Three-Year-Old Nominated For Churchill Downs Meet!

Louisville, Ky., Jan. 30

More than 150 of the fastest three-year-olds in the country probably will be nominated for the 51st renewal of the Kentucky Derby at Churchill Downs next May 16. Last winter 174 entries were named for the \$50,000 classic, and the number of high class two-year-olds developed this season indicates as many or more will be in the race before nominations close the last week in February. Of the large number originally made eligible, only rarely do more than a score start in the big race.

Lists of probable nominees already have made their appearance, based upon the form race horses are showing, and a large number of two-year-olds of the 1924 meet are prominently mentioned.

Captain Hal, Master Charlie and Stimulus, three sterling performers, are among the early favorites, while the names of Candy Kid, Mother Goose, Single Foot, Star Lore and Swinging are held high by their backers.
