

COLLEGE BASKETBALL CHAMPIONSHIP MAY BE DECIDED HERE

USE LOCAL GYM FOR THIRD GAME

Arrangements Made Tuesday in Event Oregon and Aggies Tie This Week
Salem Basketball fans will be given an opportunity to witness a real classic next Monday night if the University of Oregon and Ore-

gon Agricultural College teams play two tie games this week and a third meeting necessary to decide the championship.
Carl A. Lodell, graduate manager for the Aggies, was in the city yesterday and completed arrangements for the use of the Willamette university gymnasium if each team wins a game this week. For a time efforts were being made to stage the game in Mutnomah club gymnasium in Portland. Tickets will be available from Coach Rathbun and reserved seats at Hauser Bros. if the game is played here.
First of the two games will be played at Eugene Thursday afternoon at 5 o'clock. The Eugene Armory is not available for a night game this week. The second contest will be played at Corvallis at 7:30 o'clock Saturday night. Should either Oregon or the Aggies win both games a third game will not be necessary, but if each wins one, a play-off will be forced.

SALEM WILL NOT PLAY EUGENE HI

The basketball contest between Salem and Eugene is canceled, according to a statement made by Dennis Heenan, athletic manager of the high school. The game was scheduled for Friday evening on the Eugene floor, but owing to the fact that Eugene is playing three games this week, they asked to be released from the Salem contract. It is interesting to know that Eugene is playing three games this week for the district championship, which will allow them to be present at the state tournament to be held here.

Eugene high has defeated Corvallis and University high. However, an extra game has to be played with the latter team, because of the defeat handed them by the University team.
Teams are lining up for the tournament play and it is expected that some of the strongest competition of the season is to be directed at the crack Salem team. Attempts are being made to secure a game with the Mt. Angel quint and the Oregon frosh. However, no definite dates have been set.

a spirit of enthusiasm which shall dominate the city.
The campaign of confidence is not to be limited to a few members of the Kiwanis but is to utilize the entire membership. In order to do this various committees have been organized to perform certain duties outlined by the board of directors.
The public affairs committee will have supervision of the general activities of the entire movement, while the program committee will endeavor to secure representative business men to address the Kiwanis club. It is the purpose of this committee to secure speakers who can describe the various phases of the local industries and to stimulate the interest of the members in the work. Other activities are to be carried on by this committee.
It falls to the publicity committee to keep the people of Salem informed of the activities of the organization and to cooperate with other units of the community.
A special committee is to be appointed which will secure various letters from the business men of Salem and are to be entitled "Salem Kiwanis Club—Letters of Confidence." These letters are to give the viewpoints of the various interests in the community.
Committees to cooperate with the Business Men's league, with city authorities, the public schools and with the chamber of commerce, in attempts to bring about the greatest accomplishments for the good of the community.
Ed Schunke, delegate to the recent Kiwanis district convention at Tacoma, gave a rapid-fire talk on the results of the meeting.
Discussion of the project was held by the members at an open forum. Among the members making talks were Byron Wright, Frank W. Durbin, John L. Brady, and Percy Cupper.

A total of \$10,000 of the appropriation carried by H. B. No. 491 was disapproved, the section referred to having to do with the payment of bounties; \$15,000 for use of the land settlement commission; appropriations of \$32,040 for salaries and \$20,020 for operating expenses in connection with the Doernbecher Memorial hospital in Portland as the hospital is not yet constructed; extension of the work of the Oregon social hygiene society, for which \$30,000 was sought, is curbed by a veto of this portion of H. SONG CONTEST IS SLATED MARCH 7

The annual Freshmen Glee at Willamette university will be held at the Armory March 7. This is the one big social event of the Willamette campus and is expected to be one of the most successful that has been put on thus far.
The four classes have all selected their songs and practice is well under way. Each song is composed by a member of that class and in this manner the university acquires its great number of school songs. The authors of the four songs this year are as follows: Senior, Fay Sparks and Fay Spaulding; Junior, Helen Johnson; sophomore, Herbert Jasper, and freshmen, Louise Findley.
There is an interest in Freshmen Glee contests which is for the masculine members of the four classes to bet a trip into the old mill stream if their class does not win. It is a big event the day after the Glee when these bets are paid to the amusement of the spectators, no matter if it is in March and the water is far from warm.

COOLIDGE WILL TAKE OATH OF OFFICE TODAY

a small stand has been erected there for the president, and another to accommodate some 4,000 spectators. On the capitol plaza, facing the spot where the president will take the oath of office, there is a stand to seat 12,000 more but most of the residents of Washington and those who have come from other cities will have to find standing room on the sidewalks and parkways to see the passing of the inaugural show.
Although, perhaps, less than 10,000 persons will be in the parade when it makes its pilgrimage along the historic pathway from the capitol past the White House. But they will include the ranking officials of states of the union in New England, the south, and the west, who have come to Washington to attest once more the united purpose of the nation, and fighting men of the army, navy and marines, assembled for a proud demonstration of the nation's faith in its institutions and respect for its chief.
There will be another feature of the ceremonies which will evidence American progress. For the first time, the words of a president when he intones the words of the constitutional oath and del-

No great disturbance was made by the gang, although a woman living on the second floor of the building said she had been aroused by some noise about three o'clock in the morning, but that she did not know what kind of a disturbance it was.
From every bit of evidence concerned with the robbery, officers are not of the opinion that the job was an inside one, because the methods used in the robbery were similar to the methods used in the other burglaries of the Willamette valley. It is presumed that this gang has scouts in the field who go over everything before the robbery and make the get away as easy as possible.
A report from Aurora disclose a robbery that was committed there the same night as the Salem robbery. Goods to the same value were taken, in addition to a lunch, to which the robbers helped themselves.

Pains Stopped for millions in this way

Remember this when you feel a pain. Millions have learned how to stop it at once. For 65 years they have done so by rubbing with St. Jacobs Oil.
All the pains allied with rheumatism, with soreness, backache or lameness. And chest colds are checked at the start.
Just rub the sore spot with St. Jacobs Oil. It causes counter irritation. Or it relieves the congestion by bringing the blood to the surface. Then the pain is ended, and you can wait in comfort while Nature cures.
Now there are several ways to do this. But remember that St. Jacobs Oil has for 65 years stood the test. It has proved itself to millions. Nobody has ever found anything better, and nobody ever will.
Don't wait until the pain starts. Keep St. Jacobs Oil on hand. It may save nights of suffering. Rub the sore spot as soon as a pain appears, or a chest cold. Get relief at once. Think what protection this means to you, and the cost is only 35 cents.—Adv.
