system of the drill and further cribbing built in the corner of the shaft where the drill is exploring. H. T. Carmichael, in charge of the sinking of the shaft, said today that his maximum estimate of the time necessary to reach Collins' depth was Sunday, but that location of a crevice or tunnel leading to him might make it a question of a few hours.

The more optimistic of the diggers when the "soft spot" was located by the drill, held hopes of reaching Collins some time tonight, but by 10 o'clock most of the engineering and military officials were back in Cave City in bed. Their nervous tension, however, was indicated last night when a false rumor spread that Collins had been located. Within 15 minutes the camp was aroused and the officials hurried out from Cave City only to find digging and timbering proceeding as usual.

The Independence business men are to visit Salem Friday evening for the purpose of engaging the Salem business men in basketball, volleyball and indoor ball contests. The contests are to be staged at the old gymnasium of the Salem high school.
