After eating or smoking Wrigley's freshens the mouth and sweetens the breath.

So easy to carry the little packet in your pocket! So important to have when the mouth needs cleansing and freshening!

Odors of dining or smoking quickly disappear—teeth are brightly burnished. Smiles just naturally come because nerves are soothed, throat is refreshed, the stomach relaxed and digestion aided.

Wrigley's is more than a sweet—it's a positive benefit. Many doctors and dentists recommend it.
