OREGON LEADS IN CHEESE

According to figures announced by the department of agriculture. Oregon cheese makers lead the entire country in per capita production of cheese, the average for the United States being \$1.175 per cheese association member, while Oregon's production was \$2.880 for the year 1923. Minnesota follows with \$1.358; Wisconsin, \$1.088, and New York \$870.
