CANNERY SEEKING TO CHANGE NAME

To change the firm of the Producers' Canning & Packing company from a corporation to a cooperative association is the reason for calling a special meeting of the stockholders here December 30.

If the proposal is adopted it will mean the changing of the name of the firm. The company, according to those favoring the plan, will secure advantages, which are available to firms operating under the 1915 cooperative act.

The name of the firm will be changed to "The Producers' Cooperative Packing company." Under the new plan it is stated that the producers will receive additional profit for their produce. Under the present arrangements the profits are distributed to the

share holders. Under the cooperative act the profits would be rated according to the amounts of produce brought in.

An expansion of business is proposed, if the new plan goes through.
