

# CALIFORNIA WINS PACIFIC COAST BASKETBALL CHAMPIONSHIP

## AGGIES LOSE GAME, 33-19

### Bears Capture Last Two Games of Series in Brilliant Display

CORVALLIS, Ore., March 14.—The University of California basketball team defeated the Oregon Agricultural college quintet here tonight by a score of 33 to 19 and captured the Pacific coast intercollegiate basketball title. In the three game series, the Aggies took the first, but California came back and won last night's and tonight's contests.

The Bruins performed some of the most dashing perfect field work ever seen on the Aggie floor. They earned their championship, for they played like champions throughout, although the Aggies

sadly missed their dependable center, Brown. In their first game here, which they lost, the Bruins attempted to combat the Aggie system by a zone defense. It was disastrous. Last night they used part zone defense, part man to man, and won. Tonight they seemed completely to have solved the Aggie system, and they did it by changing over entirely to a straight man to man defense.

### HOT FIGHT IS ON IN SENATE

That failed, but order was finally restored when Senator Borah, republican, Idaho, told the senate that "it is a very pathetic thing and a very pitiable thing that we have reached a point in the senate of the United States where we cannot discuss public questions without indulging in such personalities."

## Bloomington, Ill., Has Adopted Unique Method of Displaying National Flag on Legal Holidays

Ten-foot poles are set at intervals along the edge of the sidewalk in the business district and portions of the residence districts. When a legal holiday or other festival occasion arrives, flags of the same size are attached to the poles

which are set in the sockets and the effect when several thousand float in a breeze is very striking. This method of displaying the nation's banner has been widely approved.

## DUAL TRAGEDY IS ENACTED; TWO DIE

### Man and Wife Electrocutted By High Tension Wire; Children Witnesses

SANTA ROSA, Cal., March 14.—A tragedy which took two lives and which was marked by the unavailing and desperate attempt of a wife to save her husband from electrocution, was enacted late today on a ranch at Glen Ellen, 20 miles east of here. It was witnessed by two children who saw two men shocked into insensibility in their futile efforts to rescue the aged parents.

The victims were Peter Oehler, 54, and his wife, aged 50. Oehler had been boring a well on his ranch. In removing a section of pipe from the well, it became bent and came into contact with a high voltage wire. Oehler dropped lifeless with his body pinned under the pipe. The screams of the son and daughter, aged respectively, 20 and 17 years, who had witnessed their father's fate, summoned Mrs. Oehler, H. Murray, district fire warden and T. Meglan, a rancher.

Murray and Meglan attempted to remove the charged pipe from Oehler's body and were hurled several feet, unconscious. Then Mrs. Oehler, disregarding the pleas of her children, grasped the pipe in both hands and jumped beside the body of her husband. She died a short time later at the Sonoma state hospital where she was removed after Murray and Meglan, upon regaining consciousness, had succeeded in breaking the contact between the fatful section of pipe and the charged wires.

Lineups were as follows: Eugene (19) Franklin (24) Emmons (8) F. Scallon (10) Roleman (3) F. Epps (2) Schrader (4) C. Lawrence (8) Bally (4) G. Kretzmeier (8) S. Cotter (1) Referee, Coleman.

### Driver Smashes Into Curb; Car Lands in Willson Park

H. Savenko, declared to be intoxicated, drove a Ford car at a high rate of speed at South Winter near State, but failed to turn at the intersection. As a result the car ploughed 70 feet from the curb into Willson park before it stopped. When police arrived on the scene the occupants of the car were gone, but after waiting for a short time, an elderly man named Markine arrived with a companion to take some of the effects of the car away. Markine was arrested and booked at the station on a charge of drunkenness. Officers traced Savenko to a residence on Trade street. He was booked at the city jail.

Chester Myers was in an ugly disposition when he was brought to the police station last night by Officer Hickman and booked on a charge of drunkenness. It required the services of three officers to subdue him without undue violence. A total of six men were booked on the charge of being intoxicated, two of them because they were driving a car while
