

SPORTSMEN STAGE FAST BASKETBALL GAME

TIE IS BROKEN IN EXTRA PLAY

Anderson & Brown Beat Hausers 18 to 16; Soldiers Defeat Bankers

In one of the most exciting games of the Commercial basketball series, Anderson & Brown defeated Hausers 18 to 16 after two additional 5-minute periods were necessary to break the tie. Strahorn, Hauser forward, lost the game for his team mates when he stepped over the line in throwing a foul.

The first game of the double-header at the Armory last night was between the Bankers and the Guard, the Money-lenders losing out with the small end of a 15 to 12 score.

Both games were full of thrills and brought the spectators to their feet repeatedly. With the season getting well along, the players are developing and much better team work is evident.

Lineups for the two games were:

Bankers—Edwards, Lucas and

Armstrong, forwards; Barr, center; Edwards, Parmentier, Putnam and Fisher, guards.

Guard—Fallon and Thompson, forwards; Larsen, center; Hendricks and Ringler, guards.

Anderson & Brown—Tucker and Brown, forwards; Harra, center; Alberts and Lennon, guards.

Hausers—Strahorn and S. Waters, forwards; N. Kenney, center; Sigarund and R. Waters, forwards.

Two more games in the series will be played Friday night.

MILITIA CALLED TO GUARD JAIL

Negro Charged With Killing Girl Is Threatened By Large Mob

NEWBERN, N. C., Nov. 25.—The local national guard unit was called out here late today on order of Governor Cameron Morrison to protect the Craven county jail which was surrounded by a mob demanding John Godette, negro, who is charged with killing a little girl early in the day. Battery D, 117th field artillery, took up its station at the jail shortly after midnight.

Godette, who was at liberty pending an appeal to the United States supreme court from a conviction under the prohibition law is alleged to have driven an automobile into a group of school children at Croatan, 12 miles from here this afternoon, fatally injuring Edna Williams, 12 years old. He was overtaken and arrested some time later.

Chemawa Plays Teachers In Last Game of Season

Chemawa will close its football season this afternoon when the Indians meet the Oregon State normal school eleven. The normal players were defeated last year by a score of 41 to 0.

The Indians have had a little hard luck with their games this season, losing all but one, when the Pacific college eleven was defeated 19 to 6. Linfield defeated the Redskins 13 to 0; Commerce high school of Portland beat them 6 to 0; Columbia university, 48 to 0; Mt. Angel college, 32 to 0, and Corvallis high school, 21 to 6.

OUCH! BACKACHE! RUB LUMBAGO AWAY

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest St. Jacobs Oil at any drug store, pour a little in your hand and rub it right on your aching back, and the soreness and lameness is gone.

In use for 65 years, this soothing, penetrating oil takes the pain right out, and ends the misery. It is absolutely harmless and doesn't burn the skin.—Adv.

OREGON ELEVEN TO CLASH WITH MAAC

Thanksgiving Day Game Will Close Season; Have Played Hard Schedule

EUGENE, Or., Nov. 25.—The University of Oregon football team which closed its conference season with a victory over the Oregon Aggies last Saturday, this week is continuing to train in preparation for the clash with the Multnomah Athletic club of Portland, Thanksgiving day.

The varsity has weathered a long, hard season and will complete eight games in a row without a lay off between any two of them.

Coach Maddock's football machine has gone through the season with very few substitute players being sent in.

Practically the same 11 men have started each game. Bliss, regular end, was out of the OAC game with an injured foot and may not be able to get into the game with the Multnomah club.

Moe Sax, Oregon quarter last year, will try to outsmart his old team mates Thursday. Moe is playing with the clubmen.

John Steincipher Named WU Basketball Manager

John Steincipher, junior at Willamette university, was elected basketball manager for the coming season, at a meeting of the student body executive committee, yesterday. Mr. Steincipher will have charge of all arrangements for basketball.

Obligations of Stock Company Will Be Met

SEATTLE, Nov. 25.—All obligations and liabilities of MacFarlane & Co., Seattle stock and grain brokers, which failed yesterday will be met and discharged, James MacFarlane, of the company announced here today when he conferred with a temporary receiver.

The company went into the hands of a receiver when a creditor filed a petition in superior court asking for the appointment of a temporary receiver. The petition said that the company was unable to meet its obligation on eastern markets and that its liabilities exceeded its assets.

Portland Dairyman Is To Import Fine Cattle

G. H. Dammeyer of Portland was in Salem yesterday. He and Mrs. Dammeyer are planning to leave about the middle of December for the Island of Jersey. They will go via California and other southern points, visiting friends in Sacramento and Los Angeles and expect to sail from New York about the middle of January.

After touring Europe for a few weeks they will visit the Isle of Jersey, in the English channel, and buy about 50 head of Jersey cattle and bring them to the United States and plan on selling them at auction on their farm near Portland next September on labor day. Mr. Dammeyer has been a breeder of Jerseys for a number of years and last July sold his herd at auction. He has a large new dairy barn on his farm on 82nd street, in the southeast edge of Portland.

THE FARM CENSUS STARTS DECEMBER 1

Most Complete Ever Undertaken; Not in Interest of Any Taxing Plan

The 1925 farm census for the 12 northwestern counties of Oregon will be under way December 1 and is to be completed by January 31, 1925. In some respects the census is probably the most important farm census ever taken, and no reasonable effort will be spared to make it as complete as possible.

The 1920 census was taken at a time when the usual proportion of farm crops was very much out of line, with that which existed before the war and that which now exists. This farm census will give an accurate basis for crop estimates, and will be of great value to farmers and farmers' organizations in adjusting agricultural practices which were very much upset by war conditions.

A census of manufactures is taken every two years. The capital invested in agricultural production is 75 per cent greater than in manufactures, yet a census has been taken only every ten years. The fact that agricultural production is of such great value makes it important that a census should be taken at least every five years.

In order to complete the work within the allotted time a sample schedule has been sent to all farmers on a rural route with the request that they familiarize themselves with the questions and write in the answers as far as possible. When the enumerator calls at the farm he will ask the farmer or his wife and fill in any unanswered questions that may be necessary. The answers will be copied on the regular farm census schedule. This will make a considerable saving in time and also insure a more accurate report.

The unit for enumerating is the voting precinct, and these are grouped into districts of one or more precincts each. The enumerator, wherever practicable, is selected from among the farmers of that particular district in which he is to work. If no farmer cares to do the work, some other person who is well qualified and familiar with agricultural conditions of that district is appointed. The enumerator is a regularly appointed agent of the United States bureau of the census and is sworn not to divulge any information he may secure in his line of work.

This census has nothing to do with any tax department. The information obtained will not be given out or used in any way, except that in Washington, D. C., and then only as totals, for states or sections. This is a census of agriculture for the benefit of farmers, and all possible assistance should be given to enumerators to insure an accurate record of agricultural conditions.

Veterans are Plentiful For Indian Hoopsters

Basketball will occupy the center of athletics at Chemawa next week, when the call for regulars will be given. Coach Downie has lost only two men through graduation and prospects for a good team this year are bright. Buchert and Abraham are nose lost. This year there will be Matt, Brendible, DePoe and Charles George from last year's team and Dandre George, a fast man two years ago. No games have been scheduled, but efforts are being made to meet Washington high, of Portland, Hill Military academy, Salem high, Albany college, Monmouth normal and Linfield college.

Chimney Fire

The Salem fire department was called to the local telephone office on North Liberty Tuesday evening to put out a chimney fire. No damage resulted.

CORVALLIS PLAYS HERE TURKEY DAY

Team in Fine Shape for Struggle; Guards Placed Around Bonfire

Guards have been placed around the huge pile of combustibles that will be fired tonight as a feature of the Salem high school pep rally that will arouse enthusiasm for the Salem-Corvallis football game on Sweetland field at 2 o'clock Thursday afternoon. In the past several of the fires have been fired prematurely, and if possible a recurrence of this will be prevented. A rally in the business district is expected tonight.

Salem is going against Corvallis with the record of the fewest games in its history and also with a clean slate, having defeated the Willamette first-year players, Albany, Eugene and Grant high school of Portland.

None of the players were injured in the game with Grant Saturday and all are in good condition for the struggle here tomorrow. Caughill and Heenan are rounding into shape and will be able to offer their best against Corvallis.

DECIDE DATES FOR HOLIDAYS

board has control of property on Marion street, which is centrally located in the Salem school district, and application has been made by the incoming organization for the use of the building.

Reports were received that the gymnasium at the J. L. Parrish Junior high school would be completed by the end of this week. In addition a small stage is to be erected at one end of the assembly hall.

The principals of Salem schools who attended summer school during the past year were granted a bonus of \$50, and the approval of the school board was given to the applications of A. E. Miller, Miss Hurley, and Mable Miller.

Application was made by the Salem school board for the Smith-

GIESE - POWERS

Teachers' rest rooms at the J. L. Parrish junior high school and the Grant school will be installed soon. The supplies committee was granted power to act on the matter. The committee was also empowered to act in transferring a lathe to the manual training room of the McKinley junior high school.

An additional teacher is to be employed at the J. L. Parrish school, according to the action taken by the board last night.

Noonday Boxing Classes Are Popular at YMCA

Boxing classes for business men are bringing an even dozen to the YMCA at noon on Tuesdays and Thursdays. The class is proving to be a popular athletic feature. All business men and those more than 21 years of age may attend this class.

ROTH'S

"Quality First Groceries and Meats"

Turkeys — Geese — Chickens

A Thanksgiving Dinner means Thanks-giving Turkey which is the central figure of the day. The whole family is looking forward to the event and on the selection of the turkey depends the success of the dinner. We were fortunate in securing several fine lots of grain-fed turkeys, all young tender and juicy, ranging in weight from eight to twenty pounds and they are selling for less than for many years past. We also have nice fat geese and heavy hens.

Turkeys 33c lb. Geese 25c lb. Heavy Hens 35c lb. (Dressed and drawn)

FRUITS

An essential of the festivity is to have plenty of fruit. New crop navel Oranges are now on the market for the first time this season. They are sweet and juicy. Three sizes, 30c, 40c, 60c dozen.

GRAPE FRUIT

Extra large Florida 15c each. Arizona 2 for 25c and 3 for 25c. Cape Cod Cranberries 20c qt. Huckleberries 25c lb. Fresh Hawaiian Pineapples 75c each. Tokay Grapes 15c lb. Persimmons 2 for 15c. Extra fine firm bananas.
