BIBLE THOUGHT AND PRAYER

by Radio BIBLE SERVICE Bureau. Cincinnati, Ohio. their children memorize the daily Bible selections, it will pro a priceless heritage to them in after years. January 22, 1925
KINGDOM IS WITHIN: Neither shall they say, lo here; or, there! for, behold the kingdom of God is within you. Luke 17:21. PRAYER:-May we this day enthrone Thee, O God, most Merciful secretary and treasurer, of which and Mighty, supreme in our lives, that the Kingdom of God may

THE WORLD'S BEST CELERY DISTRICT

The Slogan editor has been saying for a long time that retary and treasurer. The executhe Salem district can grow and does grow the best celery live committee of such state comin the world. Here are some proofs: Eugene celery in 1921 took second prize at the national celery contest; and Prof. district committees, of which the Bouquet of the Oregon Agricultural College said the Oregon state chairman shall be ex-officio exhibitors gained a greater victory than the taking of the chairman. prize in that contest. Troutdale celery took first prize in 1922 at the national contest at Indianapolis-and it was taken by a man who was a celery grower before coming to Oregon in the famous Kalamazoo, Michigan, district.

Last year Oregon celery took all three prizes-first, sec- bership a chairman, secretary and ond and third, at the annual meeting and exhibition of vege- treasurer. table gardeners at Louisville, Kentucky-

And at the annual banquet held there the name of Ore gon as the greatest of all the celery states, in point of name of the party represented,

quality, was on the tongue of all the experts gathered there. The Labish Meadows district, just north of Salem, preduces as high quality celery as can be grown in Oregon-

And by the same sign the best in the world. The Labish Meadows celery, 200 car loads of it in 1923 ally exercised by such committees Jensen, Wynola Desart, Florence and over 300 car loads of it last year, shipped to points outside of Oregon, brought \$1 a crate above the price of the famous California celery. That means \$160 to \$180 a car above the

market price for the California product. Do you realize what else that means? It means the de- duties herein prescribed until their June as in former years. The velopment here of a gigantic celery industry. Our district successors are chosen in accord- dues will remain the same, half will ship out about 500 cars this year. The acreage will ance with this act. The duties of of them wil be due in January grow every year. It may go up to 4000 to 5000 cars annually, committee, when the committee is and in a few years. It is bound to become such a gigantic in- not in session, may be performed dustry in good time, because of the immense money value of by members of such committee quality. It is enough to make up the difference between selected by such chairman or sec-

profit and loss, or between small profits and large gains. The world is the market. Celery fresh from our fields the same manner as that in which now goes in car lots to the big cities throughout the whole such officer was originally chosen.

The pioneering has been done. The proofs are at hand. Our growers can produce celery and make it a profitable crop tives, for the state senate, and for on wide areas-

But, what is more important, they can produce celery of nominated by each political party the best quality grown in the United States; which means the

best in the world-and they are doing just this. For the Salem district, this is another case of taking the such political party whose term at the First Presbyterian church line of least resistance; of getting above competition; of pro- of office extends beyond January Sunday morning at the regular ducing the things we can produce better than any other district, or at a lower cost, or at greater profit; of doing the

things at which we excel. There has been a lot of progress in the celery industry of each party, and shall meet at hibit the labor of persons under here in sixteen years; in three years. What was a dream a the capital at 12 o'clock noon on eighteen years of age. short time ago has partly come true; is a clear vision now; a date on which any primary is held held an authority on educational certainty of some time in the future, and perhaps not far preliminary to any general elect and welfare questions, and by distant future.

There is no mystery about the celery industry here, party council shall be determined has made hime a powerful factor What one man has done, or what a few men have accom- by the list of party nominees and what one man has done, or what a few men have accomparty candidates duly certified by plished, can be duplicated with equal industry and intelligent the secretary of state as on file in his office. Such party council of soil and sunshine and showers that make possible the grow- shall be called to order by the ing of the highest quality product the world can show in this secretary of state, or by one of

One more point: There is no monopoly in this field; nor the party council shall organize It's any secret. Only hard work is needed to succeed in the by electing from its own membercelery industry here; hard work and horse sense.

The pioneers have made a lot of progress, but they are They shall thereupon forthwith The pioneers have made a lot of progress, but they are formulate the state platform of ready to share their knowledge with any comer who desires their party, choose or alter the to engage in the industry. They have succeeded in reducing party emblem, and shall perform by brewing a mixture of Sage the cost of growing celery from around \$1000 to \$1200 an such other business as may propacre, down to around \$600 an acre. They are even producing erly be brought before such a the face. When it fades, turns part of their own celery seed.
