THE CHURCH THAT WELCOMES STRANGERS

to give her the same willing service which was his habit. Evening came, and in the loneliness of her little room, weary, she rested her face in her hands.

The door opened and a gentle face appeared, while two sympathetic eyes took in the situation at once. A few words of sympathy and the whole story was poured into Aunt Charlotte's understanding ears.

"There is just where you are mistaken, Alice," came quickly from Aunt Charlotte. "Some suffer because they deserve it, doubtless, but not all and certainly not you. There is another and beautiful side to our trials that few perceive. They come to us mostly not in the way of punishment, but rather as testing.

ment, but rather as testing. The blacksmith takes a bit of crude metal and heats and hammers it into the sort of implement he desires.

"So it is with us. God cannot work out his purpose in our lives without repeated blows with the hammer of experience which tries our metal and is all the time rounding out the character which he has in mind for us.

That's what the United States census bureau estimates. This is based on a 1920 census of 159,900,000 people. It means that 22,500,000 units must be added to the latest registration total.

When there is danger of Skidding. When the pavements are wet and you pick your way through the crowded streets you'll appreciate the sure-footed hold your Western Giants have on the slippery roads.

Thirty-eight Million Cars. Thirty-eight million motor vehicles in 1920. One car for every three and nine-tenths persons.

When the pavements are wet and you pick your way through the crowded streets you'll appreciate the sure-footed hold your Western Giants have on the slippery roads.

The row of deep suction cups and the sharp edges of the high, sturdy tread "ham a tune of safety," and you know your Western Giants reduce the danger of skidding.

Western Giant Cords. Extra quality—extra weight—extra service—a sure non-skid tread. 30x3 1/2 Western Standard Cord \$9.70.
