HARVARD LOSES TO PRINCETON

"Big Three" Clash of the Season

CAMBRIDGE, Mass., Nov. 8.—Princeton came back to one of the greatest moments of gridiron glory she has ever known today and under a crimson sky sent Harvard down to the most crushing defeat in the 47 years of rivalry between these two ancient foes.

Out of the depths of mediocrity and disappointment the Tigers' eleven fighting irresistible jinglemen rose to heights of astonishing brilliance to overwhelm Harvard by a score of 34 to 6, in one of the most sensational upsets football annals have ever recorded.

Banked around the sides of the Harvard stadium, a vast crowd of 53,000 had come in expectation of a Harvard victory for the crimson ruled a decided pre-game favorite but instead it was thrown into a frenzy by a comeback as spectacular as it was startling and effective.

After the first period Harvard's stubborn defense thrust back Tiger offense but were not capable of checking the antagonist lashed with running power on all sides and with the swiftness of lightning. Touchdowns in the second and third periods and two in the fourth, intermingled with field goals in the second and fourth periods, represented the toll of Tiger damage.

Over the stretch of years since Harvard and Princeton began their rivalry in 1877 no victory has been recorded as decisive as that of today. Only twice before has a score rivaling today's Tiger total been run up and on each of these occasions when Princeton also was triumphant, the margin of victory was not so great. In 1884, Princeton won 34 to 6, while five years later the Tigers scored 41 to 15.

Princeton now has a margin of 15 victories to nine for Harvard while three ties have figured in 27 clashes between them.

THE WEATHER

OREGON: Unsettled with occasional rains Sunday; no change in temperature; fresh southerly winds.

LOCAL WEATHER (Saturday)

Maximum temperature, 47. Minimum temperature, 41. River, 11.8; rising. Rainfall, .28. Atmosphere, cloudy. Wind, southwest.

Lodge's Chances to Live Grow Dimmer Continually Is Report of Physicians

CAMBRIDGE, Mass., Nov. 9.—Shortly before 2 o'clock this morning it was said at the hospital that the condition of Senator Henry Cabot Lodge was absolutely unchanged since the last bulletin was issued shortly before midnight.

CAMBRIDGE, Mass., Nov. 8.—The outlook for the recovery of Senator Henry Cabot Lodge, who suffered a stroke at the Charles Gates hospital here Wednesday, was declared less favorable tonight by his attending physicians. A bulletin issued tonight announced he had failed perceptibly since morning.

The announcement tonight followed a bulletin at noon today which stated that the senator was somewhat weaker than he had been, although his condition at that time was essentially the same as it had been for the preceding 72 hours. The announcement tonight at 6:20 stated:

"Condition less favorable. Has failed perceptibly during the day." It was signed by Doctors John H. Cunningham and Frederick H. Winslow.

Although in a state of coma during the greater part of the day, Senator Lodge had brief periods of consciousness.

CAMBRIDGE, Mass., Nov. 8.—The outlook for the recovery of Senator Henry Cabot Lodge, who suffered a stroke at the Charles Gates hospital here Wednesday, was declared less favorable tonight by his attending physicians. A bulletin issued tonight announced he had failed perceptibly since morning.

HUSKIES HOLD BEARS TO TIE

35,000 Spectators See Dope Upset in Annual Pacific Coast Classic

STADIUM, SEATTLE, Nov. 8.—(By The Associated Press)—Fresh from a triumph over Southern California, the University of California for the last four years football champion of the Pacific coast inter-collegiate conference, met the University of Washington defeated a week ago by Oregon here today and was foiled of a victory after a sure looking lead. The tally was seven on each side. Bears had recovered made by the Washington team two yards in the third period and then, on the same play, crawled five yards through the mud for a touchdown. Carlson, quarterback, converted.

Playing Tightens The game wore tightly on toward its close. Ten minutes from the end the Norsemen started a passing drive down the field from their own 20 yard line. In the 80 yards to an even score, three passes were used, on the last of which Guttermann, quarter, went over for a touchdown. Sidler hurried on to the field of play and converted it.

In the 80 yard procession George Wilson broke away around right end for 19 yards. The first half was a kicking contest with the ball mainly in Washington territory. California made four downs in the opening quarter and Washington one. Here and there throughout the game Wilson punted for the huskies. Dyon was the bear kicker until Brown in the third quarter took his place at left half and succeeded to the punt.

Young; Imlay Star

Principal ground gainers for California were Young and Imlay, but Jabs participated freely when he entered the game a few minutes before the California touchdown.

Starting from midfield in the third period, Imlay got loose around right end and tore off 34 yards before Patton downed him. Holding set the Bears back 15 yards. Both sides kicked, Horrell, California captain, recovering a blocked punt on the Washington 24 yard line. Then Andy Smith, Bear coach sent Jabs on who carried the ball for five plays, ending the score. Washington's passing began after an exchange of punts in the fourth period. Wilson threw the ball. Guttermann and Lillis received it. Husky ends dropped back, Lillis taking the position of an end. This seemed to fool the Bruins who covered the regular ends, while Lillis ran out and took the ball in a 17 yard pass that started the Husky advance to their touchdown.

Score 53 to 0.

OFFICIALS IN ITALY TO DUEL

Commander in Chief of Fascist Militia Challenges Gen. Garibaldi

ROME, Nov. 7.—(By AP)—Dr. Italio Balbo, in his capacity as commander in chief of the fascist national militia, today challenged to a duel General Peppino Garibaldi, grandson of the Italian patriot.

The challenge was made after General Garibaldi's seconds, considering the challenge to a duel made yesterday by General Vanni, commander of the Rome zone of the fascist militia, asserted that Vanni was not the head of the to ask for satisfaction from Garibaldi. Their principal, they said, was ready to accept a duel with Premier Mussolini.

The original challenge was made because of Garibaldi's protests against the alleged attack by fascist militiamen upon unarmed former soldiers on Tuesday when Rome was celebrating the sixth anniversary of the Italian armistice with Austria.

Playing Tightens The game wore tightly on toward its close. Ten minutes from the end the Norsemen started a passing drive down the field from their own 20 yard line. In the 80 yards to an even score, three passes were used, on the last of which Guttermann, quarter, went over for a touchdown. Sidler hurried on to the field of play and converted it.

Salem Boy Scout Saves Younger Companion from Drowning in River and Receives Honor for Best Deed

Presence of mind in saving a boy companion from possible death by drowning enables Billy Mullen, 12, a member of Boy Scout Troop No. 2, of Salem, to be awarded honors for the best turn this week. Billy is the son of Mr. and Mrs. W. A. Mullen, of 374 North Sumner.

Billy and three companions were playing on the banks of a river recently near New Era. One of the boys, Carl Heinz, smaller than the rest and unable to swim, fell into a deep pool of water. The slippery banks of the stream made it impossible for him to stay on his feet and his cries attracted

COOLIDGE WILL HAVE SHAKEN UP IN HIS CABINET

Hubert Work and Other Present Members Expect to Retire to Private Life in Short Time

MANY CHANGES ARE IMPENDING, CLAIM

Poor Health or Similar Reason Given in Most Cases; Hughes Remains

WASHINGTON, Nov. 8.—Several changes in the cabinet by next spring are looked for in Washington as a result of reports that some members intend to retire to private life for personal reasons and a belief that President Coolidge after next March 4 will prefer a cabinet entirely of his own selection.

Upon assuming the presidency after the death of President Harding, Mr. Coolidge requested all members of the cabinet not to submit their resignations. While he has made no such request with the approach of a term of four years to which he has been elected by vote of the people, he has neither asked nor received in any way resignations of members of the present cabinet.

Several To Stay

It is expected that he will urge successfully several members of the present cabinet to continue in office after his inauguration in March. Although Secretary Hughes is understood to have indicated to friends that he would prefer for private reasons to return to the practice of law it is the general view that the secretary of state will continue at his post for a year, if not longer, while Secretary Mellon and Hoover, as well as Attorney General Stone are regarded as fixtures. On the other hand, Hubert Work, secretary of the Interior, is understood to have indicated to friends that he would prefer for private reasons to return to the practice of law it is the general view that the secretary of state will continue at his post for a year, if not longer, while Secretary Mellon and Hoover, as well as Attorney General Stone are regarded as fixtures.

Claims to an amphibious automobile are being set forth by Adam Engle, Salem contractor, who was forced to sound the "abandon ship" call about 3 o'clock Saturday afternoon when his machine backed through the protective railing into 15 feet of water.

Mr. Engle attempted to change the direction of his machine at Fifth and D streets, applied his brakes and the wheels failed to take a grip upon the slippery pavement.

Swollen waters in the creek carried the vehicle for nearly 20 yards before it finally came to a rest at the bottom of the creek in 15 feet of water. It was completely submerged.

Mr. Engle was rescued by witnesses to the accident and no casualties are recorded.

According to a statement of Mr. Stone, given out after the meeting, the bill would revive the old joint congress boards created by the Newlands and Erdman acts.

The labor provisions of the transportation act were declared by the delegates at the meeting to be a "complete failure."

Details of the railway organizations' plans to push the Howell-Balkley bill were not divulged.

The conference is understood also to have canvassed the general situation of railway labor from a legislative point of view.

PNEUMONIC PLAGUE EPIDEMIC ON WANING

No New Cases Have Come to Light During Past 24-Hour Period

LOS ANGELES, Nov. 8.—Progress in the eradication of the pneumonic plague, which has claimed a total of 30 lives here, was tonight reported by health authorities as the most favorable since the outbreak of the epidemic October 19. No deaths and no new cases have been recorded during the past 24 hours. Dr. W. M. Dickie, secretary of the state board of health and director of the anti-plague committee, announced tonight.

In commenting upon the act, Dr. Dickie said that the water was pretty deep and at some of the places over his head, but he could swim and it did not cause him very much trouble.

After getting Carl upon the bank of the stream, Billy pumped the water from the lad's lungs and he was little the worse for the experience.

VICTORIA, B. C., Nov. 8.—An unidentified woman of about 48 years of age died in a hospital here today after being taken from the water at Cadboro bay. When discovered her feet were tied with a rope and her mouth was burned from a powerful acid. She wore a long gray raincoat.

Recent Photograph of United States President Behind the Desk Which Will be His for Four More Years by Virtue of Recent National Vote

Calvin Coolidge

which he stands upon which he has ordered his life. It is the address he delivered at his first inaugural as president of the Massachusetts state senate.

"Do the day's work," he said at that time. "It is to protect the rights of the weak, whoever objects, do it. If it is to help a powerful corporation better to serve the people, whatever the opposition, do that. Expect to be

called a stand-patter, but don't be a stand-patter. Expect to be called a demagogue, but don't be a demagogue. Don't hesitate to be as revolutionary as science. Don't hesitate to be as reactionary as the multiplication table. Don't expect to build up the weak by pulling down the strong. Don't hurry to legislate. Give administration a chance to catch up with legislation."

BUDGET OF ALL EXPENDITURES PRUNED BY GOP

Estimate Made of Half Billion Dollar Reduction in Amount to Be Spent Next Fiscal Year

BLUE PENCIL TO BE USED FREELY

Operation of Government Not to Be Handicapped, Is Statement Made

WASHINGTON, Nov. 8.—The cost of running the federal government in the fiscal year beginning next July 1 may fall below three billion dollars or half a billion dollars less than the estimated expenditures for the current fiscal year.

On the basis of estimates prepared by the budget bureau and on which its conferences with the spending departments of the government practically have been completed, the anticipated appropriations for the year beginning next July 1 stood tonight at \$2,980,000,000 exclusive of the post-office department, the receipts of which are expected to balance the expenses. Officials of the budget still have work to do on the "budget of 1926" which will be submitted by the president to the forthcoming short session of congress.

But they have gone so thoroughly into every estimate, great and small, submitted to them by the several branches of the government that they feel any changes to be made hereafter will be in the nature of thousands rather than millions of dollars.

Brigadier General H. M. Lord, director of the budget, will go over the figures and tabulations with President Coolidge some time next week and after that it is expected the government estimates will be ready for the public printer as the next stage in transmission to the president and to congress. On the basis of the figures as they stand tonight the ordinary expenditures are expected to fall below \$1,700,000,000 exclusive of these by the post-office department. This contemplates retention of the present basis of income and few in the government anticipate that congress will have time to do anything on tax reduction since President Coolidge has indicated he will not call the new congress just elected, into an extraordinary session.

Estimates for the fiscal year 1926 present the following comparison with those of the last few years:

	Estimated
1925	\$3,500,000,000
1924	3,500,000,000
1923	3,697,000,000
1922	3,795,000,000
1921	5,535,000,000

To place the figure below three million dollars the budget bureau hopes to have employed the blue pencil to a greater extent than ever before. In few of the estimates have the totals remained as submitted by those who are to spend the money. The budget bureau, however, insisted that it cut funds nowhere that appeared likely to damage or handicap government operation or the efficiency of its management.

DEADLY SICKNESS SEEN IN ILLINOIS

Pneumonic Plague Reported By Doctors to Have Broken Out at Marion

MARION, Ill., Nov. 8.—Williamson county, Ill., is threatened with the "pneumonic" plague, the disease which has claimed many lives in California recently,
