PIERCE EDICT BRINGS ACTION

(Continued from page 1)

plaining his vote Representative Wheeler accepted the challenge made by Speaker Burdick and voted aye. Representative Bennett, urging that an effort be made to meet the governor half-way, declared that when the governor vetoed the bill he would make himself 100,000 votes, one for every dollar in the measure. He plead for a recall of the bill and later made a motion to this effect, which was deluged under unfavorable votes.

Pierce Places Veto

A few minutes after the action was taken by the house, Governor Pierce, following out his challenge vetoed the bill calling for an appropriation of $100,000 for the continuance of the public service commission, a department that he advocated be abolished.

Fourteen senate and 11 house bills were passed by the house Saturday. One house bill and one senate bill were killed and one house and five senate bills delayed for further action or else withdrawn.

The house adjourned at 5 o'clock about half an hour after the senate. Both houses will convene at 11 o'clock Monday morning. No night sessions have been held so far, the great amount of work yet demanding attention being such that the 33rd session will not be able to pass into history before Wednesday noon or possibly Thursday.

HELP KIDNEYS BY DRINKING MORE WATER

Take Salts to Flush Kidneys and Help Neutralize Irritating Acids.

Kidney and bladder irritations often result from acidity, says a noted authority. The kidneys help filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Begin drinking lots of soft water, also get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast. Continue this for two or three days. This will help neutralize the acids in the system so they no longer are a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithia and is used by thousands of folks who are subject to urinary disorders caused by acid irritation. Jad Salts causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink which may quickly relieve your bladder irritation. By all means have your physician examine your kidneys at least twice a year.—Adv.

Men Outnumber Women In Genius and Insanity

BERLIN, Feb. 21.—Germania, a local daily with a love for statistics, has collected a lot of figures on German population from which it derives authority for the following statements: Ten out of every 1000 men and three out of every 1000 women are idiots. On the other hand, out of 1000 men there are 10 geniouses, whereas among 1000 women there are none.

When it comes to average intelligence, the women are ahead, 595 out of 1000 being in that category, while only 380 out of 1000 men thus qualify.

Henry Ford, having purchased an antique stagecoach, now invests in an ancient hansom cab. He must be gathering a family tree for Lizzie.

USE SULPHUR TO HEAL YOUR SKIN

Broken Out Skin and Itching Eczema Helped Over Night

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.

Get a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.—Adv.

PUBLIC NOTICES

FOR SALE

The undersigned, clerk of School District No. 24, Marion County, Oregon, will receive bids for the purchase of the property known as the Washington school, being one block of ground consisting of twelve lots and the buildings thereon, until eight p. m. February 24, 1925.
