Immortalize Those Care-free Hours

CHILDHOOD is life's most glorious age!!!

Each year children grow and change until they finally reach manhood and womanhood—and what is left of those earlier happy days!!!

Vague memories which soon fade away!!!

Through the camera we can make them lasting!!!

What a joy to the young man or woman who can today look back "upon the sands of time" through their own photographs and the photographs of their parents—why not let your children enjoy this same privilege in years to come!

A photograph for Xmas is a most welcome and appropriate gift.
