

CHURCH'S GROWTH SHOWN IN REPORT

Central Congregationalists Gain 26 in Year and Elect Officers

At the annual meeting of the Central Congregational church the following officers were elected:

For deacon, Harry Ross, to serve with E. E. Elliott and J. A. Brockman, whose terms are unexpired; Miss Ruth Van Patten, church clerk; Miss Laura Yantis, treasurer; C. C. Harris, Sunday school superintendent; Elbert Powell, assistant, and Mrs. Arthur Barnard as superintendent of the primary department.

C. D. Ross was elected trustee to serve with J. B. Aahby, Dr. F. E. Brown, Arthur Barnard and Amos Barker, whose terms are unexpired.

E. E. Elliott, Dr. F. E. Brown and Mrs. A. Barnard were elected to the religious education committee. Mrs. Cory, Mrs. Brown and Mrs. Harry Ross were elected to the church night committee, and Mrs. Guy Newgent, Miss Grace Welborn and Miss Myra Gleason were appointed on the music committee.

The reports from all departments showed healthy growth. The church clerk's report showed a membership of 244, a net gain of 26 over last year. The Sunday school report showed an average attendance this fall of 201, and for the whole year the average was 160. Both figures were a marked advance over preceding years.

STAYTON NEWS

The new Linn county bridge over the Brown slough, just south of the big bridge over the Santiam river at Stayton, has been completed and a good fill made between the two bridges. The people of Stayton and the surrounding country, especially those of Linn county, are glad these improvements have been made as the temporary bridges people have been forced to use the last two years was becoming unsafe for travel.

The Catholic Order of Foresters initiated a large class of new members into the order on Sunday last. This being about the largest class of new members to be taken into the Stayton branch of the order, delegations were present from all over the state to witness the initiation and attend the banquet. Prominent speakers were here and an interesting program added to the day's festivities.

The Ladies' Aid society of the Stayton Christian church held its annual bazaar in the Dielrick building Saturday, realizing a sum of about \$150 for their fancy-work, aprons and cooked food. The members of the society has worked long and diligently and were deserving of the splendid patronage given the sale. The proceeds will be used for the upkeep of the church and for missionary purposes.

The Women's Community club is making final arrangements for a "fun party" to be given during the holidays. Committees have been chosen, forms of entertainment discussed and decorating plans made. The event promises to be one of the most enjoyable of the holiday season parties and will probably be held in the Masonic hall. Mrs. Edna Sloper is president of the club.

The Jones apartment house, which was without hot water the greater part of last week, has undergone some repairs and the improvements are enjoyed by those living in the apartment. The recent high water had shut off the pipes with mud and silt off the hot water flow, requiring considerable time and work to free them.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Celebrated His 86th Birthday, Her 80th, and Their 59th Wedding Anniversary on Same Day

Veterans and their wives at the Gov. John A. Andrew Home for Civil War veterans at Washington Park, Newtonville, Mass., made a gala day of the triple anniversary celebration of Mr. and Mrs. Albert Bump, formerly of Southridge, Mass. Bump was born 86 years ago at Thompson, Conn., going to Holland, a suburb of Southridge, when a young man. Mrs. Bump was born in Southridge 80 years ago and 59 years ago they were married. Their birthdays fall on the same day and it was on their joint birthday that they were married.

The chair and box factory which he operated, was burned, has decided to launch a new business in Stayton, having leased the Mielke property recently vacated by the Adams Hardware company, and as soon as necessary changes can be made and the place put in order, Mr. Downing will open up a tire and automobile accessory business. The gas tank capacity is to be increased and other slight changes made.

Stayton is experiencing its first snow fall of the season. W. A. Elder of Mill City was seen on our streets Sunday. Mr. Adams, who recently purchased the Lilly Hardware company's interests, was suddenly stricken with death while working on his books.

Ben Chamberlain had a valuable spotlight taken from his car Sunday while attending church services. It appears that auto accessory thieves have been very busy lately.

A very enjoyable time is reported by the local order of K. C. Sunday when a large class initiation was held in their hall. Mr. Knutson of Vancouver, B. C., has been visiting his daughter, Mrs. Tom Quilhot. The Brown-Petzel mill has been forced to temporarily shut down owing to the snow and lack of logs.

Dr. Olson, who was scheduled to speak at the Christian church Sunday evening, failed to meet the appointment, and many were disappointed. We hope he may be able to hold services here in the near future.

The bazaar of the Ladies' Aid of the First Church of Christ was well attended and very profitable. A. P. Kirsch, who was visiting his son in Colorado, has returned to his home near the city. John Miller of Marion was a Stayton caller Saturday. The Mountain States Light & Power company are busy resetting poles for feeders to the local plant.

It may be love that makes a girl give up a \$30 job, and it may be laziness.

Ex-Service Men Will Be Remembered By Auxiliary

SILVERTON, Ore., Dec. 17.—(Special to The Statesman).—The Legion auxiliary met for its regular meeting Monday night. At this time Mrs. Harry Benton read a letter of thanks from a Portland woman to whom the auxiliary had sent a lavette. The auxiliary also voted to do something to bring Christmas to a number of Silver-ton families who would not otherwise have any. Two holly wreaths were sent to the hospital at Portland for ex-service men. The auxiliary further voted to send a Christmas box of fruits, nuts, candies to all former Silver-ton ex-service men who are now confined to hospitals.

PRINGLE

W. M. Coburn has been building some new fence recently. E. A. Clark has been trying out a new radio set and enjoying the programs received. William Probst came home from the Silver Falls logging camp last Tuesday and reported that the camp was snowed under and that the loggers were all homeward-bound until weather conditions improve.

Tuesday night the mercury fell almost to zero. Exposed water pipes were frozen and other things too were found by Frosty Jack.

Mr. Potter has been placing some tiling on his farm recently. Pringle's candy committee visited Salem Saturday and invested in Christmas goods.

No phone service, through central, since the storm on line 53.

Delbert Reeves Post Will Install Officers Shortly

SILVERTON, Ore., Dec. 17.—(Special to The Statesman).—The Delbert Reeves Post No. 7 of the American Legion held its regular semi-monthly meeting Monday night of this week. The membership committee reported that 160 men had signed up for the coming year, which number will probably put Silver-ton at the top of Legion activities in the Oregon department. At the next meeting of this post installation of new officers will take place.

BREAK A CHEST COLD WITH HEAT OF RED PEPPERS

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time. "Red Pepper Rub" is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out.
