

Senior Class is Large One

Diplomas Will Be Presented to Ma- jority of 227 Stu- dents Next June

One of the largest classes in the history of the Salem high school will be graduated this year, there being a total of 227 seniors enrolled at present. A few of these will undoubtedly complete their work at mid-year, some will drop out at school before spring, or go out through transfers to other schools, while a few will probably enter school from elsewhere and graduate. Of the 227, there are 136 girls and 91 boys, according to an early list of seniors compiled by J. C. Nelson, principal.
