

# WILLAMETTE DROPS ANOTHER GAME TO WHITMAN MISSIONARIES

## MANY FUMBLES MARK CONTEST

Final Score Is 7-6; Bearcats Draw First Blood With Long Pass

WALLA WALLA, Wash., Nov. 8.—The Whitman Missionaries took the Willamette Bearcats into camp here today by a 7 to 6 score in a game marked by poor passes and many fumbles. Lackey starred for the locals by his fierce tackling and ground gaining runs. The visitors used the forward pass to good advantage, completing five out of eight tries for a total of more than 50 yards. Whitman attempted five passes but only completed one for a 20-yard gain.

The visitors scored in the first quarter with a long pass, a few line plays and another pass which resulted in a touchdown. Isham failed to kick goal.

Whitman's only score was made in the second quarter with a series

of line bucks to the 40-yard line where Neilson, freshman, with perfect interference, advanced the ball 35 yards. Then Lackey tore a hole in the Bearcat defense for a touchdown. Willamette made three first downs to Whitman's eight.

## CHICAGO FIGHTS ILLINOIS TO TIE

Red Grange Plays His Usual Game; All Dope Completely Upset

CHICAGO, Nov. 8.—(By the A. P.)—In the most startling upset of the 1924 western conference football race, Chicago held to a 3 to 3 by Ohio State, fought Illinois, outstanding favorite to capture the championship, to a 21 to 21 tie today in a game that for sheer desperation of fight never has been equalled on Stagg field. The Maroons, who had been figured to fall an easy victim to the super-Illinois eleven, as Michigan and Iowa elevens fell before them, unleashed a cyclonic attack at the very start, instead of attempting to puzzle out a way of stopping the famous Harold "Red" Grange.

**Chicago Takes Offensive**  
 Before the game had been under way five minutes the Illinois, forced on the defensive, had reas-

on to believe they were playing eleven "Red" Granges, chief of whom was Austin McCarty, 178 pound fullback, who ripped the Illinois line to pieces, momentarily weakened the morale of Zuppke's warriors and had smashed his way over for a touchdown after a steady march down the field, almost before Illinois knew what it was all about. Then the Maroons repeated the drive and Thomas went over for a second touchdown on the first play of the second period. It was only after this second touchdown that Chicago had to start thinking about Grange.

**Game Full of Thrills**  
 It was all a part of Coach Stagg's strategy of stealing Zuppke's offensive thunder and pounding the ball into the Illinois territory instead of playing a defensive game and waiting for a chance to stop Grange.

The game, witnessed by a capacity crowd of 33,000 spectators, was full of thrills from the very first kickoff. Grange, living up to his reputation as the most sensational runner of modern football, provided one thrill after another, finally sending the crowd into a frenzy of excitement in the third period when with Illinois trailing 21 to 14 the famous red-headed halfback broke away for an 80-yard run through the end of the Maroon team and scored the touchdown that enabled Illinois to tie the count.

Grange played a phenomenal game, both offensively and defensively, and was the stumbling block that probably averted victory for Chicago.

# CHRYSLER

*Where Chrysler Sales Are Coming From*

There has been much discussion, of course, concerning the unprecedented sales of the Chrysler. No car of quality has ever made such a success in the same space of time. Naturally there has been a great deal of speculation as to where these sales came from. That question can be quickly answered. The Chrysler has made a market which is all its own. Its outstanding qualities are universal in their appeal. Everyone delights in the Chrysler combination of dashing appearance and dashing performance. Everyone recognizes at once how unnecessarily high and unwieldy other cars seem when you look up at them from the comfortable seats of a Chrysler. The Chrysler has invaded the highest priced division in every city in the country. Why not? The contrast in conserva-

tion of space, weight and height, the delightful ease of handling and parking, the cradling comfort both of riding and driving—these things are too pronounced to be overlooked by one who has driven more cumbersome cars. So the Chrysler invades the division of highest price—and makes equally striking appeal to the division below it and the next and the next. There isn't an ounce or an inch in the Chrysler—nothing but a thoroughbred utility throughout which has revised public conception of what constitutes sound motor car investment. The Chrysler market is a market made up of people who instantly discard the past when the present offers them something better. And that means, of course—all America.
