BIBLE THOUGHT AND PRAYER
Prepared by Bible Service Bureau, Cincinnati, Ohio.
If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in later years.

HOW TO GAIN ALL—Seek ye first the kingdom of God and His righteousness; and all these things shall be added unto you. Matthew 6:33.
PRAYER—Give us, Lord, an ambition that falls nothing short of the best which Thou hast, and the accomplishment of all which Thou hast planned.

ought to be fired
(Facts About Sugar.)
Beet sugar men in this part of the country are inclined to take strong issue with the outlook report issued by the United States Department of Agriculture last week, which in effect advised against increasing the acreage in sugar beets this year.

A SERIOUS JOKE
Submitting to the people the proposition of prohibiting inheritance and income taxes would be a great joke were it not so serious. There is no expectation of its passing. It is just an effort to still further discredit the progressive legislation of this state.

NEGROES CANNOT VOTE
Negroes could not vote in Oregon if the state constitution was obeyed. The constitution of this state prohibits by name the negro from exercising the franchise. Just how this happened to get in a constitution so far-off a state where neither abolition nor slavery was more than an echo is hard to understand, but it is still in the state constitution, although the 14th amendment to the national constitution rendered it null and void.

THE LEGISLATURE
The Statesman would be mighty glad if it would be permitted to start a movement to stop this everlasting abuse of the legislature. The last one of course is abused most because it is last and we are becoming more adept in the use of vituperation. The fact is that a public official who minds these things is unhappy always but it is wrong just the same. We can not expect continued high class officials if we are going to abuse them like pickpockets and take the reputation away from every man. The recent legislature was as good a one as Oregon has ever had. The members were high class, devoted to the public service, but they will be abused just the same.

The salary raise for members of congress now before the president merits a veto. The friends of the measure declare that expenses of living are frightfully high. That the Washington climate is bad and that they must meet certain social obligations that are more expensive than at home.

Just when we are talking of enrichment and economy, it would amount to a scandal to raise these salaries and every member of congress who voted for the raise ought to be defeated. However an alibi has been prepared in advance for each one. There was no record of the vote and every man there will declare that he voted against it but the other fellows out-voted him. Of course that was done by design. At any rate it is up to the president to apply the veto.

NO PRIMARY CHANGE
It is to be regretted that the legislature did not provide an expression for the republicans of Oregon in the way of a party platform, but the small machine was so determined to kill the primary that it wouldn't listen to conciliation and fairness. It wanted to kill the primary outright, first by endorsing the Mills bill and then by what was called the Jackson county plan. Both would have killed the primary. One applied the dose before voting and the other after. There was little choice between them, and the great mass of the legislators refused to take either. But the independent members who saw the necessity of reform should have insisted upon a convention of some sort to make a party platform.

Unique Letters Received—
The Christian Endeavors of all Oregon counties are up and hustling, according to the letters sent out yesterday's mail. From all indications, the communities outside of Portland are to give the city a run for their money. Portland has issued a challenge to see who could secure the first 2000 registration. These preliminary meetings are preparing for the coming convention of the Christian Endeavors at Portland during the coming summer. The Marion County Endeavors have a treat in store for them when Paul Brown, Pacific coast secretary for the United Society, will be in Salem, March 4, to conduct a big rally.

At Central Howell—
Mr. and Mrs. F. W. Woody and the Woody boys will sing tonight at the Central-Howell school house on the Silverton road, the occasion being the repeating of the play, "The Hickory Hollow School," at

LENTEN TALKS THE GOSPEL ACCORDING TO ST JOHN
Rev. ERNEST H. SHANKS, Pastor of the First Baptist Church

TO A GREAT many people the Lenten season means much. To some it has little or no significance. To not a few it means little more than the denial of social pleasures. There are others who regard it as a time of spiritual refreshment. Without entering into the question of motives, we regard it, for the present purposes, as a time for the study of one of the Gospels of the New Testament. The Gospel according to St. John is especially rich for this purpose. The other three Gospels, commonly called the Synoptics, give in greater detail the life and ministry of Jesus. We have selected the Gospel of John as better suited to our study at this time.

21, according to announcements made yesterday. Several state teachers are to be present as well as the special large number of speakers, among whom are Dr. W. J. Thompson, a dwelling at 445 Columbia, costing \$2500, according to permits issued at the city recorder's office yesterday.

Joe Minton Back—
Joseph Minton, former resident of Salem, has returned after a visit to Canada for over a year. Economic conditions are not very favorable in Canada, was his comment after he had returned to the city. He plans locating in Salem.

Pines Are Imposed—
Clifford Hulsey, Phillip Gourney, C. L. Windolph, G. O. Hanlon and J. H. Bryan were fined \$5 each for speeding when they appeared in the local police court. A. H. Towner was fined \$7.50 for the same offense.

People's Cash Store Closed—
The institution known as the People's Cash Store has passed away and in its place has come the Director's Department Store. New store windows, new fixtures and a general remodeling have been taken place, while a new stock of goods has been put on the shelves. Wiretrot Bros. know what the people of Salem want and are willing to get it for them in the eastern markets.

Report Corrected—
Instead of discussing plans for additions to the Grant and Lincoln schools, as previously reported, the Salem school board is to make a survey for the repair of the two schools. The buildings are in need of repairs badly and these must be made before additions are placed upon them.

Building Permits Issued—
John W. Harbison is to build a filling station at Commercial and Owens, which will cost \$1500; Edward C. Roberts, a garage at 280 South Twenty-third; T. S. Mackenzie a dwelling at 820 Shipping street, or 1495 North Church which will cost \$3,000, and Dr. W. J. Thompson, a dwelling at 445 Columbia, costing \$2500, according to permits issued at the city recorder's office yesterday.
