

BAYES READY FOR WARREN

Pair Will Meet for Third Time at Armory Friday Night; Fought Two Draws

Phil Bayes, of Salem, and Cracker Warren, of Oregon City, who will meet in a 10 round match of a double main event at the Ar-

draw and prior to that time a six round draw. Both fighters tip the scales at 132 pounds and are reported to be in the finest condition.

Sewell Deane, of Salem, has been working faithfully for his match with Frankie Doyle, of Spokane, the pair to open the double main event with 10 fast rounds of real ring work. Deane is in excellent condition and has fully recovered from the operation upon his ear which resulted in placing him at a disadvantage when he met Charlie Dawson, of Eugene, in the last card. Doyle is expected to arrive in the city Tuesday.

Tickets will be placed on sale at the Smith cigar store Monday. Matchmaker Harry Plant announced last night.

GAME SCHEDULES ARE NOW DRAFTED

Major League Baseball Season Will Open on April 14; Close Oct. 4

PITTSBURGH, Pa., Jan. 3.—The drafting of the major league baseball schedule for 1925 to open Tuesday, April 14 and close October 4, was completed late today by the schedule committee of the National and American leagues which has been in session here for two days.

The opening dates for the two leagues were announced as follows:

National League—Pittsburgh at Chicago; St. Louis at Cincinnati; New York at Boston; Philadelphia at Brooklyn.

American League—Cleveland at St. Louis; Chicago at Detroit; Boston at Philadelphia; Washington at New York.

B. B. Johnson, president of the American league, who was unable to attend the first sessions of the schedule committee arrived here today, and participated in the final session. William Harridge, Mr. Johnson's secretary represented the American league at the sessions Friday. The National league was represented in the schedule making by President John Heydler and Barney Dreyfus, owner of the Pittsburgh club.

Mr. Johnson's only statement on baseball matters while in Pittsburgh was confined to the prediction that "baseball is in for a big year."

AUTO PARK TO OPEN MARCH 1ST

ready for rental again, and all of the money taken in from them will be clear profit. This money is money that would not otherwise be taken in by the park authorities. Each tourist formerly paid his fifty cents admission charge and pitched his own tent if he was fortunate enough to have one. The park is paying for itself, and new improvements are being added as rapidly as possible. Quite a substantial surplus is looked forward to at the close of this year, and it is expected that this surplus will be used to install new conveniences.

Possibly Community Hall

There is talk of building a community hall at the park, and if the plan can be carried out it will certainly add to the comfort of tourists, and at the same time provide a means of closer contact between the community and its visitors. No definite plan has as yet been worked out, but probably the hall will be a large one room building, or at the most, two rooms with cloak rooms adjoining these. Attractive displays might be arranged along the walls, showing some of the products for which the Willamette valley is most noted. Maps and scenic views might also serve as decorations, and incidentally as enticements for prospective settlers. Mr. Wilson, secretary of the Salem Chamber of Commerce, states that he could send a speaker to the hall almost every night

BEARCATS DEFEAT MULTNOMAH CLUB

Score Is 32 to 27 Last Night; Willamette Freshman Five Defeated

For the first time in many seasons the Willamette Bearcats took the Multnomah athletic club of Portland to a drubbing by a score of 32 to 27, in a hotly contested game at Portland last night.

The first half ended with the score at 23 to 13 in favor of Willamette, but when F. A. S. A. C. H. T. sprained his ankle and was taken from the game the Bearcats could not keep the lead.

The MAAC team gained steadily during the latter half and the game closed with the Bearcats having a four point lead.

The Willamette players showed the effects of the holiday tour by their playing during the second half. They lagged in their playing and were not able to keep the stiff pace, which they had established during the first part of the contest.

Willamette did not come off with all honors for the Multnomah intermediates trimmed the Bearcats, the Willamette frosh team, by a score of 27 to 23.

Santiam Woolen Mills Busy After Cold Spell

STAYTON, Jan. 3.—Re-plumbing and thawing water pipes seems to be the order of the day.

A. S. Davis of Astoria visited home folks recently.

L. Smith was called to the bedside of his sister, Mrs. Lucinda Miller, who suffered a paralytic stroke and is seriously low at this time.

The joint installation of Santiam Lodge No. 25, AF&M and the order of Eastern Star was a very enjoyable affair held on December 27.

The annual business meeting of the First Church of Christ was held at the Masonic hall New Years day and a very enjoyable time is reported. The reports show a very prosperous year just passed with a very bright future for 1925. Brother Ralph Putnam of the Court Street church gave the address.

Mr. and Mrs. E. B. Watters and Master Arthur Joy, spent the holidays at the home of Mr. Watter's sister, Mrs. Wm. Harlan at Mill City.

E. C. Downing has opened up an auto accessory business in the Mielke building.

Paul Feklen has moved to California where he secured a home in a trade with Lewis Arthur who

also traded the Feklen property for the Quinn hotel. Mrs. Quinn will move to the Feklen home and Mr. Arthur into the Quinn hotel.

The Santiam Woolen Mills are again busy after a forced layoff during the cold weather.

Max Harlan, a high school student, has returned after a visit with his parents at Mill City during the holidays.

Grandma Laux is very ill at her home here.

Some new machinery for the Mountain States Light & Power company was unloaded at Kingston during the cold snap and will soon be installed at the local plant.

Mr. and Mrs. Ben Chamberlin of West Stayton attended the watch party at the Christian parsonage.

Mr. and Mrs. Lyons of Texas visited with the latter's brother, Ira Bialock during the holidays.

REDUCTION MADE IN PUBLIC DEBT

(Continued from page 1)

compliments in the calendar year 1924, made public today, showed that \$925,434,706 was lopped off the debt. The reduction in the calendar year 1925 was \$1,072,250,610. A reduction of \$234,422,256 was made in the debt in the December operations alone and a further reduction is expected when the treasury completes its March financing.

Potentialities of Haiti To Be Viewed By Expert

PORT-AU-PRINCE, Haiti, Jan. 2.—Desiring to bring before the American public a true picture of economic conditions in Haiti, and the possibilities in an agricultural way of its wonderful soil, General Russell, the American High Commissioner, made certain specific recommendations to Washington.

As a result E. Verne Richardson, of the American consular service, was assigned the task of making an economic survey of the republic, and is already at work.

While the productivity of Haiti's soil is vaguely known to the people of the United States, few are aware that 70,000,000 pounds of the finest coffee are harvested annually from plants growing in a wild state and that amount represents less than two-thirds of

the berries that could be harvested by intelligent picking. Long staple cotton nearly the equal of sea island and superior to that grown in the United States, flour-

ishes in a wild state and produces annually about 3,000,000 pounds. Alligator pears grow wild and they are large and have an excellent flavor.

The Rotary Valve Doings

Announcement Extraordinary

In the past thirty days big advancement has been made with the engine and valves. In the demonstrating car of the AMERICAN ROTARY VALVES MOTORS CO.

The functioning of the valves and new type motors has far exceeded the expectation of all engineers and those concerned. Everything seems to be in fine tune and it is expected that the car will be on the streets and roads by January 5th. Those who are fortunate enough to be stockholders in the AMERICAN ROTARY VALVES MOTORS CO. will appreciate how fortunate they really are. The returns are bound to be tremendous.

The writer, Mr. Watts, who was sales manager for the above mentioned company, wishes to thank all those who helped to make it possible to create such a wonderful motor for the future and wishes them a prosperous and happy New Year.

Mr. H. H. Hodges and E. J. Watts have opened sales offices at 275 Oak street, corner Fourth, Portland, Oregon, and have for sale a very limited amount of the AMERICAN ROTARY VALVES MOTORS COMPANY'S STOCK at a cost considerably below the going price now demanded and will fill requests, mail or telephone, for a short time. \$35 per share.

We are also pleased to announce the sale of common stock for the KWICKWASH COMPANY, INC., a Portland Corporation of exceedingly bright promise. Mr. Joseph Dunne, of the Hazelwood Ice Cream Co., is the president and the directors are all well known Portland Business men of reputation.
