BIBLE THOUGHT AND PRAYER Prepared by Radio BIBLE SERVICE Bureau, Cincinnati, Ohio. If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

NOW FOR FLAX MANUFACTURING Salem is now the flax fiber center of the United States; the center of the only district in North America where flax can be grown yielding a fiber suitable for manufacturing into fine linens...

HE REDEEMS AND CROWNS:—Bless the Lord, O my soul, and forget not all his benefits; who redeemeth thy life from destruction; who crowneth thee with loving kindness and tender mercies...

OUR NEW AIRSHIP The new Leviathan of the air has the greatest amount of power ever used for flight. Five huge 12-cylinder engines of 400 horsepower each give the force of 2,000 horses in pushing the immense cigar-shaped bag through the air...

FLAX FOR FIBER AND SEED William D. Andrews, the New York flax merchant who has been visiting Salem, and who talked at the Monday noon luncheon of the Salem Chamber of Commerce, was lavish in his praise of the possibilities of fine fiber flax growing in the Salem district...

A GOOD COMMUNITY There are a number of good communities around Salem, but just now we want to speak of one that stands out conspicuously for its neighborhood spirit. As you go west on the Wallace road you see a big sign calling attention to the activities of the Brush college neighborhood...

THE HOME COMING Next Saturday is home-coming day at Willamette university. On that occasion former students from all over the country plan to be on hand. It will be a gala day. Also as many Salem citizens as possible are asked to attend the football game in order to show their loyalty of and support for the university.

linen industries, and the United States is likely to take the lead in short-cuts all up and down the line; and the writer believes that the time is near when America will gain the lead in quantity production of flax products; and that quality will not in this process be sacrificed to quantity, either.

NO THIRD PARTY Those who are afraid a new third party might be organized this year and those who tried to organize one can be assured now that the trend of events is so emphatically against a new party that all danger is passed. America is a two-party government. There will always be a third party but it will be but a trying out ground and the other great parties will take up all that is worth while.

FOR HEALTH WORK If the people of Marion county appreciated the possibilities and the advantages to be gained there would be no dissenting votes on the proposition to appropriate \$2400 for county health work. Health is at the basis of all successful activities and we must take care of the health of the children, especially if we are going to have a strong, virile generation to take up our work.

INJURING THE STATE If the men who are so afraid the state is going to be injured by action of the people, want to perform a real service they can do it by getting after the proposed workmen's compensation act. If Oregon can be hurt by legislation there's a piece that will do the work.

SALEM WOMEN SEE HOUR DRESS MADE Hundreds of interested women crowded Miller's store yesterday to see the demonstration of the sensational one-hour dress. Hundreds more congested the aisles in the piece goods department to examine the garment more closely, and to learn by what magic it is possible to make a dress in 60 minutes without the sacrifice of beauty, style and distinction.

NOT A MOTION PICTURE TONIGHT ONLY Curtain Promptly At 8:30 HARRY DAVIS Presents ELLIOT DEXTER (Himself)

Will Radium at Last Open the Door of the Great Unknown? If you are sick and want to Get Well and Keep Well, write for literature that tells how and why this almost unknown and wonderful new element brings relief to so many sufferers from Constipation, Rheumatism, Sciatica, Gout, Neuritis, Neuralgia, Nervous Prostration, High Blood Pressure and diseases of the Stomach, Heart, Lungs, Liver, Kidneys, and other ailments.

Children Will Learn Principles of Good Lighting—Reduce Bad Vision Announcement has been made of an international home lighting contest that is being conducted in order to reduce the defective vision among school children. Statistics show that 25 per cent of the school children of the United States have defective vision which is due partially to improper lighting in the home.

Health Restored by Radium The wonderful curative power of Radium has been known for years. However, the benefits of this precious health-giving substance have in the past been only within the means of persons of wealth. Since the invention of DeGroot's Radio-Active Solar Pad, any man or woman, poor or rich, can afford this treatment which offers so much relief from suffering and disease.
