

TURKEY TOURNEY IS SLATED TODAY

Illhee Country Club Plans Novel Diversion for Winter Golf Fans

Members of the Illhee Country club who have been wasting much time and ammunition shooting ducks and bringing home nothing much besides a hard cold will be given an opportunity to get even with the world and to provide their families with free turkeys for Christmas dinner today when a turkey handicap tournament will be held, beginning at 9 o'clock. The tournament was arranged as a winter diversion for the members of the club.

All members participating in the tournament will play against par, handicaps included. The player turning in the lowest net score will receive a hand-fed turkey, while a small flock of the birds will be given in other awards.

The grounds are in almost perfect condition at present, the recent rains having done wonders to the course. It has been sufficiently dry during the last few days to make the playing conditions ideal. The greens are in better condition at present than they have been during the entire season.

Community Club Organized By Hayesville District

HAIR STAYS COMBED, GLOSSY

Millions Use It - Few Cents Buys Jar at Drugstore

Even stubborn, unruly or shampooed hair stays combed all day in any style you like. "Hair-Groom" is a dignified combing cream which gives that natural gloss and well-groomed effect to your hair—that final touch to good dress both in business and on social occasions. "Hair-Groom" is greaseless; also helps grow thick, heavy, lustrous hair. Beware of greasy, harmful imitations.—Adv.

the members of the district organized a community club, and elected officers for the year. About 75 people were present, and all were very enthusiastic over the success of the club. The meeting was conducted by Lloyd T. Reynolds prominent fruit-grower of the district. Officers elected were A. Lengren, president; E. M. Bailey, vice president; W. W. Fox, secretary; and Mrs. H. G. Samons, treasurer. The meeting was conducted with the well known Hayesville spirit; the spirit that prompted the building of one of the finest country schools in the state after the old building had been destroyed by fire.

The club will meet on the first and third Fridays of each month, the next gathering taking place on New Years eve, when a supper will be served. Programs have been arranged for each night.

FIGHT INTEREST AT HIGH PITCH

Record Crowd for Program Tuesday Night Indicated By Ticket Sales

Interest in the Tuesday night boxing program at the Armory is growing as the time for the Deane-Dawson return match approaches and a heavy advance sale of tickets is reported. In addition to the main event there will be two six-round bouts, the first being Tiny Hayes vs. William Bennett, and the second Spike Crossan vs. R. E. Coates. Two snappy curtain raisers have been arranged.

Matchmaker Harry Plant is now making plans for a big double main event program during the holidays, probably between Christmas and New Years, and perhaps the afternoon of January 1, if the fans so desire. Jack Griffith of Portland will meet the winner of the Deane-Dawson fight. He weighs 147 at present, but will make the necessary weight by the night of the match. Both Deane and Dawson weigh 144 pounds. The other event will be a fight between Cracker Warren of Oregon City and Phil Bayes of Salem.

Positive enforcement of the "no smoking" rule will be observed for the benefit of the fighters, Matchmaker Plant announces. This order will be enforced by members of the fire and police departments.

RUB CHEST COLDS AWAY: STOP PAINS

Pain and congestion is gone. Quickly?—Yes. Almost instant relief from chest colds, sore throat, backache, lumbago follows a gentle rubbing with St. Jacobs Oil.

Rub this soothing, penetrating oil right on your chest and like magic relief comes. St. Jacobs Oil is a harmless liniment which quickly breaks chest colds, soothes the inflammation of sore throat and breaks up the congestion that causes pain. It never disappoints and does not burn the skin.

Get a 25 cent bottle of St. Jacobs Oil at any drug store. It has been recommended for 65 years.—Adv.

POWELL TO SELL PACKARD AUTOS

In Addition to Packard Line the Hudson and Essex Will Also Be Sold

Packard owners will be delighted to learn that the agency for this car has been secured by a firm who are fitted to offer to the car owner every consideration and service that he may desire. Fred M. Powell has secured the agency for this territory and will be equipped to handle sales and service in the same efficient way as has the MacDonald Auto company in the past.

A. J. Fellen, formerly shop foreman for the MacDonald Auto company, will continue in the same capacity with Mr. Powell.

Mr. Powell intends to arrive in Salem some time this afternoon with a complete line of Packard, Hudson and Essex cars and will welcome inspection of any or all.

Live Soundly to Avoid Heart Disease in Future

Tuberculosis has been pushed from its place as arch-executioner. In its place, in most parts of the country, is heart disease, now the chief cause of death in these United States. Fortunately heart disease is often curable. It is preventable. But the effort to cope with it must run the gamut of the seven ages—from childhood when it is to be prevented, through the middle years when it may be arrested and cured, to old age when its disabilities may be alleviated. We are on the threshold of an onslaught upon it which promises rewards as rich and startling as those of which the tuberculosis campaigns dreamed daringly twenty years ago.

Last year organic heart disease killed many more people in Oregon than did tuberculosis and more than half again as many as cancer and pneumonia. Moreover it usually kills by inches. A death from heart disease has typically back of it a story of infection in childhood or early adult life, of loss of working power in the most productive years, of a decade or more of slowly waning strength, leading to invalidism, dependency and finally to death.

Cured His Rupture

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 228-L Marcellus Avenue, Manassas, Va. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.—Adv.

simple. One must guard against infections of childhood and youth that may not bare their consequences for many years. One must live soundly. And one should be examined periodically for signs of disorder imperceptible to the layman. As for cure: that rests chiefly on competent diagnosis—plus character. Not what the health officer does for us, but what we do for ourselves, will check this mounting peril.

The commonest causes of heart disease are rheumatism and syphilis. Many heart diseases are entirely preventable. Some are wholly curable.

NEW ST. JOSEPH HALL IS NOW NEARING COMPLETION

The New St. Joseph's hall, corner of Chemeketa and Winter streets, is nearing completion, and beginning next Friday will be the scene of a large and much-anticipated bazaar which will continue from December 19-21 inclusive. Dainty booths and diverse amusements, the posters promise, with an abundance of Christmas gifts and candy. On Sunday, December 21, the ladies of the parish will serve chicken dinner from noon to 2:30 o'clock.

MARIE BEAUTY SHOPPE IS NAME OF SILVERTON STORE

SILVERTON, Ore., Dec. 13.—(Special)—Miss Berle Smith who was married last week to Everett Jones of Portland, has sold her interest in the Berle-Marie Shoppe at Silverton to her partner, Miss Marie Quail. The name of the shop will be known now as the Marie Beauty Shoppe. Miss Quail has secured Miss Flora Conyer of the Mary-Elizabeth Shop of the Portland hotel, to assist her.

MILLINERY STORE CHANGES HANDS AT SILVERTON TWICE

SILVERTON, Ore., Dec. 13.—(Special)—Miss Catherine Bruce, who bought the Hoge Millinery at Silverton a few years ago, sold her business this week to Mrs. Malva McKilligan of Astoria. Mrs. McKilligan took charge at once and Miss Bruce left for Spokane where she will make her future home.

DE MOLAY COMEDY GIVEN THIS WEEK

Hard Work on "Yankee Four Flusher" and Fine Performance Slated

"The Yankee Four-Flusher," a three-act comedy drama, is the offering of the local De Molay chapter when they present their third annual show at the Grand next Tuesday and Wednesday. The play is said to be radically different than what is usually expected of a three-act comedy, centering about one leading character who is a perfect bulldozer. Harold Mero plays the leading role and is supported by Helen Sell, Mrs. Katherine Baker, Ruth Ross, Ruth Brown, Willard Brown, Winfield Clark, Vern Mathis and Ted Kruger.

Most of these young people need no introduction to those who have taken any interest whatever in local amateur productions. Prof. Rahskopf of Willamette university is directing the play and this fact alone guarantees a good performance.

Several clever vaudeville acts have been arranged for between acts and the De Molay quartet, also known as the Junior Rotary quartet, will sing. The annual De Molay show has come to be recognized as one of the best amateur productions of

Five of Thirty Veterans Find Places of Employment

The ex-service men of Salem are in need of employment. Only five of the 30 men who applied for employment have been found places. There are salesmen, plumbers, laborers, steam workers and other skilled workers registered.

Considerable attention has been called to the need of the ex-soldiers and several firms are giving preference to the boys who did their bit in the World War.

The Veterans of Foreign Wars have established a temporary employment office with Dr. George Lewis, 311 Oregon building where the service men may register.

Anyone having an opportunity to give an ex-service man a job can call 852, where he can get in touch with the fellows waiting the work.

LEBANON ISSUES BOOKLET

"Lebanon, The Strawberry City" is the title of a booster booklet issued by the Lebanon Commercial club and sent out to prospective home-seekers. It was written by Forest Rycraft, who adds to his duties as instructor of agriculture a lot of duties of this sort. One would think that the supervision of 50 projects would be a big enough summer-time job for one man, aside from such editorial work. It is community service of this sort that weighs in the long run to tip the scales of popular opinion. The booklet referred to is well written and illustrated, and its booster statements are well within the range of the imagination.
