**VICK BROS.**

ing at the Salem Chamber of Commerce noon luncheon yesterday. He got a hand when he told of the good work of the institution for the feeble minded; and his advocacy of work for all who are in penal institutions met with approval.

Dr. Sun Yat Sen, who has died so many times, is up against the real thing, with a case of cancer, this time. He is one of the big men of China—and one of the big men of the world; an Oriental with a universal mind and heart.

Down in Texas they have a self-service hotel that is said to be operating successfully. It seems strange—outside of Texas. In Oregon no guest would want to make his own bed or give himself a 6 o'clock call. If there is any place a man wants service by others rather than by himself it is in a hotel. Some things may be run with a self-starter, but a hotel is not one of them; outside of Texas.

most in this world, not who added most to material things but who has done most to protect life. It isn't the high position that counts. It is the application to the task before us."

In closing he spoke more directly to the seniors. "If you are choosing a life activity are you asking yourself how you can make the most money or how can you do the most service to fellow men?" He explained that their education was not yet completed. "No one is completely educated as long as life exists. You must be ready to face new problems. Present knowledge is but a stepping stone to the future. Things are not as we like—if they were there would be nothing for us to do. The challenge of the impossible calls us out. And no one has ever attempted anything too high."

## CITY NEWS IN BRIEF

### AT THE THEATERS TODAY

**"Oregon"**—Florence Vidor and Lewis Stone in "Husbands and Lovers."

**"Liberty"**—Bebe Daniels and Norman Kerry in "Daring Youth."

**Prowlers Enter Home**—The residence of Mr. and Mrs. Zine Zinn of 904 Trade was entered sometime last night before 10 o'clock while the residents were at a show. It is reported that about \$6 in money, a ladies' gold watch and a safety razor was taken. Entrance was gained by prying off a screen door.

**Has Injured Foot**—Little Irene Steike, age 8 years, of 733 North Twentieth suffered from an injured foot when she returned from school Monday evening. No reason was given for the injury, except that she became lame and was unable to use the foot.

**Athlete Injured**—Lawrence Winslow, member of the Willamette university Basketball team is suffering from an infected knee resulting from an

injury received in basketball practice. He has been suffering several days from the infection, but it was not until yesterday that it became serious enough to command the attention of specialists.

**Of Course You're Going**—To the Y. M. C. A. concert Tuesday night, Methodist church. F3

**Police Court News**—Fines were imposed yesterday for the infraction of the speed law upon M. H. Lytle, H. M. Covey, D. L. Krebs, Glen Drager and A. Chameross for a total of \$27.50. Four others, however, forfeited sums ranging from \$5 to \$10 each. They were E. Zuscher, R. F. Goodwin, M. J. Holmes, \$10, W. E. Pul, \$10, and E. Robertson \$5.

**Poultry Keepers**—FREE chick feed given to all ordering one hundred or more chicks from Feb. 2nd to 7th. Our new location, 264 North Cottage, Salem Chickeries, Salem. Feb 3

**Bicycles Stolen**—Five bicycles were stolen from various parts of the city last night according to the police blotter. The youths reporting losses were Edward Strand, Slater R. Smith, Hayes Beall, Gerald Riggs, and Ben Taylor. Often times the wheels are taken by people who ride them for a few blocks and leave them deserted upon a side street or near the down town district.

**Mistress Irene Hall**—Is again employed by the Model Beauty Parlor. She welcomes old and new customers. She's some marceller. F2

**Chief Visits in Salem**—Charles A. Murphy, chief of police of Astoria was a visitor at

the Salem police station last night to pay his respects to Chief of Police Minto. The latter, however was in attendance at the city council meeting and therefore was unable to meet the visiting chief.

**Building Permit**—I. M. Boyer is to erect a garage at 175 North Twenty-fourth, which will cost \$300, according to a building certificate issued by City Recorder Pouslen yesterday.

**For Sale**—Corona typewriter, cheap. Needham. 268 N. Cottage. F3

**New Member Introduced**—C. L. Newman, manager of the Army & Outing store was introduced as a new member of the Chamber of Commerce at their regular meeting yesterday. Mr. Newman recently took possession of the store at 189 North Commercial street.

**Moore to Entertain Bethany**—The Moore's music school will entertain the Bethany school next Friday night at the meeting of the neighborhood. The entertainers have secured Miss Treda Thompson, head of the sheet music department, as their pianist and she will assist in the program. Charles Muston will entertain with a selection of Scotch songs, Wendell Helm and Lester McCormick at the piano with E. W. Moore at the violin and the saxophone.

**Of Course You're Going**—To the Y. M. C. A. concert Tuesday night, Methodist church. F3

**Open to Meetings**—The Chamber of Commerce has the only auditorium and committee rooms in the city that are open without charge to all meetings that work for the good of the community, according to the weekly bulletin of the organization.

**Staff Goes to McMinnville**—Adjutant General George A. White and his staff attended the military tournament of company A, 162 Infantry, at McMinnville last night. Several faithful service medals were awarded serjice men.

**WMCA Committee Met**—The Marion committee of the YMCA met at headquarters at 2:30 o'clock on Sunday and outlined plans for conducting the affairs of the association for the coming year. The attendance was good and the interest was remarkable. U. S. Crowder was made chairman of the finance committee and will have charge of the organization work.

**Guest of Kimball**—The Rev. D. A. Thompson, syndical executive of the Presbyterian senate of Oregon will be a guest of the Kimball School of Theology on Tuesday, February 3. Dr. Thompson will address the students in the morning chapel hour upon the theme, "The Simplicity of the Gospel." At 3 o'clock in the afternoon he will give an address to which the public is invited upon the theme, "The Call of the Country Church."

**PRIMARY BILL PASSES HOUSE**  
(Continued from page 1)

Swan, compelling women to serve on juries unless first giving 15 days notice otherwise; the measure being based upon economic reasons; HB No. 10, by Swan, making an applicant for a dance hall outside of the city limits to obtain the endorsement of 12 freeholders in the respective school districts and providing for a \$500 bond to insure good faith; HB No. 56, by Fuller, placing peace officers under the workmen's compensation act and providing for their families. The act is to become effective January 1, 1926.

HB No. 144, by Reynolds, relating to street vacation notices; HB No. 203 and 210, by the committee on forestry and conservation, providing for a fire patrol and acceptance of cut over lands as a step toward reforestation, were also accepted by the house.

Two bills introduced by the committee on education, No. 208 and 210, putting certified teachers from outside the state on a basis with Oregon teachers and prescribing grades received by teachers in examinations in other states, were also passed. SB No. 31, relating to livestock brands, was also approved by the house.

The fourth week of the session was opened with prayer by Rev. Martin Fereshtelian, pastor of the Unitarian church.

**MANY MATTERS ARE TAKEN UP AT MEET**

City Council Grinds Through Gist of Detail Business That Consumes Time

Mrs. Ella R. Williams presented the city of Salem with a strip of land which will allow the extension of 22d street, without cost to the city or of condemnation proceedings. Following the conference of the aldermen, it was decided to accept the quit claim deed and to make the property a part of the city. Consequently the city recorder was instructed to record the deed for the property donated the city.

Outside of voting on the traffic ordinance and dog catcher ordinance the city council went through a gist of detail business which consisted of every phase of the city work. Reports were received concerning the covering of the watercourse on Division street, the rejection of a petition for pavement on University street from Mill to Bellevue. The lack of funds caused the council to reject the petition filed by residents for a pavement on 17th street between Chemeketa and Center. However petition of J. Williamson to erect a filling station at 2025 Fairgrounds road was sanctioned. The petition for vacating portions of Leslie street will be considered later.

The matter of vacating Oak street was favorably acted upon by the city council, after the proposition had been explained by Attorney Bayne, who represented the interests of D. J. and H. E. Fry. The petition asked for the vacating of the street from High to Church.

The Pure Food grocery presented an application to sell soft drinks, which was referred to the proper committee.

Alderman Johnson, chairman of the police committee asked for more time to consider the application of the citizens of south Salem who are asking for a patrolman to be assigned to their district. At the present time the city has no officer who patrols that part of the city. South Salem has shown a wonderful development and they are in need of police protection there.

The fire department dequilted a supply of hose, helmets, spanners and wrenches to care for the needs of the coming year.

Eight applications were received for pool and billiard rooms, soft drink parlors and rooming houses and hotels to conduct their establishments.

Plans and specifications were presented for the improvement of Maple street, from Highland to South, and of South from Maple to Cottage.

Petitions were filed for a street light at Superior and Ohio, the extension of the sewer from Highland to Hazel and Laurel, the improvement of Shipping from Capitol to Cottage, the paving of Nebraska to Capitol and 15th, and of Church from Howard to Lefelle. A petition of J. Williamson to erect a sign for an auto camp and garage was considered.

An old shed at 14th and Leslie belonging to the city; is to be torn down, according to the instructions given the city engineer by the city council last night. It is considered a fire hazard and a harbor for tramps.

The Salem city council is in favor of the organization of smaller towns and cities, according to the resolutions introduced and passed last night, concerning the action of the different mayors.

**Street Repair Committee Appointed at Council Meet**

The present needs of the city for the repairing of the streets are to be taken care of by a committee selected from the various departments of the city and from among the citizens, according to the motion introduced by Hal D. Patton, at the regular meeting of the city council last night. The poor conditions of the streets leading into the business part of the city are in bad condition. Each year they are becoming worse and worse, with no chance for their improvement. The city funds are not sufficient for the replacing of the streets and sometimes not sufficient to allow for extensive repairs. The committee, however, expects to work out some solution to tide the city over the emergency.

The street committee of the council, the ways and means committee, the street commissioners, the city engineer, members from the four Salem banks, four heavy property owners of Salem and Mayor Giesy.

Members of the county court are to be invited to sit with the street repair committee. In addition, the committee is to see whether some plan can be formed that will allow the city to secure some of the road money that is used by the county, and which should be turned back to the city, it is claimed.

If you had nothing to worry about you would worry about that.

**GRADUATES HEAR FINAL ADDRESS**

Rev. Judy Delivers Baccalaureate Sermon at Silvertown Sunday

SILVERTOWN, Ore., Feb. 2.—(Special)—For half an hour Rev. Clayton Judy kept the undivided attention of his several hundred hearers Sunday night at the Eugene Field auditorium when he gave the baccalaureate sermon for the 25 mid-year graduates of the Silvertown high school. The audience was so quiet during Rev. Judy's address that, in spite of the continuous down-pour on the roof, every word of the speaker was carried throughout the large auditorium.

Although Rev. Judy announced that he took for his text "Dispise not thy youth," he so stressed service that one would be tempted to say that "He who would be first must become servant to all," a quotation he frequently used, was the theme of his talk.

"Measuring value of lives gone by," he said, "we are directed to those who have rendered service to fellowmen. Men of wealth and power live but for today and are forgotten. But he who has helped his fellowmen—no, matter how humble a service—that life never dies. If we wish to add a contribution to life we must learn to serve."

"Most men," he went on to say, "are not valuing life with its right value. We are valuing things. Life is sacrificed to make things safer. He has not done
