Game Lost in First Three Minutes When Oregon Guards Blow Up

EUGENE, Or., Feb. 20.—The Oregon Agricultural college basketball team defeated the University of Oregon team here tonight by a score of 34 to 30.

The game was lost in the first three minutes when poor checking by Oregon allowed the Aggies to run a score of 10 points.

Westergren, flashy Oregon guard, and Brown, Aggie center, tied for high point honors with 12 counters each.

Westergren's outstanding floor work accounted in a large measure for Oregon's showing.

This defeat does not eliminate Oregon in the coast conference race, for if remaining games are won she will tie for leadership.

ACTION IS TAKEN TO DUST SENATORS

Republicans Determined to Take Committee Places From Independents

WASHINGTON, Feb. 20.—Republican leaders of the senate have determined to remove from their present committee places the four senators recently read out of the party councils—La Follette, Ladd, Brookhart and Frazer.

La Follette was read out of the party at a republican senate conference before the beginning of this session because of his action in running as an independent presidential candidate against the nominee of the republican party.

The other senators were excluded from further conferences because of their support of the Wisconsin senator.

Republican leaders in the house in determining the personnel of committees plan to follow the line mapped out in the senate. Of the dozen La Follette followers who are to be barred from future republican house conferences, those who hold chairmanships will lose those posts.

While the insurgents probably will be reassigned in most instances to committees on which they are now serving, they will be classed as a minority, distinct from the demands and placed at the foot of committee lists with all opportunity for advancement removed.

CONGRESS VOTES TO RAISE SALARY

Coolidge to Receive Measure Increasing Compensation of Legislators

WASHINGTON, Feb. 20.—Salary increases for members of congress and the president's cabinet were put up to the executive today with adoption by the house of a senate amendment to the legislative appropriation bill.

The president's attitude toward the proposal has not been determined and he is expected to consult the budget bureau.

The house, like the senate, avoided a roll call which would have put the members definitely on record. It was passed by a rising vote of 237 to 93. Unless vetoed it will increase the salaries of senators and representatives from \$7,500 to \$10,000 a year, effective March 4, and of the speaker, vice president and cabinet officers from \$12,000 to \$15,000.

An hour of parliamentary maneuvering preceded the house discussion. Instead of sending the

QUICK RELIEF FOR PAIN

For rheumatic pain, soreness, lameness, cold in chest, etc. Apply red pepper to the sore spot. Nothing else supplies such concentrated, such penetrating heat. And heat that doesn't hurt.

You feel it in an instant—that tingling heat. In three minutes it goes to the depths. Circulation starts, congestion is relieved. The pain and the soreness depart.

Red Pepper Rub serves the old-time purpose of liniment or mustard. But this is the modern way, quick, efficient, and without the objections. It is supplanting ancient methods with everyone who tries it.

Don't be tortured for an hour. You can easily avoid it. Have Red Pepper Rub at hand—get it now. Apply it the moment pain starts, or a chest cold. Correct the condition at once.

Every day Red Pepper Rub is saving countless hours of suffering. Let it do it for you and yours.

Editor Statesman: Citizens of Salem who are interested in the care of roses and shrubs should not fail to hear the address of Dr. F. S. Sullinger, of the state of Washington.

Dr. Sullinger has had many years' experience in this line and is an outstanding figure in rose culture; he is also honorary vice president of the American Rose society, a distinction that is held by few.

On account of the freeze injuring the roses and shrubs, he can undoubtedly give a very timely talk on this subject, and I would urge every one who might be interested to hear his talk at the Commercial Club auditorium at 8 o'clock on Wednesday evening, February 25th. I believe that it will be a real treat to the flower lovers of Salem. Very truly yours,

STOCK SHOW HONORS ARE WON BY WALDO HILLS MAN

SILVERTON, Feb. 20.—(Special to The Statesman.)—Floyd Fox of the Waldo Hills received honors at the recent stock show held at Ogden, Utah, and Denver, Colo. At the Northwestern Live-stock shows, one of the largest fat stock shows in America, Fox was awarded a silver cup, given by Armour & Co. of Chicago for the best car load of fat lambs.

Before leaving Denver Mr. Fox sold his exhibits to Armour & Co. of Denver at an average price of \$20 per head. These lambs were also grand champions at the Pacific International stock show held at Portland last fall.

Mr. Fox will receive a roll of films showing the Utah and Colorado shows. The Waldo Hills sheep will be in these pictures and the film will be shown at the local theaters at Silverton.

SALEM PASTOR HAS EXCELLENT RECORD

Spends 18 Years in Salem Pastorate and Most of Life Near City

After spending eighteen and one-half years as a Salem pastor, Rev. W. C. Kantner will officially terminate his pastorage with the First Congregational church Sunday.

His first pastorage at the First Congregational church was begun October 1, 1894 and continued until March 31, 1906. After a period of twelve years he returned to the Salem church in February 1918, and has been pastor there until the present time.

Rev. Kantner has spent more time in the ministry here than any other pastor in the city, in addition, the major part of his life has been spent within a 60 mile radius of this city.

He has occupied the pulpit at Corvallis, Albany, Portland, and Seattle. Also, he has been president of the La Fayette Seminary, an evangelical institution located in Yamhill county, but now discontinued.

Negotiations have been underway for some time to secure a new man here, consequently several names have been considered by a committee headed by Frank Neer. Several men have been asked to preach during the coming weeks.

ROOKS BEATEN BY HI SCHOOL

Willamette Freshmen Unable to Stem Fast Teamwork; Final Score 23 to 10

The Salem high school basketball squad defeated the Willamette freshmen by the score of 23 to 10 in a fast game played in the Willamette gym last night.

Salem jumped into the lead at the first of the game when Heenan, forward, scored a field goal. During the first quarter the freshmen were unable to solve the Salem five man defense and did not score. The quarter ended 6 to 0 in favor of the high school.

In the second quarter the Rooks finally broke through for two baskets although they were unable to stop the high school offense. The half ended 13 to 4 in favor of Salem.

The second half was not so fast as the first although both teams played constant ball. The Rooks were still unable to get through the high school defense with any degree of certainty, however, and scored only one basket in the third quarter. The quarter ended 3 to 6 for the high school.

In the final period both teams sent in a large number of substitutes which slowed the play to some extent. In this period the freshmen outplayed the high school to the extent of one point, making the final score 23 to 10.

Line ups were as follows: Willamette Freshman Salem High
