

Society

(Continued from page 1)

The Northwest Poetry society which has its headquarters at Portland, will hold its regular monthly meeting at Salem as guests of the Modern Writers League of Salem tomorrow, November 1st. The reception program at the Salem Chamber of Commerce will start at 7:00 p. m. with refreshments in the form of a substantial buffet luncheon. Then will follow a program in the way of addresses, poems, recitations, vocal and instrumental music by

the Salem organization and their friends. The Portland guests and members of the Northwest Society of verse writers from other places in attendance will be introduced and asked to contribute their part of the program.

The announced program follows: Introduction and address of welcome.

Response.

Two poems by Audred Bunch.

War poem, "If I Should Fall," Perry Riegelman.

Poem, "Ballad of the Quince, and Currant," Gertrude Robinson Ross.

Music, group by Jean Rahm.

Poems, Anna van Horsen Nelson.

Poems, Clara V. Barton.

Poem, "A Marriage Hymn," Viola Price Franklin.

Music, cello, by Professor John R. Sites.

Selections from the Oregon Trail, Chas. J. Lisle.

"Sea Sonnet," Isabelle Gray Clifford.

Poem, Prof. Morton E. Peck.

Poem, "Silver Wings," Odell Savage Ohlring.

Poem, "Stars," Renska Ladd Swart.

Mrs. Seymour Jones will conduct the first lesson on the Constitution at the meeting of Chemeketa chapter of the Daughters of the American Revolution tomorrow at the home of Mrs. Karl Steiwer. Miss Grace Elizabeth Smith, assistant attorney general will speak during the afternoon on election measures.

Hostesses with Mrs. Steiwer will be Mrs. N. H. Looney, Mrs. David Looney, Mrs. Marian Looney and Miss Margaret Looney.

* * *

Mrs. J. R. Niccum and Mr. and Mrs. E. G. Shuster of Topeka, Kan., house-guests at the home of Mr. and Mrs. Homer E. Ingrey, 2041 South Church street, were the inspiration for a charming dinner party Sunday afternoon at the Ingrey home.

A lovely art basket of dahlias in the pastel shades centered the table with pink candles in crystal holders enhancing the beauty of the effect.

Covers at the dinner were placed for: Mrs. J. R. Niccum, Mr. and Mrs. Frank Zinn, Homer Ingrey, Jr., and Mr. and Mrs. Homer Ingrey.

Mr. and Mrs. Shuster and Mrs. Niccum are enjoying a few days at Newport before their return east. When they leave next week

GABRIELSON HEADS LOAN ASSOCIATION

Board of Directors Meet and Elects Officers; Looking for Office

At a meeting of the board of directors of the recently organized State Savings & Loan association Thursday, Carl D. Gabrielson was elected president; C. A. Reynolds, of the Coolidge-McClain bank, of Silverton, vice president, and Charles Wiper, formerly of Lewiston, Mont., secretary treasurer. Other directors are E. B. Williamson, of the Albany State bank, Albany; E. F. Slade, of the First National bank, Salem; T. A. Livesley, Karl G. Beck, L. C. Farmer and John H. Carson.

The association, with an authorized capital of \$3,000,000, was organized about two weeks ago and has been making its temporary headquarters in 204 United State bank building. The office will remain here until permanent offices in a ground floor location are obtainable.

Mr. Wiper, who was the prime mover in the organization, engaged in the banking and building and loan association business in Lewiston, Mont., for nearly 20 years. He decided to locate somewhere on the coast and after spending several months in various cities between the Canadian and Mexican borders, decided upon Salem. He has purchased a home in the city and has moved his family here.

While the association is now ready for business, this will be carried on in a limited manner until permanent offices are obtained and all of the necessary printing and other incidentals necessary to the handling of the affairs of the association have been completed. When the supplies are all received, the organization will begin its expansion campaign.

for their home in Kansas, they will be accompanied as far as Portland by Mrs. Frank Zinn and Mrs. Homer Ingrey.

Announcement of the appointment of R. Bruce Horsfall, Portland artist, as art editor of the Nature magazine, of Washington, D. C., was one of the features of the current issue of the publication just received here. Mr. Horsfall, who has done much illustrating for nature books and magazines, will move to Washington.

Among the books which Mr. Horsfall has illustrated is "Birds of the Pacific Coast," by W. A. Elliot. He also has been engaged at various times as colored slide expert for the forest service. William L. Finley, Oregon naturalist and biologist, holds the position of field naturalist for the magazine.—Oregonian.

Mrs. Rex A. Turner of Seattle was here visiting her sister-in-law, Miss Joy Turner, the first of the week.

The Ladies' Auxiliary No. 11, will hold a benefit Halloween party this evening.

Large Grange Gathering At Monmouth, Ore.

In spite of the forbidding elements, Saturday, Oct. 25th, the largest attendance ever to enjoy the good things always in store for Pomona members gathered at Monmouth for its quarterly session.

Most of the masters of the seven Polk county granges were able to be present and to give in person reports of the growth and activities of their respective organizations, some of which have missed no meetings, even through the busy harvest season.

A program of quite exceptional value and interest had been provided by the lecturer for the public session, which was opened by a vocal selection by one of the finest musicians of Oregon, Mrs. J. S. Landers of Monmouth, who was in excellent voice, and who kindly responded to an insistent encore.

William L. Teutsch, representing extension work for OAC in Polk, Yamhill, Marion and Coos counties, by the use of charts, explained the value of an economic

survey of the various crops profitably grown in various areas in Oregon, and urged attendance at Dallas in November of an economic conference to be held at that place.

State-Market Agent C. E. Spence spoke on quantity production as more desirable than diversified farming, particularly for the small ranch, and stressed the value of the uniform, attractive pack as having a great advantage over slip-shod ways of preparing farm commodities for market. Mr. Spence urged more care on the part of dairymen in frequent delivery of cream, because of the impossibility of making first class butter from over ripe cream.

Mr. Addis, field editor of the Oregon Farmer, addressed the audience upon "The Use of the Franchise," touching upon some of the measures before the voters in the coming election, particularly the oleomargarine bill. This speech was discussed at some length by Mrs. Stella A. Hull, and Secretary Vinnie Braden of the Dallas Commercial club.

The spacious dining hall comfortably seated the large company at the noon hour, and at tables lavishly decorated in dahlias, yellow and white, the following menu was served: Chicken, whipped potatoes, baked beans, pickles, bread and butter, cottage cheese, jellies, salad, pie, cake and hot coffee. Supper was served before the evening session. Initiation was held and the ranks of Pomona reinforced.

Tentative plans were discussed for a joint installation in January of new officers of the seven granges, which, if they materialize, should be most impressive.

Former Salem Boy is Victim of Holdup Men

Long Beach, Cal., newspapers recently gave a great amount of publicity to Paul Purvine, son of Mr. and Mrs. F. L. Purvine, formerly of Salem, who was locked in a garage while two holdup men looted the establishment. He was bound hand and foot with wire and locked in another room.

Paul was in charge of the garage and asleep at 5 o'clock in the morning when he woke with two pistols pointed in his face.

When in Salem he was in Glenn Niles' troop of Boy Scouts and at present is assistant scout master of Troop 12, in Long Beach. In addition he is a member of the orchestra at the Polytechnic high school, where he is a junior, and also plays in the ROTC band, which won the championship of southern California last spring.

Perversity does it. Three idealists make one cynic; one cynic makes three idealists.

HUNT SHOULD BE KEPT ON BOARD

A Few of Many Reasons Why J. T. Hunt Should Be Elected Judge

J. T. Hunt, republican candidate for county judge of Marion county and present county commissioner, is fully qualified for the position.

Mr. Hunt has remarkable business ability, knows the county, is thoroughly familiar with every road in the county, and has always showed fairness to all parts.

Some Big Undertakings

During the past five years that Mr. Hunt has held office of county commissioner some big things have been accomplished. In the matter of the building of the Salem and Polk county bridge the lowest bidder was forced to reduce his bid \$10,000 before Mr. Hunt would sign the papers. Of course this was a direct saving to the taxpayers. By hiring their own help and doing the work by force account the taxpayers were saved \$6,000 per mile on 125 miles of market road pavement laid in the county during the past five years. By constructing paving plants, hiring their own help and by not buying in the open market, the county taxpayers were saved \$25,000. From \$500 to \$1,000 each year has been saved by cutting the wood for the county on the county farm, instead of buying it on the open market.

Liver Trouble Causes High Blood Pressure

Medical science knows that poisonous waste in our bodies would actually cause death in a few days if not eliminated by Nature's processes. Because it destroys these deadly poisons, the liver is our most important organ—the body's wonderful purifier.

The liver prevents the formation of body poisons that cause diseases of the heart, kidneys, blood vessels and are chiefly responsible for premature old age.

When the liver becomes weak, the poisons are sucked up by the blood and health is broken down. Physicians know that the liver cannot be regulated by drugs, but a safe Nature substance has been discovered which will at once increase the vital bile supply. The discovery is purified ox gall.

Get from your druggist a package of Dioxol. Each tablet contains ten drops of purified ox gall. In 24 hours the poison toxins will be removed. Your liver will be regulated. Blood purification will begin. Sallow skin will clear. You will feel so much better you will know you have found the cause of your ill health. Dioxol tablets are harmless, tasteless and cost less than two cents each.

These genuine ox gall tablets are prepared only under the name "Dioxol." If any tablet is offered you under another name, refuse it. Accept only Dioxol in the original, genuine package.—Adv.

The Niagara Road
Through much effort on the part of Mr. Hunt, the larger percentage of the cost of the road from Niagara to Detroit is being paid by the government; 87 1/2 per cent of the cost of this road is being paid for by the federal government and the balance of 12 1/2 per cent is being paid for out of

levy made against that road district.
Mr. Hunt is a native Oregonian. He was born at Shillimity and is the son of G. W. Hunt, who came to Oregon in 1874. He is deeply interested in good roads and the welfare of Marion county. He promises a strictly business administration with fairness to all.
