of the Portland-Seattle series being played at Portland this week, has been requested by Seattle, it was announced here tonight by Harry A. Williams, president of the league. Seattle is asking the transfer, according to Williams, because the Seattle ball park is better drained than the Portland grounds and because there is a greater interest in the series at Seattle, the team of that city being in the race for the league pennant.

FORT WORTH WINS RAILROAD PRIZE

Charles A. Coffin Award Goes to Northern Texas Traction Company

ATLANTIC CITY, Oct. 10. (AP)—The Northern Texas Traction company, of Fort Worth, Texas, today was awarded the Charles A. Coffin prize for accomplishing more outstanding achievements than any other electric railway in the United States during the last year. The prize, consisting of \$1,000 cash and a gold medal, is donated annually by the General Electric company through the American Electric Railway association.

The winner scored heavily in popularizing service, creating good-will and maintaining friendly relations with its employees. It also made notable accomplish-

ments in effecting economies, improving construction, preventing accidents and financing.

"We are always doing something in the public interest," was the succinct statement made by the company summarizing its accomplishments.

Activity in causing the building of several hundred new homes along its lines had much to do with the company's victory. In a desire to increase traffic, particularly on short hauls, the company made a survey of all vacant lots within four blocks of its lines and found there was 24,000 of them. It then encouraged the building of homes on many of these lots.

Use of the colloquism "Howdy" also helped gain good-will. Several cars were painted white and the greeting, "Howdy, glad to see you. Ride and save the difference," was painted on the cars. The crowds were supplied with special uniforms similar to those worn by yachting captains.

All cars are repainted every nine months and kept scrupulously clean at all times. Company employees participate in all civic affairs. Sessions of a courtesy school are run regularly. Information cards distributed among passengers brought criticism from only 9 per cent. Strenuous efforts are made to eliminate accidents.

Convinced that people would rather ride street cars than buses, the company recently supplanted a bus line with traction service and increased the receipts from \$50 to \$110 a day. A public celebration marked the opening of the line.

The United Railways & Electric company, of Baltimore, and the Interstate Public Service company, of Indianapolis, were runners up in the race for the award, Fort Worth winning only by a shade. Other companies given special commendation for showings last year were: The Aurora, Elgin & Fox River Electric company, Charleston, S. C., Consolidated Railway & Lighting company, San Francisco-Sacramento Railroad company, Shreveport Railways company and the Union Street Railway company, New Bedford, Mass.

PENWANT HOPE AGAIN LOWERED

San Francisco Loses to Oakland—Seattle and Angels are Idle

SAN FRANCISCO, Oct. 14.—San Francisco's pennant hopes were reduced considerably here today when Oakland took the Seals into camp, 6-1. Both Seattle and Los Angeles were idle and San Francisco dropped back half a game in the standing.

The Seals lost the game in the first inning when the first four Oakland men at bat hit safely and one run was scored. With three Oaks resting on the bags, "Buzz" Arlett hit the first pitched ball over the right field fence for a home run scoring Brubaker, La Fayette and Canther ahead of him. San Francisco hit Kunz hard, obtaining 13 hits, but were able to score only one run which came in the sixth inning when Hhyne singled, Agnew walked and Schorr, batting for Williams, hit to left, scoring Rhyne.

Score— R. H. E.
Oakland 6 11 1
San Francisco 1 13 3
Kunz and Read; Mitchell, Williams, Griffin, Shea and Agnew, Ritchie.

Salt Lake 4; Sacramento 3
SACRAMENTO, Oct. 14.—The Salt Lake Bees emerged a 4 to 3 victor over the Solons here today in the opening game of the final series of the season. Both pitchers were rapped for nine bingles. Lazere and Leslie pitched homers.

Score— R. H. E.
Salt Lake 4 9 1
Sacramento 3 9 1
Vernon-Los Angeles, traveling.
Singleton and Peters; Thompson and Shea.

Portland-Seattle, wet grounds.
Vernon-Los Angeles, traveling.

ZR-3 NOW ON SHORE OF THE UNITED STATES

Through today there came constant calls from the ZR-3 for bearings to enable the navigators to check up on their course. These increased as the airship penetrated the fog off the Newfoundland banks.

CLUB PERCENTAGES

PACIFIC COAST LEAGUE		
Club	Won	Lost
Seattle	103	90
Los Angeles	102	90
San Francisco	103	92
Oakland	102	94
Salt Lake	101	94
Vernon	94	100
Portland	87	104
Sacramento	83	111

JOHN DAVIS ATTACKS REPUBLICAN PARTY

(Continued from page 1)

decision that was not only fraught with grave consequences to themselves but with great consequences frequently to the entire world."

Much of the same thought was voiced by the candidate today in a brief speech at Matoon. He told his audience there that he never wanted to see the United States hardened into classes, groups and factions.

Germans Call for Light On Who Started War

MUNSTER, Westphalia, Germany, Sept. 20 (AP)—That the allied governments deliberately keep their people ignorant of the Russian, Austrian and German publications of official documents pertaining to the circumstances leading to the outbreak of the war, is charged by the sixteenth congress of German State Archivists, held here recently. Furthermore, it is alleged that the allied governments refuse stubbornly to open their state archives for scientific research work as to the diplomatic string-pulling behind the scenes, previous to the war.

In the manifesto, unanimously

adopted by the assembly, the French colleagues of the archivists have been called upon to come out of the dark and contribute their share to the enlightenment of the world at large as to the real causes of the war, for the sake "of justice and the establishment of unbiased truth."

COOLIDGE SENDS LETTER

WASHINGTON, Oct. 13.—A letter from President Coolidge expressing hope for a "broad and liberal response" to the public appeal of the disabled American veterans, in connection with "forget-me-not" day, November 8, was made public today by the organization's commander, Frank J. Irwin.
