Oscar M. Smith, Portland Business Man, Is to Be Noon Speaker Monday

Oscar M. Smith, Portland business man, is to be the regular speaker at the Salem Chamber of Commerce Monday noon. The address will be along lines entirely different from other addresses before the organization. Mr. Smith has an unique record.

He is secretary and treasurer of the Portland Ad club, and for the past two years he has served as chairman of the general membership of the Portland Chamber of Commerce. The organization of the Mar-

ine club at Portland was a part of the work Mr. Smith and has made a reputation as a civic worker, by being right on the job. In addi-

The recommendations which Mr. Smith is bringing to Salem are of the highest kind. When the Portland Chamber of Commerce had some special kind of job on hand wherein the membership committee is needed, Mr. Smith is assigned to the job.

The address will concern cer-tain conditions which the Portland club has met and how the affairs

Triangular Debate Will Be Staged By Willamette

The Willamette university woman's debate team will meet the representatives of Albany college and Linfield college in a triangular debate to be held next Tuesday. In all cases an audience decision will be given. This plan has proved very popular in a great number of debates and is to be tried here for the first time. The Willamette affirmative debaters, composed of Caroline Tall-

Good Music. Heart Messages.

Evening Sermont-In the Secret of His Presence.

The Church That Welcomes Strangers

Coast to Coast, New York to Los Angeles-3106.5 miles in 71 hours 33 minutes-actual driving time-in a stock model Rickenbacker Six.

That's performance!

One car did it-not a relay of cars

That's performance!

One man Cannon Ball Baker drove all the way.

That's performance!

Hours faster than the three fastest trans-continental

That's performance!

Breaking, one after another, all inter-city road records as he sped across-

That's performance!

Did it, not in balmy summer weather, but in mid-winter when roads are worst;-

That's performance!

At one stage-through Kansas and Missouri-deep, halffrozen ruts in gumbo, (made mostly by smaller cars with smaller tires, while the Rickenbacker was equipped with big 32 x 5.77 balloons) made low and second gear work necessary for 75 miles!

Mile after mile, at 45 miles per hour in "second" with motor turning 4,000 revolutions per minute.

That's performance!

These things indicate a car of marvelous stamina; a motor of wonderful endurance and power; riding qualities superb—else no human being could have en-dured the ordeal—and finally lubricating and cooling systems that are perfection.

That's performance - all around sustained performance!

Drive this Rickenbacker Six yourself-it will be a revelation to you.
