Liner Passing Near Shenan doah Course Runs Into 75-Mile Storm

BAN FRANCISCO, Oct. 16. With part of her bridge swept away and carrying an injured officer and 300 exhausted passengers, the liner H. F. Alexander arrived here this afternoon eight hours behind schedule after going through one of the worst storms encountered on the Pacific coast in years.

The vessel ran into a gale which blew 75 miles an hour, shortly after she left Seattle Tuesday night. The storm reached its highest point at 11:10 a. m., Wednesday, when two giant waves struck the ship, one after the othed, carrying away part of her bridge and superstructure and breaking much glass.

The mid-air collision occurred when Kerr dived with his Vought plane out of a cloud hole. Cole, traveling faster than 115 miles an hour directly down, did not see Kerr's plane until the crash.

Kerr had no chance of seeing Cole's plane and the two ships came together with such a terrific impact that the crushing airplanes could be heard for more

AL SMITH TRIES TO

Personal Popularity of Present Governor Found to Be Insufficient

By ROBERT C. NOTSON. NEW YORK, Oct. 11 .- (Special to The Statesman.)-Fortyfive electoral votes of New York and the restoration of the waning hopes of John W. Davis through-out the nation are the stakes for which the democratic nominee has been playing in an unheralded campaign of this crucial state. Mr. Davis has completed his trip but little encouraged for his efforts. To offset the strong array of aces which President Coolidge is acknowledged to hold, the former Wall Street lawyer can offer but one remaining trump — a good one Governor Al Smith.

The reason for the extraordinthis state after it had virtually In addition, 191 were examined been conceded to Coolidge is no of confidence in the ability of Mr. goitre. Only one president has been elected in the last half century without the aid of that block of votes. Any real hope of carrying New York, therefore, would serve to put new vigor into the Davis cam-
