Resolution is Adopted By First Methodist Board

When the official board of the First Methodist church accepted the resignation of Rev. Blaine E. Kirkpatrick, who will become general secretary of the Epworth League department March 1, the following resolution was passed:

Whereas, Dr. Blaine E. Kirkpatrick has served the First Methodist church of Salem, Or., as its pastor for over four years faithfully, loyally and efficiently; and

Whereas, he has now been promoted in the work of the church, as secretary of the Epworth League division of the work of the board of education of the church, to which position he must give his immediate attention;

Now, therefore, be it resolved by the official board of the First Methodist Episcopal church of Salem, Or., that we regret the necessity of losing so efficient and loyal a worker and pastor, but that we rejoice in his success and to give our whole-hearted loyalty and great undertaking. We realize that his success is our loss, but having in mind only the welfare of the church in general, we acquiesce in the necessary change cheerfully with the determination to give our whole-hearty loyalty and support to whomsoever may be called to fill his place; and

Be it further resolved, that a copy of this resolution be furnished to Dr. Kirkpatrick and his family, a copy also to be spread upon the minutes of this board, and copies be given to the press and one copy mailed to the Pacific Christian Advocate.

DRUGS EXCITE THE KIDNEYS, DRINK WATER

Take Salts at First Sign of Bladder Irritation or Backache.

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. By all means have your [illegible] at least twice a year.—Adv.
