Repairs Made—Another outstanding feature of the past week's work at the Square Deal Welding company was the repairing of four drive gears used on a Cater tractor. As a result the Matona hop ranch was saved about \$75. In the repairing of the gears the worn teeth were built up by the electric welding process, by which steel was placed on the wearing parts, thus insuring a longer life for the gears. A material saving of money, time and labor was effected by the repairs. The process of welding and brazing is an interesting one and it is worth while to drop in at the shop for a few minutes and watch Charles Duncan wield the torch and reconstruct the broken metal parts into well finished fabricated articles.

A COUGH REMEDY WITHOUT OPIATES
Many cough preparations contain some one or more harmful drugs which are added to take the place of opiates. None of these narcotic substitutes have ever been used in FOLEY'S HONEY AND TAR COMPOUND. The name of every ingredient is plainly printed on every carton. You know what you are taking when you take Foley's. It clings to the throat. Good for old and young. You have a cough, why not try it. Refuse substitutes.—Adv. j-15-20-29

ARMORY REVIVAL

These meetings are increasing in interest and power. The public should take advantage of this opportunity to hear these sound, practical faith inspiring messages from the pure, undiluted Word of God, preached in the simplicity and power of the Holy Spirit; free from both fanaticism and cold, dead formalism. They are of national import as well as religious and effect every phase of life and class of society.

Thursday night Evangelist Peterson will speak on the subject: "The sword of the Lord and how to use it."

Friday night: "The multitude of them that believed were of one heart and one soul and great grace was upon them all."

Saturday night his subject will be: "Earthquakes"
