MENTION THIS PAPER WHEN WRITING

and then use against a former state treasurer? Is it fair for the state land board to print at state expense 4500 copies of the above resolution which would have been printed in the papers as a matter of news but which would have been open to reaction from the general public? The voters of Oregon will make their own conclusions and they will register those conclusions on November 4th. If their eyes and ears are not being clouded by the false charges, if they are not influenced by the underhanded campaign made they will vote for T. B. Kay for state treasurer. Personally we have not a word to say against the present state treasurer, but we do condemn most emphatically the campaign being made to retain him in office. It is not good politics. It is not calculated to enthrone the young voters with a respect for any government. The campaign is calculated to prejudice and prejudice the voters against an administration six years in office that has generally been accepted as one of the best Oregon has ever had, and furthermore it is designed to get unfair partisan advantage and elect a democratic state treasurer in a republican state. There are enough republicans in Oregon and enough fair minded democrats to give Tom Kay an overwhelming majority.

It was not our purpose to enter into this at all, but since the campaign has assumed the condition it has, there is nothing for a self-respecting newspaper to do but enter an emphatic protest against such a campaign and ask the voters of Oregon in all fairness to rally to the support of Tom Kay, for eight years state treasurer, a life long citizen of Oregon, and a man prominent in state development. His defeat is

desired solely to get possession of the state patronage. In the last analysis the worst feature of this despicable campaign is the injury it is doing to the farmers of Oregon and especially to those home owners who have been using state money in their struggle to get on their feet. It is discouraging generally but especially discouraging to the borrowers who have been acting on the theory that the state was in earnest and that the people of Oregon wanted state money to help men own their farms. —J. SEATS SELL RAPIDLY FOR ELLIOTT DEXTER

Indications are That "The Havoc" Will Play to Full House Tonight

The advance seat sale for the Salem appearance of Elliott Dexter in "The Havoc," which plays at the Grand theater this evening, indicates that most if not all of the seats in the house will be occupied by the time the curtain rises.

Between the mail orders and the calls at the ticket window, which opened yesterday morning, the greater part of the best seats had been sold last night. The play, according to the press notices that have been in California and Southern Oregon, is one of the strongest productions of the legitimate stage that has been on the coast in recent years, and Dexter's work is said to outshine that which has won him such a reputation on the screen.

"The Havoc" is a three-act modern drama disclosing rather intimately the life of a New York family that encounters the world-old eternal triangle conflict. But this play approaches the tumultuous problem from an entirely new direction, in fact, when the husband became disillusioned he goes out sailing his domestic

A MATTER OF POLITICS

(Continued from page 1)

insidious poison which was being surreptitiously circulated. The object of the audit was not primarily to embarrass Mr. Kozer. That much must be said. The object of the audit was to cast a doubt or besmirch by innuendo T. B. Kay. They did not dare make direct charges against the record of Mr. Kay who was state treasurer for eight years. The purpose of the audit is disclosed on its face. It is a political document pure and simple, made with the appearance of fairness but saturated with innuendo so poisonous that it was depended upon to prejudice the voters of the state against the former state treasurer.

It has failed because Mr. Kozer received the report in time to have the facts made known to the people, but the political strategy that

caused such an audit to be made, such a resolution to be adopted as printed above, is open to condemnation on the part of the voters of the state of Oregon.

It has not been our purpose to go into detail in regard to the transactions of the state land board. From time to time editorials have been printed setting forth the facts and disproving the assertions made. Election time is approaching. The voters are being besieged to vote for the democratic candidate for state treasurer. So determined is the administration to get control of all the eleemosynary institutions that Tom Kay has been venomously attacked, at first surreptitiously as in that report but now openly since the land board has been smoked out. He is to be sacrificed on the altar of political necessity.

Is it fair for the voters of Oregon to pay the campaign expenses of the state officers, as in this case? Is it fair to have an alleged audit that did not rise to the dignity of an audit at all, pay \$1200 for it, lock it up for four months

RUPTURE EXPERTS COMING

Demonstrate the Famous Rice Method Free to Callers at Hotel

If you are ruptured, your big opportunity has now arrived. If you would like to be free from the slavery of gougng, pinching, chafing trusses that make life a burden, then HERE and NOW is the time to act.

Mr. and Mrs. F. E. Williams, experts in rupture cases, trained under the personal direction of W. S. Rice, of Adams, N. Y., the famous discoverer of the Rice Non-Surgical Rupture Method, will be at the Marion Hotel, Salem, Oregon, Saturday, Oct. 25.

These experts are here to personally demonstrate to all ruptured people what the Rice Rupture Method can accomplish. You have, no doubt, heard and read much about this famous Method and the cures which thousands have reported from it. Now, you have the chance to find out all about it to have it demonstrated to you and to see what it can do in YOUR OWN case. Just call at the hotel and these experts will give you their personal attention, best advice and complete demonstration absolutely without charge.

Are you tired of that binding, hampering, uncomfortable truss? Would you like to be free of it forever? Then investigate this Rice Method and find out the possibilities it holds out. Surely a Method that could cause so many thousands of former rupture sufferers to report cures must be worthy of your full and complete investigation.

The Rice Method is different from anything else. It is modern, up-to-the-minute, abreast of the latest scientific developments. It is the one Method that you are not asked to take on faith alone—the one Method that is positively demonstrated to you, right on your own person, without any charge whatever. You do not spend a penny unless, after having a full and complete demonstration, you decide that this is the Method for you. And you—you alone—are the sole judge of that.

In justice to yourself, come in and see these experts. Remember, they will be here only ONE DAY then your opportunity will be gone. Grasp it NOW. It may prove to be the wisest thing you ever did, and anyway, it costs you nothing to find out.

Remember, come to the Marion Hotel any day from 9 to 12 forenoon, 2 to 5 afternoons, or 7 to 9 in the evening. The date is Saturday, Oct. 25.

Don't let this opportunity get away from you.

This Is Republican Year

Support the Entire Ticket

It's Coolidge—Make It Unanimous

Every indication shows overwhelming sentiment for Coolidge. The Literary Digest straw vote, both in this state and the nation, shows him at this writing leading his nearest opponent by more than two to one.

In urging votes for Coolidge, we ask Oregon citizens to elect to the congress men who will aid the President in carrying out his policies, men who acknowledge party responsibility, men who will keep faith with the people in carrying out the platform pledges.

You Will Find Those Men On The Republican Ticket

Senator McNary deserves re-election. He has accomplished much for Oregon. Congressmen Hawley and Sinnott should be returned because of service to their state. Maurice E. Crumpacker, candidate for the seat of the democratic incumbent in the third district, should receive the votes of all republicans.

Restore This State to Control of the Dominant Party

It is important that all good citizens vote for Sam A. Kozer, candidate for re-election as secretary of state, and Thomas B. Kay, candidate for state treasurer, because their election will restore the affairs of Oregon, a strongly republican state to republican control.

Through the accident of death, the governor has named his own state treasurer. This is an elective office and the people had elected a republican treasurer. By the appointment, Governor Pierce seized power not his by right and thereby dominates the state board of control. The balance will be restored by election of Kozer and Kay.

Other Candidates, Too, Are Worthy of Voters' Support

Judge Harry H. Belt, of Polk county, and Judge Percy R. Kelly, of Linn county, are both able jurists and candidates of the party for justice of the supreme court, Judge Kelly being a candidate to succeed the late John McCourt. Both are eminently qualified.

I. H. VanWinkle, candidate for re-election as attorney-general; H. H. Corey, candidate for re-election as public service commissioner; Edward Ostrander, candidate for public service commissioner; and J. D. Mickle, candidate for re-election as state dairy and food commissioner, as well as the complete legislative and full county tickets, vouched for by the republican party, are worthy of support and deserve your votes.
