

BANKERS NOSE OUT HAUSER WHILE SPORTSMEN DEFEAT LEGION

FINAL RALLY GETS VICTORY

Silver Handlers Win 15 to 11—Soldiers are Swamped By 24 to 7 Score

Staging a desperate last minute rally, aided by two neat shots by Lucas, the Bankers nosed out Hauser Brothers in the Commercial basketball league series at the armory last night, winning the game 15 to 11. The score was tied until the game was nearly over.

Back in 1917 certain young men were in their prime, but the hardships of battling the world evidently proved to be too great, and though the legion hurried in reserves, using nine players to no avail against the Anderson & Brown quintette, which walked off with the game by the score of 24 to 7. The fast pace also told on

the sportsmen, who also used nine players. Anderson & Brown are being picked already as runners up in the finals.

Lineup of the two teams were: Bankers—(15) Armstrong, rf; Edwards H; Lucas c; Putnam rg; Fisher lg.

Hauser Bros.—(11), Wilkerson and Campbell, rf; Gangans lf; Kenney c; R. Waters rg; White and S. Waters lg.

Anderson & Brown—(24), Brown and Tucker rf; O'Hara and L. Gregg lf; L. Gregg and Craig c; Albers and Caldwell rg; Lennon lg.

Legion—(7), Acton and Springer rf; Proctor and Malstrom, lf; Boise and Louallen c; Bassett, Ringle and Liphart rg; Swigart lg.

Two more games are slated for tonight, between the Guard and Central Pharmacy and Hauser Bros. and the Union Oil team.

Ball Players May Receive Part of Purchase Price

CHICAGO, Nov. 12.—Ball players who are sold at fabulous sums will receive part of the purchase price, if a suggestion as to a change in the rules is to be adopted at the annual joint meeting of the major leagues in New York next month. The proposal was submitted to Commissioner Landis by the Philadelphia Americans and asks that when a player is sold for \$10,000 or more, the player shall receive 10 per cent of the money involved. This proposal among others was sent tonight to all major league club owners for their consideration prior to the winter gathering.

Players at present are paid such amounts as the interested clubs decide at time of transfer.

PEGGY PASSES AWAY

"Old Peggy," the first Barred Plymouth Rock hen to make an egg record of more than 300 eggs in the OAC flocks, is dead at Corvallis, at the age of 7 years 6 months. "Old Peggy," of H-55, as the experiment station records show her, completed her first record of 303 eggs on November 22, 1918. In seven years of production she laid 936 eggs. Although the famous hen is dead, her egg basket filling characteristics have been transmitted to the college flock through her sons, whose descendants have unusually good records. The world's record Barred Rock hen, K-24, with 324 eggs her first year, is the daughter of Peggy's son. Another hen with a record of 305 eggs is similarly related.

HIGH SCHOOL HAS 2 MORE CONTESTS

All Efforts to Line Up Game for Saturday are Proving Fruitless

All of the players who participated in the Salem-Eugene high school football game Armistice day reported for practice last night and none were suffering from injuries, with the exception of Caughill, who is nursing a sore shoulder.

Efforts on the part of Athletic Manager Heenan to line up a game with Hillsboro for Saturday proved fruitless yesterday though negotiations are under way for a game with Seapose, which has a good team this year.

Two more games are scheduled. The Grant high school of Portland will play here November 21 or 22, the latter date if possible because of the annual U. of O.-OAC game on Friday. On Turkey day the local high school will meet Corvallis high on Sweetland field.

"First, aggressive war is a crime. "Second, the states take a mutual obligation not to be guilty of it. "Third, the definition of aggression is the refusal to accept recourse to a peaceful method of international settlement. This settlement may be made through three main channels—through the permanent court of international justice; through the use of arbitration; through mediation and conciliation by the council of the

CHARLIE WEINERT OUTPOINTS FIRPO

Newark Fighter Outboxed the South American in Every Skirmish

NEWARK, N. J., Nov. 12.—Charlie Weinert, New York heavyweight, outpointed Luis Angel Firpo, Argentine heavyweight, in a 12 round no-decision match in the Newark armory tonight, in the opinion of newspaper men at the ringside.

The Newark fighter, cleverly evading Firpo's terrific right, outboxed his South American opponent in every skirmish, jabbing him consistently with his left and crossing with his right, which put the Argentine on the defensive during most of the fight. Firpo attempted to box with Weinert, but his awkwardness was no match for Weinert's skill. Although Weinert was fast tiring toward the close of the match, there was no question among the ringside experts but that his shade was decisive. There were no knockdowns.

tioned. By centralizing all the food supplies and clothing and by giving careful attention to all cases coming before them the Associated Charities expects to give more efficient service.

One of the greatest needs of the Salem Associated Charities is money and several plans have been submitted. The offer of the Shrine to contribute to the funds of the organization was accepted and within a few days some of the money for the work will be on hand.

Many more demands for aid are expected this year on account of the economic pressure of the past summer. The cases now coming before the public are from people who failed to secure employment in the hop yards and in the orchards until late.

The local organization is doing a wonderful work and during the three years of its organization many needy cases have been investigated and the necessary help given.

In addition to the aiding of families the Associated Charities investigates the home conditions of many children and often times determines whether they should be placed in the hospitals or given other care.

Anyone interested in helping and have foods or clothing to offer please call at the Red Cross rooms. Telephone communications are 332 and 95.

Coach Guy Rathbun Has List of Candidates for Basketball Season

Willamette university Bearcats will open their inter-collegiate basketball season early in December and after watching men in action the last few days, those who have been watching the candidates predict that the athletic team will show up more favorably than did the football squad in the season that is drawing to a close. Mouth normal is expected to be one of the early opponents, with other games slated with Pacific university, Albany college and the North Pacific dental college. During the Christmas holidays the team will be on tour, playing in the northern part of the state.

Two members of last year's squad are working out. These are Steinlechner and Erickson. Others will join the squad as soon as the football season ends. Fasnacht, Hartley, Robinson and Fletcher are also slated for appearance while other candidates include Herman, Rhodes, Johnson, Walsh, De Sart and Swearing. Four candidates are to be contributed from the freshman class, including Mast, Kallahana, Mudra and Hathaway.

Real work will be ordered next Monday by Coach Guy L. Rathbun. The men so far have been working "on their own" and are getting in condition for the season.

Huskies Have Choice in Two Powerful Opponents

SEATTLE, Nov. 12.—Penn State's powerful eleven and the University of Missouri team are being considered strongly as opponents for the University of Washington gridiron machine here December 6. Darwin Meisnest, graduate manager of the associated students, announced today.

Both teams have been extended invitations, said Meisnest. It was also said that Michigan and Illinois were given bids but it was considered unlikely they would be able to take the western trip owing to a big ten conference ruling against post season contests.

Meisnest asserted additional possibilities for the remaining game were acceptance of invitations by either West Virginia in the south or Stanford on the coast.

Rusco & Hockwald Minstrels and Vaudeville Offered at Grand Theatre

The change of taste in theatrical amusement and the opportunity for wide awake and up-to-date managers to forge refined minstrelsy to the front inspired Rusco & Hockwald's firm of managers to organize the biggest minstrel combination in America, and embody in it the best forms of vaudeville and fragmentary acts that would find ready favor with all classes of theater-goers; that they have succeeded in doing this is evidenced by the success of their big minstrel enterprise, which is booked at the Grand theater tonight.

The venture has met with phenomenal success and from a modest beginning, some few years ago, the company now ranks foremost and is the largest and best minstrel organization in America. Fifty performers furnish an evening's entertainment in which fun is plenty and of the good, wholesome kind that wins public favor.

Continuous vaudeville seems to be the real thing in the cities. "Continuous fun" is the motto of Rusco & Hockwald's Famous Georgia Minstrels, who bring an entire new company of fun makers. There is no fall of the curtain from the commencement of the jollification until the finish; the program is too long to permit of any waits or long-drawn-out overtures. It is one continuous round of pleasure and surprising novelties.
