

CITY BOXING COMMISSION MAY BE APPOINTED BY COUNCIL SOON

SPORT FANS TO BE BENEFITED

Ordinance Governing Situation Lacking; Will Be Presented at Early Date

An ordinance providing for the establishment of a city boxing commission will be among several bills to be considered by the

council during some of the early sessions. At the present time it appears that the city boxing commission is not resting on as firm a ground as it might. No record of a city ordinance has been discovered and the only laws governing the situation are taken from the state rulings on the subject.

Because of the situation now existing, Chris Kowitz, city attorney, is working on an ordinance which will provide a better ordinance for the sport fans of Salem and will make it possible for a clean line of sports and sportsmanship to be shown here.

Because of the weakness of the boxing commission some deplorable acts have taken place and as a result the sport fans have suffered. In addition the few changes that are to be made with the present rulings will make it possible to present a better front to the sporting world.

Three councilmen are members of the boxing commission and it is the desire of Mayor J. B. Giesy to increase the number on the commission. When the matter was looked into it was found that no basis for the commission existed upon the books of the city.

LIQUOR PROBE IS APPROVED BY SOLONS

(Continued from page 1)
present operating cost of the justice court, including rent and stenographer, is approximately \$100 a month. Under the provisions of the bill the justice of the peace, with due frugality, might be able to retain almost \$100 a month for his services. The constable would also have to furnish his office but would be

health and

allowed some traveling expenses which would be approved by the county court.

Two school bills were introduced by Senator B. L. Eddy of Roseburg, the first providing that children attending public schools could, upon application of their parents, be excused for periods not to exceed 120 minutes a week to attend week-day religious education classes while the second calls for the establishment of junior colleges as part of the secondary school system of the state and the formation of the necessary districts. Any high school district having a total average daily attendance of 300 or more and an assessed valuation of at least \$4,000,000 could have a junior college.

Another bill for \$40,000 for an armory was introduced in the house yesterday by Representative J. W. Mott of Astoria, the equipment to be furnished by the state. The Clatsop delegation sponsored a bill for an annual appropriation of \$6,000 for maintenance of the John Jacob Astor experimental station instead of the present \$3,000.

Seven bills introduced in the senate were as follows:

S. B. 18, Eddy—Authorizing the establishment of junior colleges and high school districts.

S. B. 19, Eddy—To excuse children from public schools to attend schools for religious instruction.

S. B. 20, Beals—Providing for a severance tax on timber.

S. B. 21, Banks—Providing that operators of hotels, soft drink establishments, etc., whose licenses are revoked by a city council, may appeal to the circuit court.

S. B. 22, Strayer—Providing for the extermination of ground squirrels.

S. B. 23, LaFollett—Fixing the salary of the constable of the Salem district.

S. B. 24, LaFollett—Fixing the salary of the justice of the peace of the Salem district.

The 11 bills introduced in the house yesterday were:

H. B. 36, Carkin—To amend

section 8161 Oregon laws, extending protection to purchaser of merchandise or fixtures from action by creditors of vendor.

H. B. 37, German—Amending section 6471 Oregon laws, pertaining to payment of death benefits.

H. B. 38, Multnomah delegation—To repeal sections 5234 and 5235 Oregon laws, relating to tax levy in school district No. 1.

H. B. 39, Coffey—Amending section 6476 Oregon laws, to permit fraternal benefit societies to use for common benefit of all members surplus over accumulation required by state insurance laws.

H. B. 40, Hall—To amend section 9560 Oregon laws, defining the rights and privileges of drainage districts.

H. B. 41, Bailey—Pertaining to suits in equity, providing it shall not be necessary for the court in equity suits to make findings of facts.

H. B. 42, Bailey—Amending section 158 Oregon laws, pertaining to court decisions.

H. B. 43, Clatsop county delegation—Appropriating \$6000 annually for maintenance of John Jacob Astor experiment station.

H. B. 44, Mott—For acquiring site and building an armory, equipping and furnishing same at Astoria.

H. B. 45, Woodward—requiring annual physical inspection of children attending elementary public schools.

H. B. 46, Bailey—To amend chapter 96 laws of 1923, pertaining to substitution of security for state bonus loans.

SOLDIER HOME HEAD BUMPED

duties in sympathy with the purposes of this institution. The removal of Commandant Hendershott is entirely political, and not for the good of the service.

"I wish to call attention to the fact that when I became governor in January, 1923, I could have removed Commandant Riddle at any time from his position had I acted as the majority of the board is acting today. However, I allowed him to be retained until August, 1924, and he would have been there yet had not a sufficient cause arisen for his removal.

Willamette Frosh Team Meets Lincoln Tonight

Tonight at 7:15 in the Willamette university gymnasium, the first year Willamette men will meet the Lincoln high school players of Portland in a basketball contest.

Salem high school narrowly defeated the Lincoln men, a few nights ago. The Bearkittens Tuesday in Portland downed the Jefferson high school quintet by a large score, and seem to have greatly improved in their playing ability. A close contest is expected tonight.

WILLAMETTE LOSES BY SCORE OF 70-10

SEATTLE, Jan. 15.—University of Washington rushed Willamette university basketball players off their feet in a Pacific northwest intercollegiate game here today, winning, 70 to 10. The score at the end of the half was 44 to 0.

The Husky regulars gave way to a substitute team in the second half which held the Bearcats scoreless until the last 10 minutes of play when the visitors scored 10 points. The purple and gold second team scored 34.

Willamette scoring—Field goals: Fashnacht 1; Hartley 1; Emmel 1. Free throws—Fashnacht 2; Hartley 2.

Referee—Bob Morris, Seattle.

We don't know of a man on earth whom we would rather see locate permanently with his family than Wiley Ecton.—Osborn Enterprise.

SANDERS GETS SECRETARYSHIP

WASHINGTON, Jan. 15.—Changes in President Coolidge's official family following closely one upon the other brought today the announcement of the resignation of C. Bascom Slemph of Virginia as secretary to the president and the selection of Everett Sanders, a member of the house from Indiana, as Mr. Slemph's successor. The announcement of Mr. Slemph's intention to retire did not come with the startling suddenness that has attended some of the recent changes for his resignation had been regarded in Washington as more than a probability since

the November election. He will give up the secretaryship about the first of February and will resume the practice of law. The selection of Representative Sanders was more unexpected. The Indiana congressman, one of the younger members and yet one of the leaders of the house, did not stand for reelection last fall and had announced his intention of returning to Indiana to practice.

If Quick Starting Was Enough Any Good Gasoline Would Do!

Any gasoline can be made quick-starting—and most of them are. But there's much more than this to the matter of a proper motor-fuel.

FOR EXAMPLE: Non-detonating gasoline is quick-starting, but it has other and more important qualities. Its explosion progresses—with resulting power that is smooth!

A sort of "rain of impulses" falls upon the piston from the explosion of Non-detonating Union Gasoline.

And those impulses continue throughout the entire length of the piston's stroke.

This permits the motor to accelerate with a swift, vibrationless pick-up and to attain an even, gliding, stressless speed.

"Knocking" on hills, and in heavy pulls, also is minimized. Likewise wear and tear. The non-detonating thrust is strong, and saves the straining of the de-tonating crash.

Non-detonating Union Gasoline is refined from the best crude oils by one of the largest and best equipped oil companies. That is insurance of high quality, and your motor's best performance when this fuel is used.

Sold through Union Service Stations and independent dealers everywhere.

Union Oil Company of California
