

PORTLAND PUGILIST WINS IN MATCH AND STARTS FOR SALEM

GARDEAU HERE FOR BIG FIGHT

Biggest Boxing Event in History of Salem Is Promised Fans Tonight

Billy Gardeau fought McCormack to a draw in Portland last night but was robbed of the decision, according to word received from his manager. Gardeau finished the fight in excellent condition and left on the 1 o'clock train for Salem. Jack Benton won over Tanner in their bout.

Gardeau likes a good 10-round battle before and after each meal and has been known to fight at least three stiff matches in a week's time. The little affair last night was sufficient to keep him in trim for his match with Charlie Dawson, with whom he is matched for 10 fast and lively 3-minute rounds. He will give a shadow-boxing exhibition at the Armory at 3 o'clock and fans are invited to come and look him over.

Advance sale of tickets is keen, though many are delaying until the outcome of Gardeau's fight in Portland was known here. One of the largest crowds in boxing history in Salem is expected at the Armory tonight when the first curtain raiser starts promptly at 8:30 o'clock. As in the past the fights will begin on time.

Several snappy preliminaries have been arranged, which include the appearance of the skilled Fox twins, of Independence. In the semi-final Spike Crossan, of Salem, and W. Hennings, of Portland, will mix for six fast 3-minute rounds.

PARRISHERS BEAT FALLS CITY TEAM

Polk County Basketball Squad Goes Down Before Score of 21 to 10

The J. L. Parrish junior high basketball team found little opposition in defeating the Falls City quintet here Wednesday by a score of 21 to 10. Blake of Salem was high point man with 8 points to his credit, while Horn of the visitors was second with 6 points. The game was fast and played before a good crowd.

D. Lush, Falls City center, was a big fellow, standing well over six feet in height. Though out-sized, the locals proved decisively that they were not outclassed.

Friday night St. Paul will play here and Saturday night the Parrish team meets Independence at Independence.

Lineup of the two teams last night was: Parrish: Nash and Iker, forwards; Blake, center; Phillips and Kelly, guards.

Falls City: L. Lusk and Horn, forwards; D. Lush, center; Wingo and Neal, guards.

Referee—Mason, of Salem.

at least two nights a week to get acquainted with their children.

Senator Sam Brown of Marion county spoke strongly as opposed to the child labor amendment to the constitution. He said unfair tactics were being used against members of the legislature who were opposed to the amendment.

Senator Brown declared that he did not believe that congress should have power to prohibit the labor of children under 17 years of age and that the present proposed amendment was the entering wedge of Bolshevism, as far as children were concerned. He objected to congress regulating the labor of children working at their homes or on the farm.

Judge John H. Scott spoke in favor of a Marion county soil survey and the federation went on record as requesting W. J. Powers, chief in soils, Oregon Agricultural college, to make a soil survey of Marion county.

Dr. Walter H. Brown who will be in charge of the five year child health program in Marion county of the Commonwealth Fund association spoke briefly saying that he hoped to make Marion county known throughout the world for its health of boys and girls.

The auditorium of the Chamber of Commerce was filled to capacity and the meeting was voted as one of the most interesting of the past year.

Chart Talk Is Given To Jefferson Students

Benjamin Kimber, of the county YMCA, left at 8:30 Thursday morning for Jefferson where he stayed one hour. During that hour he spent ten minutes explaining an intellectual chart to the high school student body and then waited 50 minutes for them to fill the chart out. The chart asked for an estimated value of their lives, divided into four sections: Intellectual, physical, service to others and devotional. The estimated values, made by the students themselves, averaged 70 intellectual, 70 social, 48 physical, and 38 devotional. The highest personal average was not over 85.

This chart will be followed up by the YMCA with a series of lectures for the purpose of improving

the chart and helping the students. The chart has been given to the high school students of Turner, Aumsville, and Jefferson, or to a total of over 190 high school students, of these over 75 per cent expressed a desire to talk the chart over with mother or dad.

It is interesting to note that, according to Mr. Kimber, the majority of the students gave themselves too low rather than too high a grade.

ROSEDALE

Last Sunday the officers of the Sunday school for the coming year were elected. During the past quarter the Sunday school has had a contest, and as a result 11 have their names on the honor roll for learning the memory verses.

Rev. Mr. Thomas has gone to Idaho to hold special meetings, therefore the meetings which were announced for the church, will not be held at present.

Mr. and Mrs. Liechty were Rosedale visitors last Sunday.

PRINGLE
