

# LOCAL UNIVERSITY QUINTET TROUNCES TRADITIONAL ENEMY

## BEARCATS WIN FROM PACIFIC

### Slow Rough Game Ends With Score of 31-17 Favoring Willamette

In a slow, rough game played on the local floor last night the Willamette university basketball team defeated their traditional rivals, Pacific university, by the decisive score of 31 to 17.

Pacific scored the first point when Blackman, Pacific guard, converted a free throw. Willamette came back with a rush, however, when Erickson, guard, made a field goal. Willamette outplayed the Pacific team consistently during the rest of the half and the period ended 18-5 for the Bearcats.

In the second half the Bearcats continued to outplay Pacific, scoring several goals from under the basket. Hartley, Willamette center, was high point man of the game with a total of 18 points to his credit. The Pacific scoring was quite evenly divided, as no one man had more than 4 points to his credit.

The game was unusually rough, Emerson, Pacific forward, going out on personal fouls early in the first half. Neither team had much of an edge in converting free

throws, Willamette making 7 out of 14 and Pacific 3 out of 5. An interesting feature of the game was a tumbling stunt put on by a number of high school students, coached by Prof. Leslie Sparks. The tumblers were well received and drew a great deal of applause from the crowd.

This game places Pacific in the cellar of the Northwest conference as the two teams do not meet again this year. Willamette will close the season next Monday with the University of Southern California on the local floor.

Lineups were as follows: Willamette (31) Pacific (17) Pasmacht (4) F. L. Tucker (4) Robertson (3) F. Emerson Hartley (18) C. Adams (4) Emmel (4) G. Blackman (3) Erickson (2) G. Rennow Herman S. L. Tucker (4) S. Lyons (2) Referee—Coleman, Corvallis.

## MACHINE MISSES FIRE; GOVERNOR SUSTAINED

bring in outside judges and they can be kept in the counties where they belong. There is not another county in the state that has only one judge for every 50,000 of population.

Other bills of the 1923 session that were vetoed by the governor were offered. HB No. 227, relating to probate matters, was lost after Representative Swan had protested its passage.

"Multnomah county has disgraced itself enough at this session," he said. "Don't give them this abominable measure."

Three other vetoed bills of the previous session were offered each accompanied by the report of the committee on vetoed bills that the vetos be sustained. The reports were adopted.

SB No. 198, abolishing the office of constable in Multnomah county, vetoed by the governor, failed to muster the necessary two-thirds vote and was defeated.

## BID ON SCHOOL IS HELD UNFAVORABLE

building be demolished and removed by the new owners. The committee which appeared before the school board was composed of George H. Grabenhorst, Leo N. Childs and L. E. Oberer, the executive board of the Realtors' association.

Previous to the passage of the resolution a motion was overruled asking that the property be retained. The opposition rested upon the fact that the realtors did not know the exact school conditions, and were not able to determine whether the block was fit for school property or not.

Although the school board had received many protests and had heard much discussion pertaining to the sale of the property, not a single person appeared before the board today to air his views. The committee from the realtors was the only outside voice heard at the meeting.

Bids are to be opened at the next regular meeting, to be held at the school board rooms at the Salem high school.

## Flowers Knocked Out by Delaney in Fourth Round

NEW YORK, Feb. 26.—Jack Delaney, Bridgeport, Conn., light heavyweight, knocked out Tiger Flowers of Atlanta, Ga., in the fourth round at Madison Square Garden tonight. It was Delaney's second knockout victory over the negro within two months.

A right uppercut which gave Delaney the previous victory over Flowers in two rounds on January 16, dropped the negro for the count. The knockout came after Flowers had gone to the floor without a count and danced into a neutral corner as Delaney resumed the attack.

Flowers was the aggressor, using a slashing right to the body which, however, failed to bother the Bridgeport man seriously. Delaney followed his customary method of standing away and sharp shooting for the body and head of his opponent.

Delaney weighed 164 1-3 and Flowers 166 1-4. The fight was to have gone 12 rounds.

## Volleyball Contest to Be Staged at a Later Date

The Salem businessmen will not meet Oregon Agricultural college volleyball team, as arranged recently, but will play on March 17, according to telephone communications received yesterday by Bob Boardman, physical director of the YMCA. Due to the overcrowded program the businessmen of the Salem YMCA will not show their stuff before the Corvallis players. The same two teams met two years ago with the result that the Salem team was victorious. The Corvallis players believe it is their turn to win and are willing to try their luck.

Irrigation got nowhere. The bill to create a board of censors for movies faded out in the senate after passing the house.

By a trade between senate and house today, the most important highway bill of the session, house measure No. 413, went to the governor for his signature after passage by both branches of the session, retaining the senate amendments.

The amendments raised sharply the license tax upon automobile buses and trucks over the figures fixed by the house. The governor

## Murder Conspiracy Hinted in Death of Millionaire

SAN FRANCISCO, Feb. 26.—The evidence of a supposed conspiracy to murder Mrs. Lavina J. Hotelling, rich San Francisco widow, and her son, Frederick C. Hotelling, and his wife, and the implication of Richard M. Hotelling, millionaire club man and land owner, in the conspiracy is to be placed before the San Francisco county grand jury for investigation and action on next Monday night.

## Clock Famous in 1876 Began a Befitting Home

ALBANY, Feb. 26.—The tower clock that won the highest award and special bronze medal at the centennial exhibition at Philadelphia in 1876 will be given away to the municipality or building, which will provide it with the most suitable home.

This announcement was made today by Dudley F. Fasoldt, 133 North Pearl street, Albany, N. Y., a nephew of Charles Fasoldt, pioneer clockmaker who constructed the prize mechanism. The present owner is not a tower clock manufacturer.

The famous old clock is today pining away in a back room, its existence practically forgotten despite the fame it won in competition. Its owner said he was moved to make the offer only by the desire that the masterpiece be given an opportunity to fulfill its destiny of usefulness and service.

The clock will operate four dials of any size up to 100 feet across, setting the hands every half minute, and its owner declares it will not gain or lose more than ten seconds a year.

The clock's mechanism is enclosed in a solid mahogany and glass case and is capable of giving many years of faithful service to the municipality or building which will adopt it.
