**SAGE TEA DANDY TO DARKEN HAIR**  
It's Grandmother's Recipe to Bring Back Color and Lustre to Hair  
You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.  
Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.  
This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.—Adv.

**Kill The Germs That Cause Cold**  
Cold in the head comes from germs in the membranes. They cause the inflammation, the stiffness, the discharge.  
Apply Ely's Cream Balm in the nostrils and breathe it. It is antiseptic. Relief is almost instant. The head is cleared, the inflammation soothed, the discharge is checked.  
That's the right way to deal with a head cold. Fight the germs where they are. Then never again let a head cold get started. Apply Ely's Cream Balm at once. Ask your druggist for a bottle and watch its quick effects.—Adv.

**Losing Classes Offer Parody on Offerings**

The usual celebration was held by the Willamette university students at the chapel hour Monday after the Freshmen Glee. The freshmen sang their song before the student body and were followed by the juniors winners of second place.

The seniors, who rated third, gave a parody on their song and lastly the sophomores who were awarded fourth place filed sorrowfully in and gave their parody. After the chapel hour was over the entire student body congregated around the old mill stream and watched the boys play their bets in the approved manner. All

**PNEUMONIA USUALLY STARTS FROM COLDS**

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. BALSAMEA is a pure vegetable preparation made from a newly discovered plant. Dr. Benj. F. Crabtree, Anderson, Mo., writes: "I use it exclusively for my practice and my family. It is quick, sure and safe in all acute cases."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of oils from a native plant were immune from the ravages of influenza. He used these oils among his white patients and then in a hospital overflowing with "death" cases. News of the results swept the world and for some time it was not possible to supply the demand.

BALSAMEA has now been standardized and gives uniformly successful results in four ways: 1. It soothes the inflamed membrane and relieves irritation. 2. It increases secretion of mucous membranes and eases expectoration. 3. It stimulates pores of the skin in throwing off body poisons and 4. It strikes at the cause, checking germ action immediately. Do not confuse it with ordinary balsam which do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful narcotics. Pleasant to take and absolutely safe to give to children. Be sure you get BAL-SA-ME-A with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter from what cause, or your money back

**Burglars Are Active—**  
The activity of house prowlers during the week-end caused reports to be made to the Salem police station. C. E. Bowen, 1078 North Fifth, lost about \$12 in cash when his residence was entered and ransacked. Entrance was gained through the rear door while the family was absent. The Salem foundry company was entered and the safe looted. About 25 pennies were taken. The safe had been left unlocked. Once more the Oregon Gravel company's

offices on North Front street were entered, this time by the front door. Seventy-five cents in money and \$2 in stamps were taken. The robbers turned the night latch after they had removed a pane of glass from the front door.

**Loses Leg in Accident—**  
Earl Ishmeal attempted to jump from a Southern Pacific train at Jefferson, slipped and fell, his leg on the rail. The limb was crushed by the car wheels. He is a signal worker at Jefferson and was coming north on the train at 6:30 Sunday morning. Following the accident he was rushed to the Deaconess hospital by the same train, where it is reported he is resting easily. His leg was amputated.

**Cancer Removed—**  
Yesterday by the use of medicine. Dr. Stone removed a cancer from the lower lip of George Wollek of Mt. Angel, Ore. m10\*

**Logans at Five Cents—**  
The Starr people have set a 5 cent contract in circulation as a feeler for loganberries and it is expected other canneries will do the same thing. It is reported Hunt put out a feeler at 4 1/2 cents and had to put out another contract at 5 cents. No results were obtained on the other. The sale of the Hubbard berry pool at 5 cents somewhat fixed the berry price, and it is considered likely that no effort will be made to buy logans at less than that price this year, with a possibility for the price swinging to 6 cents.
