SAN FRANCISCO, Cal., Oct. 20.—The Seattle club won the Pacific Coast Baseball league championship Sunday as a result of its victory over Portland in the first game of a double header and the loss by San Francisco and Los Angeles of a game each to Oakland and Vernon, respectively. Seattle's lead in the league is approximately a game and a half. Los Angeles and San Francisco almost tied for second place with Los Angeles a shade ahead that figures out to a matter of several decimal points. Oakland finished fourth.

The victorious Seattle team did not have to win provided both San Francisco and Los Angeles lost a game each. For good measure Seattle did win the first game against Portland, however, by a score of 12 to 4. The second game was lost by Seattle, 1 to 15. It was called at the end of the sixth because of darkness.

After winning the first game against Vernon Los Angeles had hopes—hopes of winning the second game and that Seattle would

ALBANY IS COMING HERE FOR CONTEST

Game to be Staged Friday if Possible; Portland School Scheduled

Definite date of the opening of the inter-scholastic football season for Salem high school is still up in the air, for though the game with Albany is definitely scheduled for this week-end, it has not been decided whether the game will be played Friday or Saturday.

"We will play Albany Friday afternoon if possible," Coach Hollis Huntington said last night. "The game will be played here. If Albany is not willing to play at this time, then we will meet them prior to the WU-GPS game Saturday afternoon, giving football fans an opportunity to witness a double-header."

With those on the sick list reporting back for practice, two good teams are now available. Light scrimmage was ordered last night, with more of a workout promised for tonight and tomorrow. After that Coach Huntington will take care that none of his men are injured.

One of the open dates has been filled, Grant high school of Portland having been signed up for November 22 by Dennis Heenan, athletic manager. Grant was admitted to the state association and is not a member of the Portland league, hence is free to schedule games as it pleases.

son opened, according to Dick O'Leary, local sportsman and dog fancier. This is he claims, to the pre-season hunting engaged in by a number of men.

"A month ago there were more birds in the field than there were the opening day," O'Leary declared recently. "By failing to wait until the season is officially opened, these men have slaughtered more birds out of season than are killed by the more ethical hunter, who enjoys his sport in the proper season."

TWO BASKETBALL LEAGUES TALKED

Commercial League Holds First Meeting; Legion Posts Propose One

The football season has hardly gotten under full sway but already baseball fans are beginning to show signs of activity and two leagues are under process of organization.

At the call of Bob Boardman, financial director of the YMCA, a number of interested parties met at The Spa Monday noon and outlined plans for the commercial baseball league, which has played during past seasons.

According to present plans there will be eight teams in the league this year. These are the American Legion, Bankers, Central Pharmacy, Union Oil Anderson & Brown, Standard Oil, the ONG and Hauser Brothers. Another meeting will be held at the YMCA Friday night. It is planned to have the league wind up the series before the holidays.

Commander Carson of Delbert Reeves post, American legion, of Silverton, was in Salem Monday conferring with King Bartlett, athletic manager of the local post, relative to the organization of a number of legion teams in the district and the participation in a separate league. It is believed possible that posts at Salem, Silverton, Albany, Dallas and Independence might organize such teams.

A meeting to further discuss the matter will be held in Silverton Friday night.

In the event that this second league is organized, the games will not begin until after the holidays and consequently not conflict with any of the Commercial league playing. With practice gained in the local league, the American legion expects to put forth a strong contender in the inter-post league.

One of the best matches was between Frank Dolp and Dr. H. H. Olinger. Dolp shot a 72 for the round and annexed 3 points. Olinger had a 78. Dr. W. A. Norby and Ercel Kay staged a close battle, Norby winning 1 point for Rose City.

The first half of the series played a few weeks ago the Salem players had the Rose City men 23 points down. In the final half Sunday at the Rose City course the Rose City golfers won 24 points, getting a total of 33 and Salem getting 9.

BEARCATS BRUISED FROM LAST CONTEST

Linfield College Game Leaves Impression on Several Local Players

Battered from their struggle against Linfield college Saturday, the Bearcats were given a light workout last night by Coach Guy L. Rathbun. The stiffness and soreness is expected to disappear in the next day or so and the team in good shape for the Homecoming game with the College of Puget Sound here Saturday.

Huston, whose absence was felt Saturday, is expected to be released from quarantine and join his team mates in a few days. Huston is the regular center, and with a second string center also out of the playing, a man who had never played the position was wished onto the job last week, with the result that fumbles were numerous because of his lack of experience.

Isham, captain, received a bruised side against Linfield and is taking it easy. Cramer is nursing a "Charley horse" while Fasnacht is still out of the game because of a broken shoulder.

The grandstand is practically completed and will be in readiness for the big game Saturday afternoon.

ulterior influences.

"There was no protest proposed until a forward looking statesman from out of the central west entered the political contest for the people bringing the government back to the people.

"For thirty years, Senator La Follette has led the struggle for better government. . . .

"There is much in this election campaign that compels that part of the people who seek honest government to give heed.

"Labor is most vitally interested but labor is not fighting for itself alone; it is fighting for all the people as it asks for nothing that will not benefit every citizen in our beloved republic. . . .

Attacks Administration

"Shall the efforts of the chief executive of our nation to bring aliens ineligible to citizenship into our country be condemned? Shall his act in vetoing an increase in the wages of the overworked and underpaid postal employees be approved? . . .

"Those are some of the issues which the people are asked to entirely ignore.

"There are also several great issues that should not be forgotten in this most serious campaign. While every honest, loyal, just minded citizen should register in an emphatic way his abhorrence of the corruption which has permeated our government, he must not forget that child life is to be protected, our people saved from dangerous immigration, that relief shall be given the farmers, that compulsory labor laws shall not be passed, and that government by injunction shall not continue, he must vote for members of congress and a chief executive who will be true to labor, the farmers and the people.
