## ALBANY PLAYS HERE FRIDAY

Negotiations Between Two Schools are Finally Completed Late Tuesday

Salem high school will open its inter-scholastic football season here on Sweetland field at 3:30 o'clock Friday afternoon. This arrangement was completed late Tuesday afternoon following numerous telephone conversations between the two schools. Though the game between the two schools was played in Albany last year and it was understood that the game this year would naturally come to Salem, the Albany team evinced a last-minute desire to stay at home. Salem stood solid on the point that the game was scheduled for Salem and play in Salem they would.

Albany did not appear to be unwilling to meet the local football team earlier in the season and the question of playing did not arise until after Albany had met defeat by the Hillsboro high school team. This apparently had the effect of working havoc on respective nerves and it is understood here from the conversation between the two schools that Albany might be willing to sidestep the encounter.

Coach Hollis Huntington has a quantity of material from which to make his selection for the game Friday. Several of the men who have been on the sicklist or who have been out of the game on account of injuries are back in the line up. Harris will start the game at center if he is in condition, while the same holds good for Kelly, who still has a wobbly

ankle as a result of an injury in a recent scrimmage.

Though Coach Huntington has not decided as to whom will start the game for the red and black, the wing positions will be taken care of between Temple, Lyons and Carpenter, Coach Huntington said last night. For tackles Coffee, Drager and Burris are available. Kropp, Davis, Jackson or Coggie will probably start the game at guards. Providing Harris is unable to take care of center, the choice will lie between Coggie, who will be shifted, or Ise Ashby, who is developing into a football player.

At quarter Coach Huntington can use either Heenan or Perry. Gould appears to be the only man on the team who is anywhere near certain of his position, and is slated to play at fullback. The remainder of the backfield will be selected from Noeske, Perry, Bob Drager, Kelly, Olinger and Rodgers.

Chemawa has cancelled a game scheduled for October 31, leaving Dennis Heenan, athletic manager, another gap to fill. Efforts to line up some opposition for this time are being made at present.

## PROFESSIONALS TO HOLD TOURNAMENT

Sharkey, of Illihee Club and Junior, Formerly Here, Both to Play

Golf professionals of the state have completed arrangements for a tournament to be played on the Tualatin links Tuesday, October 28. The arrangements were made at a meeting in Portland this week with 14 professionals present, among them G. P. Sharkey of the Illihee Country club of Salem. The tournament calls for a 36-hole play by the contestants.

Of interest to local golf players is the announcement that Sharkey will meet M. H. Sherry and J. H. Junor, former professional at the Illihee club to meet Bill Wall.

Following the tournament a banquet will be served to those participating. An effort will be made at this time to form a permanent organization, elect officers and to stage an annual tournament for the professional players.

## HUSKY PLAYERS ARE RANKED THE HIGHEST

Three of Bagshaw's Men Lead All Others in Points Scored in Games

SEATTLE, Oct. 21.—Harold Shidler, University of Washington halfback, playing his first year of college football, leads all players with 60 points in both the Pacific Northwest intercollegiate and Pacific Coast intercollegiate football conferences in scoring, according to figures compiled here.

Shidler has converted more try-for-points than any other player, having 12. The other points were made by kicking two field goals and making seven touchdowns.

Wilson, Husky halfback, is second with 36 points, six touchdowns, and Buttermson, purple and gold quarterback, is tied for third with Earl, University of Southern California back, with 30 points, five touchdowns.

Most of the scoring has been made by backfield men, which indicates that a running offense has held sway during the first games of the season.

In compiling the following standing of the leading ten players of both conferences, all games were used.

Player Team	TD	FG	FT	Pts.
Shidler—Wash.	7	12	2	60
Wilson—Wash.	6	0	0	36
Gutierrez—Wash.	5	0	0	30
Earl—USC	5	0	0	30
Kelly—Montana	4	0	0	24
Bogus—Stanford	4	0	0	24
Dixson—Cal.	3	2	1	24
Sweet—Montana	3	5	0	23
Hawkins—USC	2	1	0	20
Scudlark—OAC	2	2	2	20

## MANY MISSIONARIES OUT WITH INJURIES

Bear Stories Emanate From Whitman College Champ Previous to Game

WALLA WALLA, Wash., Oct. 21.—Injuries are taking a heavy toll off the Whitman college football squad which is drilling hard in preparation for its game against the University of Oregon in a northwest conference clash next Saturday.

Dean, end, and Lackey, halfback, have not yet recovered from injuries received in the Washington game of a week ago.

Saturday night, Mac Moore, recruit quarterback who seemed certain of starting the Oregon game at that position received a broken collar bone. In scrimmage tonight "Butch" Malone, first string fullback substitute also received a bad break of his left collar bone. Tetherow, half back, has a broken toe which is giving considerable trouble.

In addition a number of the members of the scrub lineup are out with injuries, making it difficult to furnish strong competition for the varsity.

But a scrimmage every afternoon for more than an hour's duration continues to be the rule of Coach Borleske.

## Most Disastrous Flood in 100 Years Inundates Leningrad, Waters Reaching Height of 12 Feet

The greatest flood Russia has experienced within a century and the main thoroughfares of Leningrad impassable and thousands were driven from their homes. The waters flooded the city early in the morning of September 23, and for a time Leningrad was cut off from telegraphic communication with the outside world. Property damage ran high into the hundreds of thousands of dollars.

## BROOKLYN DEFEATS SEATTLE BALL CLUB

National Leaguers Beat Pacific Coast Champs By Score of 5 to 2

SEATTLE, Oct. 21.—Mixing his famous fast ball with a change of pace and a fast breaking curve, "Dazzy" Vance of the Brooklyn club, runner up in the National league, on a tour of the United States and Canada, defeated Seattle, champions of the Pacific coast league, in a baseball game here today 5 to 2.

The Indians got eight hits off Vance, including a home run by Elmer Bowman into the left field bleachers, but the Dodgers bunched hits off Veau Gregg, Bill Plummer and George Steuland.

## SLANDER SUIT HELD OVER JUDGE LANDIS

Commissioner of Baseball Makes No Remarks About Threat

CHICAGO, Oct. 21.—Kenesaw Mountain Landis, baseball commissioner, refused tonight to comment on the threatened suit for slander which Cozy Dolan, expelled New York coach plans to bring against Landis and organized baseball.

The commissioner also declined to reveal what course he would pursue, providing the suit is filed. "It looks like a repetition of 1921," was the comment of President Johnson of the American

## SPOKANE TRIES FOR BALL CLUB

Telegram Sent to Walter Johnson in Effort to Get Him Interested

SPOKANE, Wash., Oct. 21.—Walter Johnson, pitching ace of the Washington American league team, was asked today in a telegram sent to him by the Spokane chamber of commerce to put a Pacific coast league baseball team in Spokane.

The telegram sent by Harlan I. Peyton, president of the Spokane chamber of commerce, follows:

"In considering your plans for the future we strongly urge you give consideration to putting a league team in Spokane. We are confident this city will support good baseball. People are enthusiastic and sentiment is growing. A team here with you as managing owner would be assured of splendid support.

"Spokane is only 12 hours ride from Seattle and Portland and would make a valuable connection for the Coast league. We have a population of 125,000 in the city limits with well developed territory immediately adjacent. Spokane is the largest city in the United States today without organized baseball. Can you not come to Spokane and look the situation over with a possible view of placing a Spokane team in Coast league. Please wire."

## PORTLAND CLUB CHANGES HANDS

Stock Holders in Baseball Team are Bought at Price of \$300,000

PORTLAND, Or., Oct. 21.—Tom Turner, scout for the Portland baseball club and John T. Shibe, part owner of the Philadelphia Athletics tonight purchased the Portland baseball club of the Pacific Coast league from William R. Killefer, principal owner and other stock holders.

## Daughters of Minister from Norway Win When Diplomats Hold Tennis Tourney at Washington

The Misses Laura and Inger Bryn, daughters of the Norwegian envoy, are shown above with their mother, Mrs. H. H. Bryn. The daughters won the silver cups in the girls' singles and doubles events of the diplomatic tennis tournament held recently at the national capital. Miss Laura won first prize in the singles and Miss Inger second prize.

It was announced. It was understood that the purchase price was close to \$300,000. It was estimated that Duffy Lewis would be chosen as manager of the Portland club, for next year.

Adding to the likelihood that Duffy Lewis will be the new manager and that he will also purchase a portion of the stock was his own statement that he has abandoned plans to purchase an interest in the Dallas club of the Texas league, and another plan to buy the Vernon club of the Pacific coast league.

"Walter Johnson of Washington, Harry Hooper of Chicago and I were bidding for the Vernon franchise," said Mr. Lewis. "John-

Permanent roads are a good investment—not an expense

## Why America Must Have More Paved Highways

Almost every section of the United States is confronted by a traffic problem. Month by month this problem is becoming more and more serious. Hundreds of cars pass a given point every hour on many of our state and county roads. Down-town city streets are jammed with traffic. Think, too, how narrow many of our roads are, and how comparatively few paved highways there are in proportion to the steadily increasing number of cars. If the motor vehicle is to continue giving the economic service of which it is capable, we must have more concrete highways and widen those near large centers of population. Every citizen should discuss highway needs of his community with his local authorities. Your highway officials will do their part if given your support. Why postpone meeting this pressing need? An early start means early relief.
