R. CHARLES KADDERLY from Cribben & Sexton, makers of the nationally-known Universal Ranges and Air-Blast Heaters, will be in the Stove Section every day this week to point out, with our own experts, the advantages of cooking with a Universal and heating with a Universal.

Universal fuel ranges are available here in many styles. There are blue or grey porcelain ranges, semi-porcelain ranges with nickel trimmings or plain, cast steel rangesall with or without hot water connections. Ask especially to see the Universal porcelain range in peacock blue or. pearl grey finish-sanitary, washable, indestructible,

Nothing to rust out, the fire boxes have Duplex grates which use hard coal, soft coal or wood with equal satisfaction. All of these ranges can be furnished with seven-gallon copper-contact reservoir and water front or water coil.
