THE OREGON STATESMAN, SALEM, OREGON

bedlam of noise that broke loose immediately upon the blowing first and foremost American solof the big saw mill whistle when, in the middle of the night, on diers. Our money went and home word from the Associated Press, the signal was given of the service went with the cause but signing of the armistice agreement?

It is good to hark back to that day; to remember the feelthe men who went, the living huings of relief that swept over the whole world, after the tension man beings who offered themselves on the altar of civilization, are of years over the greatest armed struggle in historyworthy of all the praise grateful

And it is fine to remember the high resolves to make the agreement signed on the battle front a lasting one, through a compact for universal and lasting peace.

The edge has been taken from those high resolves. They have been only partially put into execution. There have been from the war plans that have been dark days and delays and discouragementsdisclosed that they were also

But there is a light ahead, and has been all these six weary fighting for America as America years; a gleam of the promise of peace on earth to men of good will; a peace that can possibly come only with good will and would have been attacked in a mutual understanding.

The people of the United States, through fears and hesions, due to divided and not always sincere leadership, have been led to perform a less noble part in reconstruction and the cracy almost actually they were duction and marketing possibiliwork of preparation for universal and lasting peace than they

IN MEMORIAM Today we will lovingly cherish 'inot's of those departed ones, Who pfanted the seeds With their noble deeds. For they were God's chosen sons. And from out those fields of white crosses A great sturdy tree has sprang. It is called the tree

The fruit of this tree heals all nations, Like that of the tree of life, 'he hungry 'twill feed, To prosperity lead, It will banisn an hatred and strife.

It's leaves are a balm for all discord Aca.s them will good fellowship reign, The golden rule fair No, our sacrifice was not in vain!

It's branches now spread o'er all Europe And farther than that will they go. Till the work is done Which our lads begun Then the whole world peace will know.
