of the Prices Here

We carry nothing but fully guaranteed shoes, and every line is exclusive to The Price Shoe Co., as we carry nothing that is shown any place else in Salem and lines that are only shown in the most exclusive specialty stores in the United States. So you are always assured of the newer patterns and the better grade of merchandise at all times.

Thousands of pairs of men's, women's and children's shoes in all grades to be completely closed out—and we really mean closed out—as we are going to sell them if they only bring \$1.00 per pair. We are going to clear our shelves of every broken line in the house regardless of value or former cost. Hundreds of complete lines will be closed out along with broken lines, as we are going to sell shoes and sell them at a real sacrifice.

FOR HEEL DAY, which comes WEDNESDAY of each week we put out a pair of shoes and that any shop in the world will charge you 50c, for only 25c. So come back and we will put on a pair free.
