Truth is sensative and jealous of the least encroachment upon its sacredness.

Brilliant Records are Hung Up in All Lines of Athletic Endeavor

NEW YORK, Jan. 6 .- Sportdom as closed its greatest year. Over a twelvemonth that has brought the farthest ends of the world into competition, the remarkable growth of athletics in the past few years reached its most notable heights in 1924 with a kaleidos-copic array of colorful events, re-cord shattering peromances and new bounds of popular interest.

From a universal viewpoint the Olympic games at Paris, where his country's own fields of comprovided the most stirring spec-
