

SOUTHERN CALIFORNIA BEATS WILLAMETTE BY A 36-33 SCORE

BEARCATS DROP ANOTHER GAME

Season Ended by Contest Last Night; Locals Lead During First Half

The Willamette university Bearcats closed their basketball season here last night with a close fast game with the University of Southern California. The final score stood 36-33 in favor of the visitors. Hartley, Willamette center, started the scoring and the Bearcats were able to maintain a consistent lead all during the first half. The half ended 20-18 in their favor.

The University of Southern California took the lead early in the

second half and despite the desperate efforts of the Bearcats were able to hold it till the end of the game.

Boyer, USC center, was high point man of the game with a total of 15 points to his credit, seven field goals and a single converted free throw. Fasnacht, Willamette forward, was the most consistent point center for his team with a total of 9 points.

The Bearcats showed a surprising inability to convert free throws, making only 7 out of 21 tries. The University of California made but 6 out of 13.

This is the last game to be played by the Willamette squad this year. There is some possibility, however, that the University of Oregon and OAC will play one game here later in the season in case the two teams tie.

Lineups were as follows:
Willamette (33) USC (36)
Robertson (4) F... Boyer (15)
Fasnacht (9) F... Badger (8)
Hartley (9) C... Kaer (2)
Emmel (8) G... Dorsey (2)
Erickson (3) G... Laraneta (3)
S... Fouch (6)
Referee—Coleman, Corvallis.

BOXING IS FOUND IN GOOD CONDITION

No Change Made by Council Which Passes Ordinance Keeping Commission

The ordinance to regulate the boxing competitions of Salem was brought before the action of the city council last night and caused the status of the boxing game to remain the same. The ordinance was drawn up so that no change will be made in the present plans. No new commission is to be appointed. No radical change is urged. The same commission existing before the passage of the new bill is considered to be acting.

It was thought for a while that the new bill would kill the boxing game of the city and allow nothing upon second rate and third rate boxers to be brought in. This is not the case, however, and the new ruling will allow the same first-class boxing matches to be staged.

"Spare That Tree" Is Plea of Street Commissioner

A beautiful oak tree near the property of Mrs. Hughes on Oak street will not fall to the ground, to make way for modern street improvements, according to the action of the city council last night.

"Councilmen save that tree" was the plea of Street Commissioner Walter Lowe. Plans and specifications furnished by the city engineer state that without much difficulty the curbing can be made to go around the trunk of the tree and without obstructing the traffic.

It is stated that the oak tree is one of the most beautiful in the city and is considered a landmark in that vicinity. It is about three feet in diameter at the butt, and stands about 40 feet in height. The age is not determined.

"2—That the report of the treasury reserve thereto is incomplete, contradictory and evasive and the testimony it offered to show in error was refuted;

"3—That records have been falsified, the extent of which is unknown to the committee;

"4—That indifference to duplicates has been prevalent.

MILTON MILLER IS POPULAR SPEAKER

Substitute for Governor Scores Warm Reception From Business Men Here

Substituting for Governor Pierce at the noon meeting of the Chamber of Commerce yesterday, Milton Miller, Portland attorney, made one of the clearest patriotic addresses given this year before the business men. Due to the critical illness of Mrs. Pierce, the governor was unable to keep the appointment.

Entertainment, witticism, and information of the development of the United States was replete in the address made by Milton Miller. During the address Mr. Miller showed his command of American history by giving example after example of incidents during the early period and struggle of the colonies.

"We have three things that happened during the month of February, which should make us proud. The birthday of Washington and Lincoln comes during this time and in addition it is the month when Oregon was admitted to the Union."

Tracing briefly the events leading up to the Revolutionary period, including the first document penned in America by the travelers on the Mayflower, the speaker stated Washington was the man who shaped the destiny of the colonies for times to come. The economic growth of the nation, the arousing of the political conscience, and the incidents leading up to the formation of the Union were discussed.

Other characters whose influence shaped the development of the United States were considered. The incidents pertaining to the signing of the constitutional convention paper were sighted, and the influence of the various members

told. The long fight put up by the state of New York before agreeing to the findings of the convention were vividly described by the speaker.

"It was Washington who decided the manner of electing senators to the congress of the United States," was the declaration of Mr. Miller.

Milton Miller was democratic candidate for United States senator against Senator Charles McNary, who was reelected. He served as director of internal revenue, with offices in Portland under the Wilson regime and is at present a member of the text book commission, and active in political circles.

HOPPE ELIMINATED IN RACE FOR TITLE

Belgian Champion Forces Former American Title-Holder Out of Running

CHICAGO, March 2.—(By The Associated Press.)—Willie Hoppe, world's champion at 18.2 ball line billiards, tonight lost his last chance to retain the title in the international 18.2 ball line billiard championship tournament here when he was defeated by Edoard Horemans, Belgian champion, 400 to 36 in seven innings.

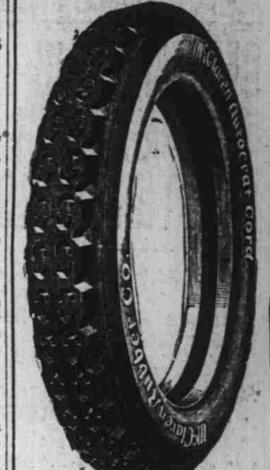

Hoppe's elimination made the championship aspirations of young Jake Schaefer, who today won his fourth straight victory without a defeat by beating Kamekichi Suzuki, Japanese player, 400 to 175, in 14 innings, even brighter. Schaefer and Hoppe meet tomorrow night. If Schaefer beats Hoppe, the championship will be his; if he loses to Hoppe he will be tied for the title with the winner of the match tomorrow afternoon between Horemans and Hagelbacher, the German.
