

## ARTILLERY AWARD GOES TO PORTLAND

Oregonian Trophy to Be Presented Battery A, 148th F. A., in February

The Oregonian trophy for the largest average attendance at all drills during the year 1924 was awarded Saturday to Battery A, 148th Field Artillery, Portland, of the Oregon national guard, after a spirited competition among the organizations throughout the state. The drill attendance record of Battery A, Oregon's oldest military unit, was said by Brigadier General George A. White, to be the most remarkable record of high attendance on record, a rating of 100 per cent having been held by the battery at every one of its 60 drills during the year.

In 16th place at the end of 1923, Battery A started its phenomenal record with the beginning of the new year and has not lapsed in a single drill during that time. The battery took 105 men and its five officers to camp of field instruction. It earned over \$16,000 in federal payroll checks during the year, the largest sum credited to any single one of the 45 units in the state.

The large silver trophy will be presented early in February at the 58th anniversary of the organization of the battery, which

## SERIOUS LUNG TROUBLE STARTS WITH COUGHING

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe **BAL-SAM-E-A** for all bronchial affections. **BAL-SAM-E-A** is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Ozburn, Anderson, Mo., writes: "I have used **BAL-SAM-E-A** for my practice and family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of a herb from a native plant were immune from the ravages of influenza. He used these herbs among his white patients and these in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

**BAL-SAM-E-A** has now been standardized and gives uniformly miraculous results in four ways: 1. It soothes the inflamed membranes and relieves irritation. 2. It increases secretion of mucus and permits easy expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking virus action immediately.

Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies **BAL-SAM-E-A** is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children. Be sure you get **BAL-SAM-E-A** with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back. All druggists sell **BAL-SAM-E-A**. In Salem buy it from J. C. Perry, the druggist.

"I recommend you about immediately," writes Mrs. L. C. San Francisco, after using **BAL-SAM-E-A** in a small quantity who suffered from bronchitis. "Give me it to your children."

has seen service in two wars and on the Mexican border. Capt. W. D. Jackson, its present commander, and all its officers, as well as many of the non-commissioned officers, served with the battery in France in five battles. The trophy presentation address will be made by Edgar B. Piper, editor of the Oregonian and one of the donors of the silver cup. The cup was won last year by Company K, 162nd infantry, Tillamook.

## IS 98 YEARS YOUNG AND GOING STRONG

J. H. Baughman, Grand Old Man of Woodburn, Is Given Birthday Celebration

(The following news item was printed in this week's issue of the Woodburn Independent.)

**Ninety-Eighth Year Celebrated**  
J. H. Baughman, our esteemed citizen and grand old man, reached the 98th milestone of his age Tuesday, January 13, and was like a youngster as he greeted the children who make their home with him, Mr. and Mrs. H. T. Baughman, and other children, Mr. and Mrs. D. W. McKay of Vancouver, Wash.; Mr. and Mrs. Geo. Vinton and daughters, May and Ruth, of North Howell; W. H. Baughman of North Howell; John and Dale Baughman of Woodburn, also old friends, W. T. Rigdon of Salem and E. L. Townsend of Monitor. He received a large number of gifts, including 12 packages, 22 cards of remembrance, three floral emblems and a letter by air mail from Chicago from a nephew. A big dinner was served and the honored host had as good an appetite as any of those present. Among the packages were boxes of candy, which he is very fond of and proudly displayed the feasts of sweets awaiting him. Judging from his health and constitution, Mr. Baughman will go over the 100-mark. He possesses all of his faculties, is a great reader, and reads like he did in his old blacksmithing days. He is a fine old man and all Woodburn joins the independent in extending congratulations.

## Employment Situation in Salem Shows Lump

The labor situation in Salem for the week ending January 11, shows a decided slump in comparisons with former weeks. Of the 134 applications filed with the government employment office operated at the Salem YMCA by Sim Phillips, only 39 workers were actually placed. The record of the past week shows that 51 help wanted calls were made, and of this number 45 persons were referred and of this number 39 were reported placed.

Common labor was given as the occupations of the greatest number of workers and 23 of the 69 applying for labor were placed. Two carpenters, two garage workers were also cared for.

Women workers were given two places and the remainder of the 21 applying for work were not placed. One cook and one housekeeper were placed.

## YOUR INCOME TAX No. 4

The revenue act of 1924 provides that the status of a taxpayer relative to the amount of his personal exemptions shall be determined by apportionment in accordance with the number of months the taxpayer was single, married, or the head of a family. Under the preceding act the amount of the exemption to which the taxpayer was entitled was determined by his status as a single person, a married person, or the head of a family on the last day of the taxable year. December 31, if the return was made on the calendar year basis, as most are.

For example, a taxpayer married on September 30, 1924, would be entitled to an exemption of \$1,375. For the first nine months he is classified as a single man entitling him to an exemption of \$750—three fourths of the \$1000 exemption allowed a single person—and for the last three months he is entitled to an exemption of \$625—one-fourth of the \$2500 exemption allowed a married person.

If on June 30, a taxpayer ceased being the head of a family—the support in one household of a relative or relatives being discontinued—he is allowed an exemption of \$1,750—one-half of the exemption of \$1000 granted a single person plus one-half of the exemption of \$2500 granted the head of a family. With regard to the \$400 credit for a dependent, the taxpayer's status is determined as of the last day of the taxable year. His support of such dependent ceased, he is not entitled to this credit.

## AMERIC CLUB IS SPONSOR OF MIX

Salem High Folks to Present Vaudeville January 29 to Secure Funds

What promises to be the vaudeville superior is to be staged by the Salem High School Americ club January 29 at the Blich theater, and will be the best offering of talent in the school. The club is sponsoring the vaudeville in order that the students may raise funds to be used towards the purchase of motion picture equipment.

Experienced vaudeville will not be able to hold a candle to the offerings that are to be staged by the Americ club. They have secured the high school's best known talent to present an eight-act show that will be a top-notch-er. The following program has been arranged:

Lestle Sparks and a crew in a tumbling exhibition; Win Gner, Maureen Styles and Jack Harblson in an offering that will keep you guessing; Jack Spang is to come in for his share of glory with some of his magic and Edward Lewis is to help with this act.

Dancing in front of the scenery, while the back lot is getting ready for a big scene, will be the feature of Faye Wasson. Singing duets in true vaudeville style will be the feature by Gene Parmentier and Ronald Craven.

A saxophone trio, headed by Marvin Headrick, is to be a stunt that will bring down the house, while Clarke Durham and Eldon Foster have arranged a burlesque number that has a treat for the audience. Other numbers are to be put up for vaudeville fans for that night.

## Why Many Mothers Are Thin and Pale

No one perhaps suffers a greater drain on strength, nerve force and vitality than the woman who has children to care for. Yet Science has now perfected a remarkable new strength giving combination which has enabled thousands of nervous tired-out mothers, often in only a few short weeks, to build up and renew their strength, energy and physical and mental endurance.

Any doctor will tell you that a great many mothers lack sufficient iron—organic iron—in the blood. Without sufficient of this organic iron nothing you eat does you the proper amount of good. You don't get the strength out of it, so you become weak, pale and haggard-looking, nervous, irritable and easily upset.

In such cases what you need is organic iron—Nuxated Iron—to enrich the blood, and revitalize worn-out nerves. For Nuxated Iron is organic iron, like the iron in your blood, and like that in spinach and lentils. Try it for just two weeks and notice the marvelous improvement. Money back if not delighted. But be sure you get genuine Nuxated Iron with the letters "N" on every label. This is the only kind sold under this absolute guarantee. At all good druggists—Adv.
