 of the Many

We are now ready to announce a part of a plan that has been materializing for a number of months and will probably take a number of months yet to be fully carried out. The first part of our plan is to sell out practically our entire stock, only excepting a few old established contract lines, which will be continued in our new plan.

To work out our object, which will be announced

from time to time, we do not expect to make money for the next few months. We really expect to lose money, and it is our judgment that it will pay us to lose a lot of money rather than hold our present stock with the hope of selling it later in face of market and style conditions. We expect to sacrifice a lot of good staple merchandise along with a number of short lines so we can make a clean sweep of this entire stock.

If you are not already acquainted with our HALF PRICE RUBBER HEELS, try them on your shoes the best make of rubber heels that can be produced at 25c; try one pair. If they are not as good as any heel you ever

REPAIR DEPARTMENT

Our shop is equipped with all new machinery. We use nothing but the very best grade of leather that money can buy.

Mr. Jacobson, in charge of this department, is an expert in his line—has spent years in factories and repair shops—and will do nothing but high grade work.
