BEARCATS TO PLAY WALLA WALLA TEAM

Grid-Graph to Be Available Here Saturday Afternoon For All Fans

Football fans who want to watch the progress of the Willamette-Whitman game Saturday may do so at Waller hall, where the Grid Graph will depict the game play by play. A small admission charge will be made in order to defray the expenses of the leased wire.

Fifteen members of the Bearcat squad and Coach Guy L. Rathbun left for Walla Walla last night, to meet the Missionaries tomorrow. Though the mentor was pessimistic over the outcome, he believed it possible that the Bearcats would come out with the long end of the score.

To do this will mean that the Bearcats will have to offer a better brand of ball than they have been displaying, particularly the showing made against the College of Idaho team here last Saturday. Willamette and Whitman are rivals of long standing, and considerable interest has been aroused over the outcome of Saturday's game. Reports from Whitman indicate that Coach Borleskie is taking no chances, and is coaching his men for a victory.

HIGH PRICES PAID TO SEE GRANGE GO

Phenomenal Illinois Star Proves to Be Drawing Card at Chicago

CHICAGO, Nov. 6.—Chicago football fans are willing to pay almost any price for the privilege of seeing Harold "Red" Grange, Illinois ace, and the gridiron sensation of the middle west when he goes into action Saturday against Chicago at Stagg field.

This was disclosed today when the fans whose interest had been intrigued by the election, started hustling for pasteboards for Saturday's contest and in a short time as much as \$25 was being bid for tickets. Stagg field's capacity of 32,000 was sold out several days ago.

That Grange is the drawing card is evidenced from the fact that even the most optimistic maroon supporter concedes the Chicago team only a very outside chance to win. They are bidding against each other for tickets not to see Chicago beat Illinois, but to see the red headed played who makes all his sensational plays look easy, go into action against the maroons.

FEW FINES LEVIED DURING '24 SEASON

Harry A. Williams, President of Pacific Coast League, Makes Report

LOS ANGELES, Nov. 6.—The 1924 pennant race of the Pacific coast baseball league presented something akin to a paradox, according to a statement issued today at the office of Harry A. Williams, league president.

"On the field it was the closest, hardest fight in the history of the league, yet the most peaceful in its relations between umpires, and players. This is indicated by league records, which show that the fines for the 1924 season to-

talled \$375, whereas, in 1923 the umpires took \$1,430 away from the managers and players in fines. This reduced the revenue of the president's office by \$1,055," but, the statement read, "it does not care for an income from that source. There also was a reduction in the number and length of suspensions."

Flyweight Champ Will Come Back for Revenge

LOS ANGELES, Nov. 6.—Fidel Labarda, Olympic flyweight boxing champion, and 16 year old Jimmy McLarnin of Oakland, will meet in a rematch bout at Vernon arena next Tuesday night, it was announced here today.

McLarnin who has taken decisions over some of the best in southern California, won an unpopular decision from Labarda a week ago.

55TH YEAR MARK FOOTBALL PASSED

November 6, 1869, Saw First Intercollegiate Game in America

NEW YORK, Nov. 6.—Intercollegiate football today celebrated the fifty fifth anniversary of its birth. The gridiron game in America had its inception in a contest between teams representing Rutgers and Princeton on November 6, 1869.

The game at that time resembled Rugby more than the present style of play. Princeton, Rutgers and Yale drafted a set of rules in 1873 modeled upon the "Association" code and in 1876 Yale, Princeton, Harvard and Columbia formulated a modified Rugby code which formed the real basis of the modern game.

YOUNGSTER WANTS TO MEET DEMPSEY

Tony Fuente, Mexican Boxer, Seeks Bout With World's Champion

LOS ANGELES, Nov. 7.—Tony Fuente, against Jack Dempsey at Culver City, near here, July 4, 1925, was the proposal made by wire today to Jack Kearns, manager for Dempsey, by Fred Winsor, manager of Fuente, and also manager of the Culver City ring.

Winsor sent his telegram to Kearns in New York on the assumption that a state amendment to legalize 10 round boxing bouts with decisions and 12 round bouts without decisions, had been approved in Tuesday's election as indicated by incomplete returns.

Fuente is a young Mexican who has won seven of his recent fights around Los Angeles by knockouts. He also took a four round decision recently from Floyd Johnson of Iowa.

OLYMPIA, Wash., Nov. 6.—Governor Louis F. Hart today issued a proclamation designating November 11 as Armistice and Admission day and declaring a legal holiday.

German and French Captains Kiss Before They Start Working Men's Football Match in Paris

Several matches between French and German football teams were played last season, the first since the World War, and this year sport relations between the two nations seem fast returning to a pre-war basis. Teams representing working men's clubs met recently in the French capital and before the game the captains exchanged the traditional kiss on the cheek.

HIGH CLASS SHOW COMING TO SALEM

"The Gingham Girl" to Be Presented at Local Theater Armistice Day

The spirit of youth will be evident at the Grand theater, Armistice day, Nov. 11, when Schwab and Kusell present the much heralded musical comedy success, "The Gingham Girl." The book by Daniel Kusell tells a story about young people, two country sweethearts, who leave their home and go to the city to find fame. A Cinderella story in modern dress and the environment of a small New England town with some of the scenes laid in New York City, set to the musical strains of the catchiest melodies heard in the theater in many years. The music is by Albert Von Tilzer, with lyrics by Neville Flesson, two young song writers, who became famous through the success of "The Gingham Girl".

The production is pretentious displaying four of the most elaborate scenic settings shown in musical comedy, anywhere, this year; 20 groups of modish costumes that will start feminine tongues wagging and novel lighting effects that beautify the scenes beyond description. A 70 foot railway baggage car is required to transport the effects and four expert stage mechanics are carried by the company to direct the setting up of the production. "The Gingham Girl," was first presented at the Earl Carroll theater, New York, and ran there one year. It played five months in Chicago and had long engagements in Boston and Philadelphia. The cast includes: Madeleine McMahon, Eddie Fetherston, Francesca Hill, Flo Irwin, Jack Waldron, Lillian

JOE MADDOCK SAYS HE EXPECTS TO WIN

Oregon Team Will Clash With Idaho Gridsters at Moscow Tomorrow

EUGENE, O., Nov. 6.—Coach Joe Maddock and assistants, with 22 University of Oregon football players under their watchful eyes, left this afternoon for Portland, en route for Moscow, Idaho, where Oregon meets the University of Idaho Saturday afternoon.

There are no crumbles on the squad, said Maddock on his departure, "and we expect to win." He will start the lineup that went through the Washington game last Saturday without a substitution, and emerged on top with a seven to three score.

On the outcome of Saturday's game will depend northwest conference honors.

CHANGE TO ZEROLENE WINTER LUBRICANTS

Long starting sessions in the morning with your car are neither safe nor necessary.

You need Zerolene low "cold-test" oils that flow freely in spite of the cold. Since they won't congeal, they don't let cylinder walls or bearings get scored, nor cause crankcase dilution, nor make you over-work your starter and battery.

The Zerolene Correct Lubrication Chart tells you the right oil to use in your car over the winter.

Head for the Zerolene sign at dealers, garages or Standard Oil Service Stations and make the change to winter lubrication today.
