#### THE SIX LETTER WORD THAT SOLVES A THOUSAND PUZZLES

Systematic Savings of Your Extra Earnings Means:

- Freedom from money worries.
- To make you a free man instead of a wage slave.
- Bridging the space between yourself and financial independence.
- To make possible the pleasures and comforts of life!

## Growing Whiskers

What are thought to be the longest whiskers in the world are worn by an American in the middle west. They are 17 feet long-and it took 77 years to grow them.

Recently an eastern professor died, leaving an estate of \$300,000. His annual salary never exceeded \$1800 a year. Too many men take no thought of tomorrow and spend their time growing whiskers.

What Are You Growing?

## **Actually Saving Millions**

This America of ours is getting to be a big country. Did you know that our people save a total of about \$30,-000,000 a day? It is true. Think of it. About 30c a day for every man, woman and child in this country-and yet there are plenty of people who are not saving a cent, and spending money faster than they make it.

Be a WISE one and join the savers.

Start a savings account in the First National Bank and begin growing a competence.

Money in the bank is working for YOU day and night and is always ready at your instant call.

Resolve now to make 1925 a more successful year. A book is ready for you.
